Active Directory Joe Richards,Robbie Allen,Alistair G. Lowe-Norris,2006-01-19 Working with Microsoft's network directory service for the first time can be a headache for system and network administrators, IT professionals, technical project managers, and programmers alike. This authoritative guide is meant to relieve that pain. Instead of going through the graphical user interface screen by screen, O'Reilly's bestselling Active Directory tells you how to design, manage, and maintain a small, medium, or enterprise Active Directory infrastructure. Fully updated to cover Active Directory for Windows Server 2003 SP1 and R2, this third edition is full of important updates and corrections. It's perfect for all Active Directory administrators, whether you manage a single server or a global multinational with thousands of servers. Active Directory, 3rd Edition is divided into three parts. Part I introduces much of how Active Directory works, giving you a thorough grounding in its concepts. Some of the topics include Active Directory replication, the schema, application partitions, group policies, and interaction with DNS. Part II details the issues around properly designing the directory infrastructure. Topics include designing the namespace, creating a site topology, designing group policies for locking down client settings, auditing, permissions, backup and recovery, and a look at Microsoft's future direction with Directory Services. Part III covers how to create and manipulate users, groups, printers, and other objects that you may need in your everyday management of Active Directory. If you want a book that lays bare the design and management of an enterprise or departmental Active Directory, then look no further. Active Directory, 3rd Edition will quickly earn its place among the books you don't want to be without.

Annuaire de la Commission du Droit International 2011, Vol. II, Partie 3 International Law Commission,2020-02-18 La Commission du droit international est un organe d'experts, composé de « personnes possédant une compétence notoire en matière de droit international », qui œuvre au développement progressif et à la codification du droit international. Annuaire de la Commission du droit international: Volume I : Comptes rendus de séance; Volume II : Texte des principaux rapports établis au cours de l'année, y compris le rapport annuel à l'Assemblée générale.
