New York Cityscapes Peter Alessandria,Bill Bernal,Gina Brake,Viktor Buriak,Max Guliani,Jason Risorto,Karine Sayegh,2018-10-01 New York City holds a special place in the hearts of its residents, but also in the imaginations of people from around the world. From the Statue of Liberty, to the Empire State Building, to the Brooklyn Bridge, New York's landmarks are as familiar to most of us as our own backyards. Its streets and neighborhoods have become a shorthand for ideas like luxury (Park Avenue, Fifth Avenue), excellence in performance (Broadway, Carnegie Hall), and even an artistic/creative lifestyle (Soho). In this book, Peter Alessandria presents his favorite New York images, including his own personal photography and images created by six top shooters who have made their names on today's most popular photo-sharing site, Instagram. Packed with bold, colorful, inventive images, this book provides a fresh look at New York's classic beauty and ever-evolving character!

New York City on Instagram Dan Kurtzman,2017-10-24 From gorgeous skylines and jaw-dropping aerials to hidden treasures, this timely collection showcases 300 striking images of NYC by more than 40 acclaimed Instagram photographers. New York City has become the most photographed city in the world on Instagram, and at no time has its humming energy been more passionately and extensively captured than right now. This first-of-its-kind book brings the Instagram experience into a beautifully curated collection that reveals New York City in a vivid, new light—whether it's dramatic views of must-see icons like the Empire State Building and the Brooklyn Bridge, or glimpses of quintessential city moments like “Manhattanhenge” and autumn in Central Park. The featured photographers, who range from hobbyists to professionals and collectively have millions of followers on Instagram, have made names for themselves through their distinctive styles and perspectives; together, their work paints a unique portrait of New York City rediscovered in the age of Instagram. Complementing the spectacular photography are lists for “Most Instagram-Worthy Spots” and “Most Instagram-Worthy Events”—the perfect guides for both photo enthusiasts and urban adventurers seeking to explore the sights featured in the book. For anyone with a love of New York City, this book will be both a keepsake and a source of wonder and inspiration.

Historic Photos of Brooklyn ,2008-07-01 Brooklyn, a magical name, both fantasy and enigma. Yet despite its reputation, Brooklyn consists of provincial, suburban neighborhoods, a small town. For over 300 years, Brooklyn suffered growing pains, but it also offered hospitality, jobs, and recreation, as the photographs in this volume show. Thus, millions crossed the East River and worked hard to build a city. Brooklyn's image grew and took hold: the sounds of the streets and factories, the heroism, the loyalty, the Brooklyn Navy Yard, the Brooklyn Bridge, the Brooklyn Dodgers. Historic Photos of Brooklyn shows how Brooklyn's pride has traveled from decade to decade, and with this continuity, how Brooklyn has matured, building farmhouses, frame houses, skyscrapers, classrooms, brownstones, libraries, mom-and-pop stores, department stores, restaurants, theaters, ships, elevated trains, and airplanes. Today's residents carry on a tradition started centuries ago, traditions that are highlighted in Historic Photos of Brooklyn.

Store Front NYC Chris Stein,2023-09-19 This collection of hugely popular and critically acclaimed photos celebrates New York City's unique history and culture—from long-disappeared icons to still-thriving favorite haunts. For decades, husband-and-wife photography duo James and Karla Murray have been on a mission to document and preserve on film the various small shops of New York City—many of which are quickly disappearing—and a culture of authenticity that is hanging by just a thread. Featuring glorious new reproductions of images from their past books as well as never-before published photos, this elegiac volume will delight the Murrays' multitude of fans, as well as anyone interested in the charm and history of small urban retail. Large in format and filled with color and affectionate detail, the book includes an introduction by the Murrays explaining the genesis of their lifelong project and why they love to photograph store fronts. Chapters are organized by each of the city's five boroughs and include descriptions and maps. Most of the store fronts are featured in generous single-page images with captions listing location, neighborhood, and year the photo was taken. Filled with diversity and character, these images honor destinations lost to rising rents and changing demographics. Together they comprise both a guidebook and a love letter to a city that never sleeps, and is always evolving.

