Barack Obama, Ronald Reagan, and the Ghost of Dr. King Kevin Powell, 2012-04-01 Barack Obama, Ronald Reagan, and The Ghost of Dr. King, Kevin Powell's 11th book and his latest collection of blogs and essays on American politics and pop culture, is a stunning manifesto for our times. That is because Powell is one of the most courageous and distinctive voices in America today. Be it violence against women and girls or the Trayvon Martin tragedy, Occupy Wall Street or the Penn State sex scandal, The Super Bowl or leadership in America, Powell is unafraid to touch any controversial social issue. Thus what we have in Kevin Powell's Barack Obama, Ronald Reagan, and The Ghost of Dr. King are 22 raw, unfiltered blogs and essays, intent on not just exposing, but understanding, all the while building bridges of dialogue - with ourselves, and with our America.

The Ultimate Obama Survival Guide Wayne Allyn Root, 2013-04-15 DON'T GET MAD ABOUT OBAMAGEDDON...GET EVEN! Build your wealth. Protect your faith and family. Secure your freedom. Don't just survive Obama...learn how to outsmart his big-government, socialist system and thrive! Bad times are coming -- how will you protect your family, save enough for retirement, and turn your home into a fortress? In The Ultimate Obama Survival Guide, Wayne Allyn Root provides the answer. First, he explains step by step what Obama has planned. Then, Root presents Y-PODS: Your Personal Obama Defense Shields - a detailed 18 point plan to protect your assets, capitalize, and PROSPER as the rest of the country treads water - or drowns! And that's just the beginning. Wayne Allyn Root is a passionate Capitalist Evangelist, serial entrepreneur, and small businessman extraordinaire. He knows what it takes to weather any economic storm. You're going to need Root's expertise as you and your family tackle the biggest challenge facing Americans today: Barack Obama's second term in the White House. Root takes you on a tour of the practical, real-life ways you can fight back and WIN, not

just at the ballot box, but in your bank account, retirement account, safety deposit box, on your tax forms, at your church, in your home, your schools, and at your doctor's office. The Ultimate Obama Survival Guide also features exclusive advice from 18 superstars of business and finance - millionaires, billionaires, and managers of billion dollar hedge funds, who provide their specific plans for investing in precious metals, real estate, stocks, bonds, ETFs and more. What one investment decision made in 1913 turned \$1,000,000 into \$87,000,000? What investment decision outperformed Warren Buffet by 300% since 2000? What investment have central bankers around the world bought more of in the past year, than in all the years since 1964 COMBINED? Root provides the answers - along with detailed advice on the smart investments now, the best places to move to escape Obama's poisonous taxes, the best way to educate your children, survival advice on how to turn your home into a fortress, how to survive if the economy collapses and unrest threatens your family. If you are worried about what Obama has in store (and you should be) then arm yourself with Root's step-by-step instructions to protect yourself and your family RIGHT NOW from the Obama invasion of every aspect of your life.

The Obama Birth Certificate Conspiracy The Underground News Network, 2010-03-17 There are many pieces of evidence proving President Barack Hussein Obama was born in Kenya, African and not Hawaii as he claims. For instance, his alleged Hawaii birth certificate is clearly a forged document. This is why Barack and Michelle Obama have been secretly spending millions of dollars to pay three of the best law firms in the country, to fight some very serious court lawsuits over his US Citizenship legitimacy. They are fighting these lawsuits in an attempt to avoid having to show a copy of a real Hawaii birth certificate for Barack to anyone. His team of lawyers are claiming even if Barack Obama is lying about being a United States citizen, the American people have no legal right to know about his

lies and deception. Although, we at the Underground News Network think the American people do have the right to know President Obama is lying about being a natural born United States citizen. So here it is!

