A Companion to Women in the Ancient World Sharon L.

James, Sheila Dillon, 2015-06-15 Selected by Choice as a 2012 Outstanding Academic Title Awarded a 2012 PROSE Honorable Mention as a Single Volume Reference/Humanities & Social Sciences A Companion to Women in the Ancient World presents an interdisciplinary, methodologically-based collection of newly-commissioned essays from prominent scholars on the study of women in the ancient world. The first interdisciplinary, methodologically-based collection of readings to address the study of women in the ancient world Explores a broad range of topics relating to women in antiquity, including: Mother-Goddess Theory; Women in Homer, Pre-Roman Italy, the Near East; Women and the Family, the State, and Religion; Dress and Adornment; Female Patronage; Hellenistic Queens; Imperial Women; Women in Late Antiquity; Early Women Saints; and many more Thematically arranged to emphasize the importance of historical themes of continuity, development, and innovation Reconsiders much of the well-known evidence and preconceived notions relating to women in antiquity Includes contributions from many of the most prominent scholars associated with the study of women in antiquity

**The Legendary Game Player Zhuan JiaLaoLi,2020-03-14** How could a game without an external connection work? He was going to grind monsters with 10,000 low-leveled accounts! The diaosi Li Feng who was poisoned by the computer actually had the ability to open small accounts without limit! Hot blooded Jianghu Player, WOW players, Questioning players, Conquering players and other old game players must see it!

Sextus Propertius Francis Cairns,2006-08-31 A study of Propertius' four books of elegies investigating their sources and motives.

**Eros and Greek Athletics** Thomas F. Scanlon,2002-02-07 Ancient Greek athletics offer us a clear window on many important aspects of ancient culture, some of which have distinct parallels with modern sports and their place in our society. Ancient athletics were closely connected with religion, the formation of young men and women in their gender roles, and the construction of sexuality. Eros was, from one perspective, a major god of the gymnasium where homoerotic liaisons reinforced the traditional hierarchies of Greek culture. But Eros in the athletic sphere was also a symbol of life-affirming friendship and even of political freedom in the face of tyranny. Greek athletic culture was not so much a field of dreams

as a field of desire, where fervent competition for honor was balanced by cooperation for common social goals. *Eros and Greek Athletics* is the first in-depth study of Greek body culture as manifest in its athletics, sexuality, and gender formation. In this comprehensive overview, Thomas F. Scanlon explores when and how athletics was linked with religion, upbringing, gender, sexuality, and social values in an evolution from Homer until the Roman period. Scanlon shows that males and females made different uses of the same contests, that pederasty and athletic nudity were fostered by an athletic revolution beginning in the late seventh century B.C., and that public athletic festivals may be seen as quasi-dramatic performances of the human tension between desire and death. Accessibly written and full of insights that will challenge long-held assumptions about ancient sport, *Eros and Greek Athletics* will appeal to readers interested in ancient and modern sports, religion, sexuality, and gender studies.

**The Nude** Kenneth Clark, 2023-10-17 A landmark study of the nude in art—from the ancient Greeks to Henry Moore—by a towering figure in art history In this classic book, Kenneth Clark, one of the most eminent art historians of the twentieth century, examines the ever-changing fashion in what constitutes the ideal

nude as a basis of humanist form, from the art of the ancient Greeks to that of Renoir, Matisse, and Henry Moore. The Nude reveals the sensitivity of aesthetic theory to fashion, what distinguishes the naked from the nude, and just why the nude has played such an important role in art history. As Clark writes, “The nude gains its enduring value from the fact that it reconciles several contrary states. It takes the most sensual and immediately interesting object, the human body, and puts it out of reach of time and desire; it takes the most purely rational concept of which man is capable, mathematical order, and makes it a delight to the senses; and it takes the vague fears of the unknown and sweetens them by showing that the gods are like men and may be worshipped for their life-giving beauty rather than their death-dealing powers.” Please note: All images in this ebook are presented in black and white and have been reduced in size.

