JANICE WADDELL,GAIL JUDITH DONNER,MARY M. WHEELER

📖 ***Nursing Jobs in the United States*** MGI, 2013-01-31 This manual was compiled to help international nurses with information on how to start the process of finding a job as nurse in the U.S. This guide is merely information and it does not in any way guarantee a job in the U.S. It provides information regarding testing, credentialing, education and immigration. It also provides online information about hospitals and the board of nursing for each state. Asks and explores the answer to the question that haunts ordinary thinkers. Kirkus A thoroughly researched, pop-culture-laden exploration of how people make choices. A surprisingly poignant, intellectually rigorous study of how our thought processes shape our lives.

📖 ***201 Careers in Nursing*** Joyce J. Fitzpatrick, Emerson E. Ea, 2011-08-17 Print+CourseSmart

📖 ***New Nurse?*** Caroline Porter Thomas, 2013-04-28 Discover How To Go From Being A New Registered Nurse - To Competent, Successful, Employed AND... Happy New Nurse! Get this Amazon bestseller and discover how you can fulfill your dream of being an outstanding nurse you're about to discover how to... Go from fearful, incompetent new nursing graduate to a successful practicing nurse! This book contains the personal advice from: Me, Caroline Porter Thomas :D I am a successful honors graduate and practicing registered nurse. I have been a registered nurse for more than half a decade in addition to being a new nurse; I have also trained many new graduate nurses to becoming competent registered nurses. I am also the host of the YouTube channel: EmpowerN and the author of the book: How to Succeed in Nursing School. I wrote this book out of a huge concern with how terribly hard the transition from graduate nurse to competent nurse is. I thought after I graduated nursing school, I would be equipped to practice nursing successfully... nothing could have been farther from the truth. In addition to nursing job itself being hard, there were so many other challenges that I was not prepared to face: including, major time management issues, stressful co-worker relations, stressful patient/family relations and much more! Here is a preview of what you'll learn... How to Get an Interview & Hired for a Registered Nursing Job How to Handle Time Management as a New Registered Nurse How to Handle Extremely Stressful Situations that Nurses Must Deal With How to Connect with Your Patients & Co-workers How to Deal with Unavoidable Nursing Mistakes How to Approach Doctors Effectively How to Be a Nurse How to Love Your New Graduate Nursing Job Much, much more! Purchase your copy today! Take action today and purchase the book that can change your life... Check out what others are saying... Your book New Nurse, How to Get, Keep and Love Your First Job, helped boost my confidence in that I can achieve anything I set my mind to. The examples you provided helped me realize that all seasoned nurses once were new nurses and they too had the similar insecurities that I have experienced as a new nurse. This idea is calming to me and gives me great hope for the future. I love how you presented the information in such a humble way and I truly enjoyed reading about your experiences and recommendations. I love nursing! Sincerely, Erica Soto RN from Menasha, Wisconsin I can't thank you enough for these wonderful tools! I used your audio on getting over mistakes and it really helped a lot. I particularly enjoyed the quote from Mark Twain. Also, your words: First you must forgive yourself and see the lesson that you learned. Understand that you are a good person and that nothing happens that is not in the divine plan. Second, replace this vision for a new awesome one!! were so powerful to me and really helped. I actually wrote them down, so that I can refer to them in future. :) Thank you again for these wonderful gifts! I am so inspired by your work and vision. I think it is so great that you have all these resources for nursing students, new nurses, and veteran nurses. Your books seem like wonderful resources for nursing students and nurses alike. Wishing you all the best. 📖 ***Real Resumes for Nursing Jobs*** Anne McKinney, 2003 Even within the nursing field, there are a wide variety of positions, and this book shows samples of resumes and cover letters than have worked. This title will be a valuable resource to nursing professionals who seek clinical nursing or administrative positions. Newly minted nurses and newcomers to the field will learn how to show off their clinical rotations to best advantage. Nurses often change fields, too, and the book includes resumes of nurses who have successfully transitioned into pharmaceutical sales and other areas. A ?bonus? of this book is that it includes samples of paperwork involved in getting federal government jobs: specialized resumes and the federal ?resumix? as well as the write-ups for the Knowledge, Skills and Abilities (KSAs) which are often required for government positions. This book will show nurses how to maximize their career potential, get federal nursing positions, and change fields if they want to. (This is the 25th title in PREP's Real-Resumes Series.)