101 Obama Blogs Will Clark, 2013-08-21 The president of the United States has always been elected with the presumption that he will be the president of all the people of the United States. Barack Obama has shown that he has been the extreme exception to that expectation. Barack Hussein Obama began his presidential campaign with a promise to 'share the wealth' of the country and to 'spread the wealth around.' He never once promised to create an environment in America to help the poor earn their share of the wealth. His was a promise to give them something, not to give them the opportunity to earn something for themselves by being part of productive society. He promised the poor a free dole. His initial action was to create class warfare by separating the consciousness of American society. He labeled their enemy as the 'millionaires and billionaires' so their target would have a classification and could be identified. He would be their savior to make those millionaires and billionaires share their wealth with them. They believed him and they followed him. Many even worshiped him as a deity. They became his 'doles.' His doles will follow anywhere he leads them, even into places alien to the visions of our Founding Fathers. Obama has used the same practices and techniques as did Vladimir Lenin in Russia and Adolph Hitler in Germany to create loyal followers. He told his doles what they wanted to hear - and he became powerful. Lenin convinced the proletariat, George Orwell's proles, the ruling class was their enemy. His proles helped him destroy a once proud Russia. Jewish merchants were Hitler's target. He convinced poor Germans they were keeping Germans from being successful, and they followed Hitler to destroy Germany's once great nation. Of course, no one other than himself can predict what his plans are, or even his ultimate

goals. But at this time, his goals do not seem directed in the best and highest interests of the United States. The 101 blogs in this writing are taken from those I posted on my site at Authorsden during the past two years. In combination, they reveal my belief that Barack Obama is a danger to the survival of our great country, the United States of America, similar to the danger created by Lenin and Hitler. His, however, is more insidious and cunning.

The Colorblind Screen Sarah E. Turner, Sarah Nilsen, 2014 The election of President Barack Obama signaled for many the realization of a post-racial America, a nation in which racism was no longer a defining social, cultural, and political issue. While many Americans espouse a colorblind racial ideology and publicly endorse the broad goals of integration and equal treatment without regard to race, in actuality this attitude serves to reify and legitimize racism and protects racial privileges by denying and minimizing the effects of systematic and institutionalized racism. In The Colorblind Screen, the contributors examine television's role as the major discursive medium in the articulation and contestation of racialized identities in the United States. While the dominant mode of televisual racialization has shifted to a colorblind ideology that foregrounds racial differences in order to celebrate multicultural assimilation, the volume investigates how this practice denies the significant social, economic, and political realities and inequalities that continue to define race relations today. Focusing on such iconic figures as President Obama, LeBron James, and Oprah Winfrey, many chapters examine the ways in which race is read by television audiences and fans. Other essays focus on how visual constructions of race in dramas like *24*, *A Sleeper Cell*, and *The Wanted* continue to conflate Arab and Muslim identities in post-9/11 television. The volume offers an important intervention in the study of the televisual representation of race, engaging with multiple aspects of the mythologies developing around notions of a post-racial America and the duplicitous

discursive rationale offered by the ideology of colorblindness.

Political Campaigning, Elections and the Internet Darren Lilleker, Nigel Jackson, 2013-03 This book offers an in-depth, comparative analysis of how interactive Web 2.0 online tools, including weblogs, social networking sites and file-sharing sites, are utilised by candidates and parties during three recent election campaigns in France, Belgium, the US and the UK.

Essentials of Visual Communication Bo Bergström, 2008 Essentials of Visual Communication is an inspiring and uniquely accessible guide to visual communication. The book presents the major disciplines in today's media, and puts theory into practice, explaining how to achieve a strong communication chain from strategy and messages to design and influence to reach the target audience. This book will be invaluable for anyone wanting to communicate through the use of images and text, and in particular for students, whether in the fields of graphic design, advertising, editorial design, journalism, new media, information technology, mass communication, photography, film, or television. In fact, any discipline that seeks to deliver a message through words and pictures. Essentials of Visual Communication is illustrated throughout with up-to-date examples of best practice from around the world that help to put visual theory into context. Summary boxes make it ideal for revision and reference.

The Oxford Handbook of Dance and the Popular Screen Melissa Blanco Borelli, 2014 This text offers new ways of understanding dance on the popular screen in new scholarly arguments drawn from dance studies, performance studies, and film and media studies. Through these arguments, it demonstrates how this dance in popular film, television, and online videos can be read and considered through the different bodies and choreographies being shown.