The Nude: A Study in Ideal Form Kenneth Clark, 2015-02-17

From the art of the Greeks to that of Renoir and Moore, this work surveys the ever-changing fashions in what has constituted the ideal nude as a basis of humanist form.

Logan's Run William F. Nolan, George Clayton

Johnson, 2015-07-07 The bestselling dystopian novel that inspired

the 1970s science-fiction classic starring Michael York, Jenny Agutter, and Richard Jordan. In 2116, it is against the law to live beyond the age of twenty-one years. When the crystal flower in the palm of your hand turns from red to black, you have reached your Lastday and you must report to a Sleepshop for processing. But the human will to survive is strong—stronger than any mere law. Logan 3 is a Sandman, an enforcer who hunts down those Runners who refuse to accept Deep Sleep. The day before Logan's palmflower shifts to black, a Runner accidentally reveals that he was racing toward a goal: Sanctuary. With this information driving him forward, Logan 3 assumes the role of the hunted and becomes a Runner.

From Chang'an To Athens: The Ancient Sports Cultures Of The Silk Road Qilin Sun, Lijuan Mao, Chongshen Li, 2024-01-30 This book collects and studies the colourful sports and history of countries along the historical Silk Road from Chang'an to Athens, including a wide range of sports ranging from polo and chess to archery and lion dance. It will examine, research and analyse a large number of sports cultural relics and documentary materials unearthed by archaeology in recent years, and comprehensively collects and classifies these sports materials which belong to

different countries along the Silk Road. In doing so, it aims to promote the sports forms of these countries and set the context of sports development, so as to raise awareness about the exchange and dissemination of sports culture between ancient China and Western countries.

**Olympic Victor Monuments and Greek Athletic Art** Walter Woodburn Hyde, 1921

*Being Mr. Skin* Jim “Mr. Skin” McBride ,Mathew Klickstein, 2019-05-21 You’ve heard Mr. Skin on The Howard Stern Show. You’ve seen his website in the blockbuster comedy Knocked Up. Maybe you’ve spent some time poking around on MrSkin.com, the world’s #1 resource for celebrity nudity. Now, Jim McBride—“Mr. Skin” himself—tells his story in uproarious, SKINtastic fashion...nip-slips, cheek-peeks, muff-scruffs and all! *Being Mr. Skin* details how Jim rose from being a suburban teen in the ‘80s with an impressively annotated videotape collection and an expert recall of the most sensational and sensuous scenes from every movie ever made, to his current status as Chief Sexecutive Officer of MrSkin.com—a naked-star-studded pop culture powerhouse. You’ll be riveted as Jim chronicles the unbelievable journey of juggling suburban family life while establishing his online

sensation, quickly becoming the “World’s Foremost Authority on Celebrity Nudity.” Throughout this upward (and outward) saga of Tinseltown T&A triumphs, you’ll get the inside skinny on: • The first time Mr. Skin appeared on The Howard Stern Show and how he became a regular on the greatest radio program of all time! • How Judd Apatow turned Mr. Skin into the surprise breakout star of Knocked Up! • The time, effort, and tissues it takes to track every nude rack and crack in every movie and TV show ever made! • How some of your favorite actresses feel about being featured on the website—including several Anatomy Award winners! • The truth about Mr. Skin, The Family Man—There is a real Mrs. Skin and there are three lovely “skininfants.” • Mr. Skin’s most stunning showcases and shout-outs in top-tier media, including Saturday Night Live, Family Guy, The People’s Choice Awards, American Idol, and The Adam Carolla Show! • How (and why) Mr. Skin.com became one of the first-ever commercially successful websites. Throughout it all, Jim’s story amuses and amazes on every page. Being Mr. Skin supplies one-of-a-kind insights into how he transformed an offbeat passion into a popular and profitable phenomenon against all manner of odds—only some of which involve unclothed body parts—all with the help of his dedicated

staff, friends, and, yes...even his mom! Being Mr. Skin is what Jim McBride does, it's who he is. And now—for the first time in book form—you can enjoy nothing but “the good parts” (no fast-forwarding necessary). Featuring brand-new comics from Eisner Award nominee Johnny Ryan!