📖 ***Nurses With Disabilities*** Leslie Neal-Boylan, PhD, RN, CRRN, APRN, FNP-BC, 2012-10-12 Awarded second place in the 2013 AJN Book of the Year Awards in the Professional Issues category This book is a must for all healthcare managers, recruitment, occupational health, human resources and for all nurses working within the healthcare setting to gain a full understanding and dispel the myths and misconceptions surrounding disability. It should be on all student nurses reading lists.--

Nursing Times [?] This book will provide nurses with the information to make objective and fact based assessments...Moreover, it will arm nursing professionals with an understanding of how the issue of disability is affecting workforce supply in nursing, how accommodations can provide assistance to individuals with disabilities, and how a balanced and thoughtful approach can allow nursing professionals to function to their fullest.[?] Geraldine Polly Bednash, PhD, RN, FAAN Chief Executive Officer/Executive Director American Association of Colleges of Nursing [?] [This book] has brought together information and real-life experiences of nurses who have disabilities. It will serve as an invaluable source of information on the impact of disability on the employment and retention of registered nurses.[?] Suzanne C. Smeltzer, EdD, RN, FAAN Professor and Director, Center for Nursing Research Villanova University College of Nursing This is the first research-based book to confront workplace issues facing nurses who have disabilities. It not only examines in-depth their experiences, roadblocks to successful employment, and misperceptions surrounding these nurses, but also provides viable solutions for creating positive attitudes towards them and a welcoming work environment that fosters hiring and retention. From the perspectives and actual voices of nurses with disabilities, nurse leaders, nurse administrators, and patients, the book identifies nurses with disabilities (including sensory, musculoskeletal, emotional, and mental health issues), discusses why they choose to leave nursing or hide their disabilities, and analyzes how their disabilities may influence career choices. Written by the foremost researcher on nurses with disabilities, the book addresses patient safety, environmental factors, and retention strategies. It discusses why many nurses feel the need to conceal their disability even though it does not affect their ability to carry out their duties. It addresses interactions with colleagues, administrators, and patients and explores the common misperception that nurses with disabilities jeopardize patient safety. The text discusses potential solutions such as changing nursing education, altering nurse job description, and enhancing workplace accommodations. It seeks to influence nurse leaders and administrators, who have the power to institute change and retain nurses with disabilities, and will be a valuable asset to nursing classes in policy and leadership. Key Features: Provides solutions regarding professional issues faced by nurses with disabilities Helps nurse recruiters and administrators clarify and strengthen retention strategies Features the voices of nurses with disabilities, nurse leaders, recruitment specialists, and patients Buttressed by four research studies and written by the leading researcher in the field

[?] **Career Paths of Nursing Professionals** Robert D. Hiscott, 1998-12-23 A snapshot of key labour force and market issues in the nursing field, the study provides important baseline data from which the impact of present and future public policy trends and changes can be monitored, reviewed, and researched. The dimensions studied here include recent demographic shifts, the various forms of employment mobility, levels of voluntarism, career interruption, and nurses’ reasons for leaving the field. Each line of inquiry raises pressing questions about the professional lives of those who work most directly and dynamically with patients but whose careers are being altered, perhaps detrimentally, by reorganization in the Canadian health care system. This book will be of great interest to nursing practitioners, educators and administrators, allied practitioners and policy makers, and social scientists with an interest in the labour market, work, occupations, and professions.

[?] **Building Your Nursing Career** Janice Waddell, Gail Judith Donner, Mary M. Wheeler, 2008 The only career planning book available in Canada developed specifically for nursing students! This specialized workbook has been written specifically for nursing students as a tool to assist them in the process of planning their future career. Following the Donner-Wheeler Career Planning and Development Model, the book aims to provide students with practical advice on how to get the most from their education, and subsequently, their careers. Students will learn how to: Develop a clinical learning plan Appropriately select courses Determine a foci for course assignments Balance extracurricular activities Establish a sense of control and direction over their academic career Develop a plan for future success Building on the success of the previous two editions, the fully-updated Third Edition of Building Your Nursing Career will serve as a valuable aid to any nursing student, no matter if they are just entering school or are close to graduating. This inexpensive text is used from year one to fourth year...The self-assessment and reality check are great for preparing the students and compiling the work they’ve done in the program. When students interview, I get phone calls and rave reviews on the students because they are interviewing so well. Students are being offered jobs six weeks into senior practicum! Students have said this book is the most valuable book to have! - Nursing instructor Kathryn Hyndman, Brandon University I spent hours trying to decide what area of nursing I wanted to go into, as well as where I wanted my career to lead me. These have always been questions that I have found hard to answer. With so many different career options how could I choose? [This book] uses questions to encourage you to reflect about the things that you enjoy most, and ways in which you currently spend your time. This challenges you to consider ways in which you want to progress through your nursing education to gain the end result of a career that is right for you. It asks you many questions, with plenty of space to write your answers. The final chapter contains information about choosing your first job as a registered nurse, as well as interview technique and some of the possible questions that you may be asked. As a 3rd year approaching interview time I have certainly found this section handy! This is a good, valid resource tool, which is very useful when considering and challenging your personal future nursing career. - Nursing student Helen Rowe, Bournemouth University . Enhanced discussion of Visioning - a fundamental step in the Donner-Wheeler Career Planning and Development Model . Broader focus on learning styles and the importance of determining one’s own style as a part of the Self-Assessment process . Practical advice on how to market yourself and be aware of your own projected image, including a discussion on social networking sites (Facebook, MySpace, etc.) and their new role in the hiring process . New content on e-portfolios and electronic resumes, and the importance of utilizing them as a tool in the career planning and development process . Updated discussion on mentors and their role in a student’s academic career . Plenty of student examples and further resources
