**Public Papers of the Presidents of the United States, Barack Obama** United States. President (2009-2017 : Obama), Barack Obama, 2010

The Secret Life of Barack Hussein Obama Mondo Frazier, 2011-10-25 WHO IS BARACK HUSSEIN OBAMA? 2008, the left wing and the Corporate Mainstream Media (CMM) fell head over heels in love with a cool, charming, and attractive smooth talker. His social security number (one of several, incidentally) identified him as Barack Hussein Obama. Over the next four years, he would repeatedly lie to, cheat on, and deceive his liberal lovers as they closed their eyes and ears to the truth, refusing to recognize the shameless, deviously calculated, and treacherous propaganda seeping from the White House. GOD HELP AMERICA, IT'S TIME FOR A SEPARATION. In *The Secret Life of Barack Hussein Obama*, uncompromising journalist and political commentator Mondo Frazier raises unsettling questions about the man elected to the highest position in this country. Frazier takes what he calls *The Obama Narrative™*, the crowd-pleasing myths perpetrated by Team Obama and the CMM to market and sell their Messianic savior, and fearlessly rips it to shreds. He explores the many mysteries of Obama's past, including his ever-shifting religious affiliations and political leanings, the facts of his mother's background, and Obama's suspiciously "missing" laundry list of records and licenses—including college, marriage, medical, and many, many more. He lays out the facts regarding Obama's shady associations with such negligible headliners as the controversial Reverend Jeremiah Wright, ACORN, and former domestic terrorist Bill Ayers—and Obama's actual relationships with those who stumbled into his creepy inner circle. He sheds light on Obama's personal "Hate List," and the man's dark deceptions, broken promises, and the hypocrisies of his current administration. Frazier also reveals four years of Obama's outrageous, egregious, sometimes hilarious, and always very telling public gaffes that the CMM conveniently and deliberately chose to ignore. SO, WHO IS BARACK HUSSEIN OBAMA? Anyone with guts who tries to answer that question truthfully risks being routinely disparaged and condemned by the CMM as a Nazi, a racist, or a crazy conspiracy theorist. Mondo Frazier courageously turns a blind eye to those foolish generalizations to provide scrupulously researched, eye-opening answers in *The Secret Life of Barack Hussein Obama*. Frankly, they will astonish readers. And they serve as warnings of Obama's insidious and sinister ambitions, ones that should be faced now so as to move America away from the "Barackalypse" and toward a future that is safer, genuinely righteous, and one-hundred-percent Obama-free. WELCOME TO BARACK HUSSEIN OBAMA'S AMERICA Trillion-dollar-plus deficits every year; Social Security out of money years before the "experts" predicted; millions of houses lost in an automated robo-foreclosure system; billions for cronies who traffic in make-believe jobs "saved or created;" real jobs that disappeared, some never to return; food and energy prices on the rise; the IRS empowered to ensure that every American has approved health insurance; crackdowns on Internet freedoms; a war against contrary thought; billions of dollars to help Brazilian and Chinese energy companies while the extraction and production of American-based energy is stifled—and the list goes on. Every speech delivered by Barack Obama is still his "greatest speech ever!" in the reports of a drooling Corporate Mainstream Media (CMM). An ever-skeptical public hasn't been convinced and are tuning out the constant drone of the CMM noise machine. Life is lived not in the pages or sets of the CMM, but out in the real-world America that has resulted from the policies and rhetoric of Barack Obama and his administration. The Barackalypse is already upon us.

*Obama* The Washington Post, 2012-08-10 Barack Obama arrived in Washington in 2008 symbolizing the political change he promised on the campaign trail during his historic presidential victory. But in many ways, Washington changed Obama more than Obama changed Washington. This is the story of how the idealist of the 2008 campaign evolved into a hard-nosed pragmatist, shelving his promise of a new kind of politics to fight increasingly partisan budget battles and run a bare-knuckles re-election campaign. Through a series of articles and photographs published by The Washington Post, this book outlines the change in his political personality during his four years in office, and describes his engagement with some of the most challenging issues he confronted during his time in office – and what his approach may mean for a second term should he win in November.

*Cool Wet Kiss* C.G. London, 2014 Puckered out? Can't stomach another President Barack Obama COOL WET KISS? For almost six years we've been assaulted by the president's foreplay-the casual saunter, the engaging touch, the smooth words, the silky tone, the beguiling stare. Pure BHO seduction. Then, wham, played for suckers again! Under a cloak of charismatic cool, President Obama finessed his way into the White House then proceeded to degrade, debauch, and debase our cherished American Values with the Obama Cool Rules. Obama took advantage of America's optimistic, creative, fun-loving culture, then turned it upside down and made a mockery of it. Thanks, B, for inspiring a new genre in the lefty-dominated publishing world-Popped Culture. We've been riding this perverse roller coaster colliding with politics, the media, social justice, Hollywood, the food police, regulations, economics, class warfare, psychology, retro racism, ethics, lawlessness, wealth redistribution, the environmentalists, jealous countries, terrorists, along with all the domestic and foreign institutions that fell under the Obama spell. Whipsawed every which way!