Technical Writing, Presentational Skills, and Online Communication: Professional Tools

and Insights Greenlaw, Raymond, 2012-03-31 This book is a collection of work to assist any professional who needs to deal with ethical issues, write up a technical project, give or develop a presentation, or write material for an online audience--Provided by publisher.

iPad and iPhone Tips and Tricks (Covers iOS 6 on iPad, iPad mini, and iPhone) Jason R. Rich, 2012-12-27 Easily Unlock the Power of Your iPad, iPad mini, or iPhone Discover hundreds of tips and tricks you can use right away with your iPad, iPad mini, or iPhone to maximize its functionality. Learn to use your iOS 6 mobile device as a powerful communication, organization, and productivity tool, as well as a feature-packed entertainment device. In addition to learning all about the apps that come preinstalled on your iPad or iPhone, you will learn about some of the best third-party apps currently available, plus discover useful strategies for how to best utilize them in your personal and professional life. Using an easy-to-understand, nontechnical approach, this book is ideal for beginners and more experienced iPad, iPad mini, or iPhone users who want to discover how to use the iOS 6 operating system with iCloud, and the latest versions of popular apps. If you're an iPad 2, iPad 3rd or 4th generation, iPad mini, iPhone 4S, or iPhone 5 user, this book is an indispensable tool. Here's just a sampling of what the tips, tricks, and strategies offered in this book will help you accomplish: Discover how to take full advantage of powerful iOS 6 features, like Notification Center. Learn secrets for using preinstalled apps, such as Contacts, Calendars, Reminders, Maps, Notes, Safari, Mail, and Music. Find, download, and install the most powerful and versatile apps and content for your iPad, iPad mini, or iPhone. Synchronize files, documents, data, photos, and content with iCloud, your computer, or other iOS mobile devices. Learn how to interact with your tablet or phone using your voice in conjunction with Siri and the Dictation feature. Create and maintain a reliable backup of your iOS 6 device. Discover how to take visually impressive photos using the cameras built into your iPad, iPad mini, or

iPhone, and then share them using iCloud Shared Photo Streams, Facebook, Twitter, email, or other methods. Use your iOS mobile device as an eBook reader, portable gaming machine, and feature-packed music and video player.

The Huffington Post Complete Guide to Blogging The editors of the Huffington Post, 2008-12-02 The editors of The Huffington Post -- the most linked-to blog on the web -- offer an A-Z guide to all things blog, with information for everyone from the tech-challenged newbie looking to get a handle on this new way of communicating to the experienced blogger looking to break through the clutter of the Internet. With an introduction by Arianna Huffington, the site's cofounder and editor in chief, this book is everything you want to know about blogging, but didn't know who to ask. As entertaining as it is informative, The Huffington Post Complete Guide to Blogging will show you what to do to get your blog started. You'll find tools to help you build your blog, strategies to create your community, tips on finding your voice, and entertaining anecdotes from HuffPost bloggers that will make you wonder what took you so long to blog in the first place. The Guide also includes choice selections from HuffPost's wide-ranging mix of top-notch bloggers. Among those who have blogged on HuffPost are Barack Obama, Hillary Clinton, Larry David, Jane Smiley, Bill Maher, Nora Ephron, Jon Robin Baitz, Steve Martin, Lawrence O'Donnell, Ari Emanuel, Mia Farrow, Al Franken, Gary Hart, Barbara Ehrenreich, Edward Kennedy, Harry Shearer, Nancy Pelosi, Adam McKay, John Ridley, and Alec Baldwin.

Encyclopedia of Politics, the Media, and Popular Culture Tony Kelso, Brian Cogan, 2009-10-15 Whether it's television, radio, concerts, live appearances by comedians, Internet websites, or even the political party conventions themselves, the mixing of politics and popular culture is frequently on display. The Encyclopedia of Politics, the Media, and Popular Culture examines