New York Then and Now® People and Places Evan Joseph,2012-11-28 New York Then and Now - People and Places is a whole new take on Anova Books' best-selling trademark series. Featuring predominantly images

from New York City it shows how much and how little has changed over 150 years - since the dawn of photography up to the 1960s and 70s. As well as New York City's most favorite tourist locations; Brooklyn Bridge, Statue of Liberty, Empire State, Rockefeller Center, Times Square, Fifth Avenue, Central Park, Columbus Circle - there are excursions to favored destinations in New York state, such as 'Mark Twain country' - the Finger Lakes, Long Island and the Montauk Lighthouse as well as the Falls at Niagara. Packaged in a smaller format than any other Then and Now, the text has been stripped back to small captions to allow the amazing collection of past and present photos to speak for themselves.

New York Gregory Peterson, 2022-02 Mid-March 2020: native New Yorker Gregory Peterson is on an early evening walk through the city, suddenly shut down by the coronavirus pandemic. Manhattan's grand public spaces are bare. The monumental Lincoln Center Plaza is empty. The sounds of skates on ice and bustle of tourists and workers at Rockefeller Center are absent. Not a soul on Easter Sunday at the Cathedral of Saint John the Divine. Starkly silent, the city is stilled, as no one had ever seen it before. Traveling on foot and by bike to avoid public transportation, Peterson took more than 400 photographs of over 200 locations in Manhattan, Brooklyn, and Queens through the spring and summer of 2020. Using his iPhone 11, he captured myriad surreal landmarks--the United Nations Secretariat with no traffic, people, or flags, Grand Central Terminal without a person or even a car in sight, as well as gelled neighborhood streets, churches, shops, and other tourist destinations. Without people, these photos reveal the city's primeval soul. They unveil a serene beauty most often obscured by the frenzy of our fast-paced lives. We see New York with new eyes. The first reaction to Gregory Peterson's poised, chilled shots of New York City is: Must be trick photography. He's Photoshopped the people out--or else a sunny daylight in--in what must have been shots from the dead of night. But no: This is the capital of the world in lockdown. One has to go to de Chirico's imaginary metaphysical paintings of Italian cities to find such radical depopulation. --David Cohen, editor, Artcritical.com During the height of the lockdown, Peterson also captures the city's response to swelling Black Lives Matter protests that shook the world after the killing of George Floyd. For the first time in living memory, midtown Manhattan and other areas were boarded up following Memorial Day due to fears of civil unrest as, documented in the chapter Plywood New York. New York: Stilled Life is a comprehensive record of a unique, vanished moment; a memento of a time we all endured and how it changed us and our cities--perhaps forever.

New York Vertical Horst Hamann, 2000 New York Vertical is to my knowledge the best book there is! I want to congratulate Horst Hamann, he did the impossible to photograph the New York we all love. The black and white photographs captured the beauty of the city, the format of the pictures is incredible! It's a masterpiece! BRAVO