Yes, B, you fundamentally popped the American culture. Embracing historical inflection points that forged liberal convictions, Obama recast their significance to accommodate his obsequious world. The Obama Cool Rules became his tools to secure power whenever, wherever. There are five Obama Cool Rules. You'll recognize them. We've seen them up close and personal because our lives are controlled by them. In 2016 this will change. If you feel hoodwinked, double-crossed, strung along, deceived, swindled, duped, and manipulated, you're not alone. One day we woke up and realized that while we were working at BUILDING America, progressive forces and greedy opportunists were working to destroy the U.S. and remake it into a European colony. Wait, we fought and won that battle. The British gave it up at Yorktown in 1781-233 years ago! Storming the beaches at Normandy in 1944 sealed the deal. Besides, remaking the U.S. into a European Union satellite sets the bar way too low. Americans move forward. Why go backward? We have a superior system of governance and a coveted world-class quality of life. And we want to be more like Europe . . . why? Right the wrong. Everyone has a vote. Stand up for the VALUES that made the United States of America the magnet for the aspirational, the most efficient economic machine, and the absolute finest country in the history of the world. We may have to work harder to protect it, but it's worth it!

*The Roots of Obama's Rage* Dinesh D'Souza,2011-10-03 Critics of President Obama have attacked him as a socialist, an African-American radical, a big government liberal. But somehow the critics have failed to reveal what's truly driving Barack Obama. Now bestselling author Dinesh D'Souza throws out these misplaced attacks in his new book, *The Roots of Obama's Rage*. The reason, explains D'Souza, that Obama appears to be working to destroy America from within is found, as Obama himself admits, in *The Dreams of His Father*: a deeply-hostile anti-colonialism. Instilled in him by his father, this worldview has led President Obama to resent America and everything for which we stand. Viewing Obama through this anti-colonialism prism and drawing evidence from President Obama's own life and writings, D'Souza masterfully shows how Obama is working to weaken and punish America here and abroad.

*O Is for Obama* Dana Milbank,2009-10 F is for fun and L is for laughs in this rollicking romp through the alphabet poking good natured fun at Washington politics and politicians. The book takes unerring aim at the foibles and frailties of the political class and their inside-the-beltway blustering. With illustrations provided by award-winning artist Mark Anderson and verses and text written by Washington Post political writer Dana Milbank, this is political satire at its best. O is for Obama is a witty, non-partisan, and equal-opportunity ribbing of not just out-of-touch politicians, but also of greedy businessmen, tone-deaf bureaucrats, and ivory-tower elites that no frustrated voter fed up with Washington will want to be without.

*From the Corner of the Oval Office* Beck Dorey-Stein,2018-07-12 \_\_\_\_\_ 'If you've ever felt like you were out of your element, in over your

head or working without a net, you will love this book. Funny, fast-paced, and so emotionally true it hurts.' Piper Kerman, author of Orange is the New Black

Guidelines for aspiring stenographers: · Neutral tones set the tone · Be discreet and neat – like a librarian or well-paid prostitute · Breathe quietly or not at all · Above all else, keep the secrets to yourself... In 2012, Beck Dorey-Stein was just scraping by in Washington DC when an unusual job interview landed her in the Oval Office as one of Barack Obama's stenographers. She joined the elite team who accompanied the President wherever he went, recorder and mic in hand. On whirlwind trips across time zones, Beck forged friendships with a tight group of fellow travellers - young men and women who, like her, left their real lives behind to hop aboard Air Force One in service of the President. But as she learned the ropes of protocol, Beck became romantically entangled with a colleague, and suddenly, the political became all too personal. Set against the backdrop of a White House full of glamour, drama and intrigue, this is the story of a young woman making unlikely friendships, getting her heart broken, learning what truly matters and discovering her voice in the process.

Praise for From the Corner of the Oval Office 'Who knew the West Wing could be so sexy? Beck's unparalleled access is obvious on every page, along with her knife-sharp humour... Lots of books claim to give real insider glimpses, but this one actually delivers.' Lauren Weisberger, author of The Devil Wears Prada 'This memoir is good and gossipy, will make you wish that you got to hang out with Barack and Michelle on a daily basis and is the missing link between The West Wing and Bridget Jones's Diary.' Red 'Set against the backdrop of a White House full of glamour, drama and intrigue, this is the story of a young woman making unlikely friendships, getting her heart broken, learning what truly matters and discovering her voice in the process.'