the people, major events, media, and controversies in eight thematic chapters and over 150 entries to provide an invaluable resource for any student, scholar, or everyday political junkie needing a comprehensive introduction to the subject. On a typical weeknight in the United States, millions shun the traditional evening network news broadcasts and, instead, later grab their remotes to turn to Comedy Central to catch up on the political happenings of the day, delivered by the comedian Jon Stewart on the faux news program, *The Daily Show*. Immediately afterwards, they might stay tuned to *The Colbert Report* for another dosage of hilarious, fake news that, to them, comes across more honestly than the serious version they could watch on CNN. Whether it's television, radio, concerts, live appearances by comedians, Internet websites, or even the political party conventions themselves, the mixing of politics and popular culture is frequently on display. *The Encyclopedia of Politics, the Media, and Popular Culture* provides in-depth coverage of these fascinating, and often surprising intersections in both historical and contemporary culture. This highly readable and entertaining encyclopedia provides a sweeping survey of the historic and ongoing interplay between politics, the media, and popular culture in eight thought-provoking chapters. The volume is enhanced with the inclusion of over 150 entries to help students and researchers easily locate more in-depth information on topics ranging from political scandals to YouTube.

A Promised Land Barack Obama, 2020-11-17 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy - and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his

political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of hope and change, and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and

common understanding and built together, day by day. 'What is unexpected in A Promised Land is the former president's candour' David Olusoga, Observer

Bloggerati, Twitterati Mary Cross, 2011-06-07 As timely as the latest tweet, this book tracks the digital revolution as a paradigm shift that is transforming popular culture in as yet unforeseen ways. *Bloggerati, Twitterati: How Blogs and Twitter Are Transforming Popular Culture* explores the ongoing digital revolution and examines the way it is changing—and will change—the way people live and communicate. Starting from the proposition that the Internet is now the center of popular culture, the book offers descriptions of blogs and Twitter and the online behavior they foster. It looks at the demographics of users and the impact of the Internet on knowledge, thinking, writing, politics, and journalism. A primary focus is on the way blogs and tweets are opening up communication to the people, free from gatekeepers and sanctioned rhetoric. The other side of the coin is the online hijacking of the news and its potential for spreading misinformation and fomenting polarization, topics that are analyzed even as the situation continues to evolve. Finally, the book gathers predictions from cultural critics about the future of digital popular culture and makes a few predictions of its own.

Seeing Race in Modern America Matthew Pratt Guterl, 2013 *Seeing Race in Modern America*
Crappitalism Jason Mattera, 2015-07-14 New York Times bestselling author and ambush journalist Jason Mattera sets his sights on his next big target: crony liberals, including Al Gore, Carlos Slim, Harry Reid, and Jay Z, whose riches come at taxpayer expense. From billionaire business tycoons like George Soros and Warren Buffett to movie industry moguls like Jeffrey Katzenberg and Stephen Spielberg, American liberals are using government breaks and shortcuts to pervert the free market. These “rich bastards” leverage crony connections to bag millions for phony “green companies” that go bust, vacuum public coffers to build glitzy stadiums, utilize little-known tax loopholes to loot \$1.5

billion for Hollywood movies, and more. They use government to rig the game in their favor and leave taxpayers holding the bill. And when government gets in the business of picking winners and losers through bailouts and tax breaks, free market competition begins to atrophy. That's what big government leftists—and corporate Republicans-in-name-only—want to happen. In this explosive, funny-as-hell investigative exposé, Mattera reveals the infuriating schemes that result when the filthy rich combine cronyism and capitalism. Crapitalism pulls back the curtain on a cast of cronyites who make millions taking advantage of taxpayers—and still brag about how they're looking out for the little guy.

Bloggers on the Bus Eric Boehlert, 2009-05-19 Ever since radio entered the American private home, technology has shaped political campaign strategy. Radio brought candidates more intimately and vividly into citizens' lives than newspapers could. The televised presidential debate of 1960 -- in which a strapping John F. Kennedy embarrassed a clammy Richard M. Nixon -- was technology's next coup. In the last decade, though, it is the internet that has radically changed the way that candidates campaign: social networking sites, YouTube, and blogs have become important vehicles for political activism. And the grand editorial and political power that this group -- the netroots, as bloggers call it -- wields has never been more apparent than in the groundbreaking 2008 presidential election. *Bloggers on the Bus* traces the online events that rocked the campaign trail and reveals the untold stories of the internet activists who made them all possible. In the tradition of Timothy Crouse's classic, *The Boys on the Bus*, *Bloggers on the Bus* investigates the cutting edge of liberal politics to reveal the stories and scandals at its very heart. The cast includes everyone from former professional rock saxophonist John Amato who, years before YouTube, changed blogging forever by unleashing his TiVo and figuring out how to post TV clips online, to sixty-something Oakland housewife Mayhill