New York at Night Norma Stevens, 2012-12-04 Joseph Byron and James Van Der Zee to Henri Cartier-Bresson, Diane Arbus, Elliott Erwitt, Larry Fink, Nan Goldin, Stanley Kubrick, Ryan McGinley, Bruce Davidson and many more of the best photographers to ever capture New York City when the sun goes down and the bright lights come on are collected here! New York at Night: Photography after Dark, showcases images of New York City's legendary nightlife by the leading photographers of the 20th and 21st centuries, from Joseph Byron and James Van Der Zee to Henri Cartier-Bresson, Diane Arbus, Elliott Erwitt, Larry Fink, and more. As diverse and complicated as the city itself, New York's nightlife is glamorous and grungy, lonely and dangerous, highbrow and lowbrow. These images are complimented by writing from some of New York's most respected contemporary authors, adding depth, context, and personal stories of their own experiences to those presented by the photographers. This engaging book captures the energy of the New York night and the city's evolving hotspots, building a history of how New Yorkers play after dark and how that helps make this city a cultural and entertainment powerhouse. Photographers featured within the book include: Berenice Abbott, Apeda Studio, Amy Arbus, Diane Arbus, Eve Arnold, Richard Avedon, John Baeder, Frank Bauman, Guy Bourdin, Bonnie Briant, Paul Brissman, Rene Burri, Joseph Byron, Cornell Capa, Drew Carolan, Henri Cartier-Bresson, Bob Colacello, John Cohen, Ted Croner, Bruce Davidson, Philip-Lorca diCorcia, Elliott Erwitt, Walker Evans, Louis Faurer, Donna Ferrato, Larry Fink, Robert Frank, Lee Friedlander, Paul Fusco, Ron Galella, William Gedney, Bruce Gilden, Burt Glinn, Nan Goldin, William P. Historic Photos of the Brooklyn Bridge ,2009-09-01 The Brooklyn Bridge resounds throughout popular culture as an iconic image. Yet its creation was fraught with turmoil. Working with the relatively untested theory of suspension, John Roebling designed a suspension bridge modeled after his Cincinnati-Covington Bridge, but he died before construction even began. His son Washington then accepted the challenge—only to end up paralyzed while working on the bridge. However, with his strong-willed perseverance and help from his wife, he drove the project through to completion. As the only bridge connecting Brooklyn and Manhattan at the time, the Brooklyn Bridge carried half a million people daily. The photographs in Historic Photos of the Brooklyn Bridge illustrate not only those traveling the bridge but also the hurdles that over 1,000 American and immigrant workers endured to build this magnificent symbol. Today, admirers from around the world gather on its historical walkway to gaze, admire, and pay homage to the majesty of the Brooklyn Bridge, the Eighth Wonder of the Modern World.”

NYC Street Photography Brian Nobili,Ricky Powell,2017-11 NYC Street Photography is a prolific collection of authentic New York City images brought together by Brian Nobili and Ricky Powell. Their lifetime relationship with the neighborhoods of New York and the people within these communities enabled them to assemble 12 New York City street photographers that capture the rhythms, movements and landscape of one of the worlds most complex urban environments. This collection of photographers reflects the city as only someone can that is truly a part of the surrounding culture and possibly even influencing the culture. This is a must have collection of unfiltered unapologetic imagery. - Jay McMichael, Senior Photojournalist, CNN NYC 0Street Photography captures the soul of the city, from grime to glitter. Stars, villains and everyone in between, people who together make New York what it is.

Walk With Me: New York Susan Kaufman,2022-05-24 From photographer Susan Kaufman, an intimate celebration of the beauty and charm of New York City For some people, New York City exists only in their imaginations, a big-screen beacon of wonder and twenty-four seven delight. For others, it’s a dream destination: the diverse urban center where they will finally feel they belong. And still for many, it’s the place they already call home. No matter how you view New York, longtime fashion editor and photographer Susan Kaufman will help you see the city with fresh, appreciative eyes. As she travels with her camera through New York, Susan Kaufman invites readers to see the city as she does: from the sidewalk. She explores the beauty of the city found in its charming townhouses, decorated shops, lovely parks, shop facades, and serene streetscapes. New York may be known as the city that never sleeps, but beneath the bustle, there’s a soulful side, with its own quiet power and universal allure. Walk with Me New York invites readers to appreciate the streets and buildings that have made the world’s most iconic city survive centuries of change yet retain its vitality and aspirational magnetism.

Nyc Photos Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nyc Photos has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nyc Photos has opened up a world of possibilities. Downloading Nyc Photos provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nyc Photos

has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nyc Photos. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nyc Photos. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nyc Photos, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nyc Photos has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
