G. H. R. Horsley,Stephen Llewelyn

Soul Survivor James M DeHaven,2018-05-03 Joshua awoke in an unfamiliar place. A hotel he guessed. But at the moment he could not recall anything. This must be what amnesia is like he thought to himself. Michael, a stranger who suddenly appeared, made him feel at ease and was helping him to remember. But what he remembers, and what is being revealed to Joshua is disconcerting. Why did he survive? What is expected of him? What Joshua receives from Michael may be more than he can comprehend. And he perceives that it is something that not everyone will want to understand or accept. It's up to Joshua now. How will he handle the information that is revealed to him?

When They Recall Your Spirit Tabbie Browne,2020-06-17 Do you know what happens if and when your spirit is recalled? Of course you don't. None of us do until, or if it happens, and what is total recall? As you read through this book, you will be aware of just how little any of us know. You may look at people you thought you knew in a very different way, but beware, they could also be thinking the same about you. Nothing is certain. You accept the image anyone wants to portray, but how many times have you been wrong? Some don't try to deceive you but they have to hide under a false exterior in order to carry out their work, mainly to oust the evil that is among or inside us. Remember this as you meet the characters, and then form your own opinion. You have been privileged to share this insight which has been channelled through the author's words. Stay safe.

If God Made the Universe, Who Made God? Holman Bible Editorial Staff,2012-02-01 Perhaps you remember being in a university class, feeling frustrated when the respected professor dismissed questions from a student because of her religious faith. Or maybe over a business lunch one of your colleagues referred to Christianity as a fairytale, and you said nothing. Many Christians find themselves in such situations but don't speak up because they don't fully realize the strength of their own position. They feel incapable of giving reasons for the hope that is theirs. Christian apologetics is the discipline and growing body of knowledge that equips believers to address their own doubts, to converse with seekers and critics from a position of strength, and to bear witness to Christ with confidence. In the spirit of the title question, If God Made the Universe, Who Made God? collects 130 essays written in defense of the Christian faith. Contributors include some of the pre-eminent apologists of our time, from Lee Strobel and Charles Colson to Hank Hanegraaff, J. P. Moreland, and Ravi Zacharias. The content is grouped into ten topics: Apologetics: Introductory Issues Jesus Christ Science and Faith Cults and World Religions The Existence of God Ethics Theology The Scriptures Heaven and Hell Evangelism

Ephesians, Volume 42 Dr. Andrew T. Lincoln,2017-12-12 The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any textual variants, grammatical forms,

syntactical constructions, basic meanings of words, and problems of translation. Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Hebrews Alan C. Mitchell, Daniel J. Harrington, 2007 Scarcely any book of the New Testament (with the possible exception of Revelation) is so perplexing as the Letter to the Hebrews, but an anonymous Christian wrote some of the most elegant Greek in the Bible. This is the work that Alan Mitchell explains in this commentary.

He Descended into Hell Elikana Asheri Lova, Elia Shabani Mligo, 2015-02-09 The Apostles' Creed is one of the most prominent creeds in Christianity, perhaps even the most recited creed by normal believers in church services. However, the creed holds a clause that seems controversial to Christian mission in some contexts, especially African contexts. The clause, He descended into Hell, is the main concern of this book. In African context, where ancestral cult is prominent in both people's worldview and practice, this clause poses a tangible problem of religious syncretism. The phrase suggests a life after immediate death, that a person can continue to live in a certain realm soon after death. Since the clause depicts Jesus descending into hell after death and burial, and preaching to the other souls of the dead in hell, it suggests the possibility of hearing a message of salvation after death, a doctrine hardly held by Christianity. The doctrine therefore becomes good news for those Africans who hold firm the ancestral cult, and those whose relatives had died in sin on earth. Therefore, this book critically examines the origin and use of this doctrine in the church and its validity in an African context.