Fowler, who joined the Huffington Post as a volunteer journalist and went on to break two of the biggest stories of the Democratic primary. Boehlert tells the story of acerbic West Coast blogger Digby, whose gender shocked the male-dominated blogosphere, as well as that of graphic tech Philip de Vellis, who culture-jacked an iconic Apple ad in order to create the infamous Vote Different video that influenced the Democratic primary. These are just a few of the bloggers pioneering the major shift in today's media who are profiled in *Bloggers on the Bus*. All of their efforts have set off an industry-wide debate about journalism and privacy and have permanently altered the character of campaign strategy. Using the 2008 presidential race as a dramatic backdrop, Boehlert details the myriad ways these bloggers influenced both the candidates and their campaigns, while also chronicling the bitter blogger civil war that erupted during the contentious Democratic primary season. Offering unprecedented portraits of these new power brokers, *Bloggers on the Bus* goes behind the scenes to chronicle a media and political rebellion in the making.

Barack Obama and the Myth of a Post-Racial America Mark Ledwidge, Kevern

Verney, Inderjeet Parmar, 2013-10-08 The 2008 presidential election was celebrated around the world as a seminal moment in U.S. political and racial history. White liberals and other progressives framed the election through the prism of change, while previously acknowledged demographic changes were hastily heralded as the dawn of a post-racial America. However, by 2011, much of the post-election idealism had dissipated in the wake of an on-going economic and financial crisis, escalating wars in Afghanistan and Libya, and the rise of the right-wing Tea Party movement. By placing Obama in the historical context of U.S. race relations, this volume interrogates the idealized and progressive view of American society advanced by much of the mainstream literature on Obama. *Barack Obama and the Myth of a Post-Racial America* takes a careful look at the historical, cultural and political dimensions of

race in the United States, using an interdisciplinary analysis that incorporates approaches from history, political science, and sociology. Each chapter addresses controversial issues such as whether Obama can be considered an African-American president, whether his presidency actually delivered the kind of deep-rooted changes that were initially prophesised, and whether Obama has abandoned his core African-American constituency in favour of projecting a race-neutral approach designed to maintain centrist support. Through cutting edge, critically informed, and cross-disciplinary analyses, this collection directly addresses the dimensions of race in American society through the lens of Obama's election and presidency.

50 Trik Rahasia Mencari Blog Dg Google ,

Off Script Josh King, 2016-04-26 Being a public figure is no walk in the park - the world focuses on every move that politicians make and highlights their every mistake. Image collapse can befall anyone whose carefully cultivated persona is pitted against intermediaries in the broadcast booths of cable news networks or behind the photo desks of newspapers, magazines, and today's host of digital platforms. As a world-traveling advance man, an operative who orchestrates TV- and photo-ready moments involving important political figures, Josh King has unique experience working with the reputations of officeholders, candidates and other public figures. In Off Script, King leads readers through an entertaining and illuminating journey through the Hall of Infamy of some of the most catastrophic examples of political theater of the last quarter century. Readers might remember these cringe worthy moments as simple cases of bad luck. King argues, instead, that they were symptomatic of something larger: our broad appetite for public embarrassment, the media's business imperatives in satiating that craving, and the propensity of politicians to serve it up on a platter, often by pretending to be someone they're not while strutting on the public stage. We tour recent history -

King calls it the Age of Optics--To establish this syndrome, and then turn to the Obama administration and what Josh calls the emergence of the Vanilla Presidency. King argues that Barack Obama has been more guarded and more protective of the presidential persona than anyone in history, and as we look to the elections of 2016 and beyond, we have to wonder: Will our future president follow Obama's example? If so, how will that influence the relationship between our nation's citizens and their leader?--

Obama Lcd Top News Blogs Introduction

Free PDF Books and Manuals for Download:

Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Obama Lcd Top News Blogs PDF books and manuals is the

internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at

their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Obama Lcd Top News

Blogs PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Obama Lcd Top News Blogs free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea

of free PDF books and manuals waiting to be discovered right at your fingertips.