**Carnegie Institution of Washington Publication ,1921**

*Spartan Women* Sarah B. Pomeroy,2002 In this book, Sarah Pomeroy seeks to reconstruct the lives and the world of Sparta's women--including how their legal status changed over time and how they held on to their surprising autonomy. Written by one of the leading authorities on women in antiquity, this is the first full-length study of Spartan women.

**Runner's World ,2008-03** Runner's World magazine aims to help runners achieve their personal health, fitness, and performance goals, and to inspire them with vivid, memorable storytelling.

Girls Gone Skank Patrice A. Oppliger,2015-02-18 Instead of advancing women's social and professional empowerment, popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages. This study investigates the effects of mass marketed sexual images and

cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention. Topics include the powerful effects of cultural phenomena such as revealing fashions, plastic surgery, and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization. These chapters also explore other cultural factors contributing to this early sexualization of young girls, including absentee parenting and material overindulgence. Later chapters focus on the sexual representations of females in the mass entertainment media, focusing specifically on how popular magazines, television programs, films, and the Internet prey upon, promote, and reinforce young girls' physical and sexual insecurities.

**The Renaissance Nude** Thomas Kren, Jill Burke, Stephen J. Campbell, 2018-11-20 A gloriously illustrated examination of the origins and development of the nude as an artistic subject in Renaissance Europe Reflecting an era when Europe looked to both the classical past and a global future, this volume explores the emergence and acceptance of the nude as an artistic subject. It engages with the numerous and complex connotations of the

human body in more than 250 artworks by the greatest masters of the Renaissance. Paintings, sculptures, prints, drawings, illuminated manuscripts, and book illustrations reveal private, sometimes shocking, preoccupations as well as surprising public beliefs—the Age of Humanism from an entirely new perspective. This book presents works by Albrecht Dürer, Lucas Cranach, and Martin Schongauer in the north and Donatello, Raphael, and Giorgione in the south; it also introduces names that deserve to be known better. A publication this rich in scholarship could only be produced by a variety of expert scholars; the sixteen contributors are preeminent in their fields and wide-ranging in their knowledge and curiosity. The structure of the volume—essays alternating with shorter texts on individual artworks—permits studies both broad and granular. From the religious to the magical and the poetic to the erotic, encompassing male and female, infancy, youth, and old age, *The Renaissance Nude* examines in a profound way what it is to be human.

**Sparta** Stephen Hodkinson, Anton Powell, 2008-12-31 This is the 7th volume from the International Sparta Seminar, in the series begun in 1989 by Anton Powell with Stephen Hodkinson. The volume is both thematic and eclectic. Ephraim David and Yoann Le

Taltec treat respectively the politics of nudity at Sparta and the role of athletes in forming the Spartan state. Nicolas Richer examines the significance of animals depicted in Lakonian art; Andrew Scott asks what Lakonian figured pottery reveals of local consumerism. Nino Luraghi and Paul Christesen deal respectively with the way in which Sparta was viewed by Messenians and by Ephorus. Jean Ducat treats 'the ghost of the Lakedaimonian state', a major study of formal relations between Spartiate and perioikic communities. Thomas Figueira considers how Spartan women policed masculine behaviour. Anton Powell traces the development of Spartan reactions to political divination in the classical period.

**Mr. Skin's Skincyclopedia** Mr. Skin, Skin, 2005 Cult hero, radio personality, and internet maven, Mr. Skin has penned the essential guide to celebrity nudity in a combination of hard, reliable data and hilarious, captivating entertainment.
