**Obama** David Cohen,Mark Greenberg,2009 When Barack Obama became president - elected on November 4, 2008 - he transformed Martin s Luther King s dream into reality. Obama, and the 66.3 million Americans who voted for him, proved to the world that all things are possible. And the day after, people from coast to coast lined up to buy newspapers as souvenirs. The demand was unprecedented, with stands and stores quickly selling out: USA Today sold an extra 380,000 copies, for example, while the Atlanta Journal-Constitution went back to print five times. **The Anti-American President** Glen W. Park,2011-10-01 This book examines twelve ways in which Obama is systematically destroying our country. Obama's father said, [T]heoretically there is nothing that can stop the government from taxing 100 percent of income so long as the people get benefits from the government commensurate with their income which is taxed. Obama wrote, It was into my father's image, the black man, son of Africa, that I'd packed all the attributes I sought in myself. His father hated capitalism and the Western nations, including America. This hatred was passed on to his son. Speaking of our current President, Obama's granny said, I look at him and I see all the same things-he has taken everything from his father. The son is realizing everything the father wanted. The dreams of the father are still alive in the son. The Anti-American President exposes why Obama hates America and its free market system. It reveals Obama's pursuit of his father's Marxist dreams and his anti-American sentiments. It shows why Obama is fighting for excessive taxes and spending that will cripple the United States.

Should Obama Be Impeached? Thomas R. Meinders,2011-05 Should Obama Be Impeached? The United States of America is currently in three wars. What the American people would like to know is why we engaged in any of them since the President of the United States doesn't make a commitment to winning them. The President has stated that we would start withdrawing troops from Afghanistan within a few months. If we are going to withdraw the troops in a few months without any hope of winning the war it makes more sense to withdraw them immediately. The Taliban is just waiting for the troops to withdraw. The Taliban already knows that they have won the war. The President needs to make the commitment to win the war or get out now. This is a huge waste of the resources of the United States with no hope for a positive outcome. If the President is going to have a plan to win the war then he needs to discuss it with the Generals in charge. The President does not know who we are fighting or why. When Obama was asked who the rebels are in Libya there was complete silence. Why are we there when no one knows who we are supporting? Then the President has made comments that Gadhafi must go. Then in the next sentence Obama states that we will not target Gadhafi with the air strikes. The President can not have it both ways. Either eliminate Gadhafi and his leaders or forget about winning this war. When you cut off the head of the dog, the rest of the dog is going to stop functioning. This does not seem like a very hard decision to make. Get serious about winning or get out of the game.

**A Promised Land** Barack Obama,2020-11-17 THE #1 SUNDAY TIMES BESTSELLER A riveting, deeply personal account of history in the making-from the president who inspired us to believe in the power of democracy - and the perfect gift this Christmas! 'Gorgeously written, humorous, compelling, life affirming' Justin Webb, Mail on Sunday In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency-a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective-the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of hope and change, and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day. 'What is unexpected in A Promised Land is the former president's candour' David Olusoga, Observer

**The Secret Life of Barack Hussein Obama** Mondo Frazier,2011-10-25 WHO IS BARACK HUSSEIN OBAMA? 2008, the left wing and the Corporate Mainstream Media (CMM) fell head over heels in love with a cool, charming, and attractive smooth talker. His social security number (one of several, incidentally) identified him as Barack Hussein Obama. Over the next four years, he would repeatedly lie to, cheat on, and deceive his liberal lovers as they closed their eyes and ears to the truth, refusing to recognize the shameless, deviously calculated, and treacherous propaganda seeping from the White House. GOD HELP AMERICA, IT'S TIME FOR A SEPARATION. In The Secret Life of Barack Hussein Obama, uncompromising journalist and political commentator Mondo Frazier raises unsettling questions about the man elected to the highest position in this country. Frazier takes what he calls The Obama Narrative™, the crowd-pleasing myths perpetrated by Team Obama and the CMM to market and sell their Messianic savior, and fearlessly rips it to shreds. He explores the many mysteries of Obama's past, including his ever-shifting religious affiliations and political leanings, the facts of his mother's background, and Obama's suspiciously "missing" laundry list of records and licenses—including college, marriage, medical, and many, many more. He lays out the facts regarding Obama's shady associations with such negligible headliners as the controversial Reverend Jeremiah Wright, ACORN, and former domestic terrorist Bill Ayers—and Obama's actual relationships with those who stumbled into his creepy inner circle. He sheds light on Obama's personal "Hate List," and the man's dark deceptions, broken promises, and the hypocrisies of his current administration. Frazier also reveals four years of Obama's outrageous, egregious, sometimes hilarious, and always very telling public gaffes that the CMM conveniently and deliberately chose to ignore. SO, WHO IS BARACK HUSSEIN OBAMA? Anyone with guts who tries to answer that question truthfully risks being routinely disparaged and condemned by the CMM as a Nazi, a racist, or a crazy conspiracy theorist. Mondo Frazier courageously turns a blind eye to those foolish generalizations to provide scrupulously researched, eye-opening answers in The Secret Life of Barack Hussein Obama. Frankly, they will astonish readers. And they serve as warnings of Obama's insidious and sinister ambitions, ones that should be faced now so as to move America away from the "Barackalypse" and toward a

future that is safer, genuinely righteous, and one-hundred-percent Obama-free. WELCOME TO BARACK HUSSEIN OBAMA'S AMERICA Trillion-dollar-plus deficits every year; Social Security out of money years before the "experts" predicted; millions of houses lost in an automated robo-foreclosure system; billions for cronies who traffic in make-believe jobs "saved or created," real jobs that disappeared, some never to return; food and energy prices on the rise; the IRS empowered to ensure that every American has approved health insurance; crackdowns on Internet freedoms; a war against contrary thought; billions of dollars to help Brazilian and Chinese energy companies while the extraction and production of American-based energy is stifled—and the list goes on. Every speech delivered by Barack Obama is still his "greatest speech ever!" in the reports of a drooling Corporate Mainstream Media (CMM). An ever-skeptical public hasn't been convinced and are tuning out the constant drone of the CMM noise machine. Life is lived not in the pages or sets of the CMM, but out in the real-world America that has resulted from the policies and rhetoric of Barack Obama and his administration. The Barackalypse is already upon us.

**The Hip Hop & Obama Reader** Travis L. Gosa,Erik Nielson,2015-11-02 Featuring a foreword by Tricia Rose and an Afterword by Cathy J. Cohen Barack Obama flipped the script on more than three decades of conventional wisdom when he openly embraced hip hop--often regarded as politically radioactive--in his presidential campaigns. Just as important was the extent to which hip hop artists and activists embraced him in return. This new relationship fundamentally altered the dynamics between popular culture, race, youth, and national politics. But what does this relationship look like now, and what will it look like in the decades to come? The Hip Hop & Obama Reader attempts to answer these questions by offering the first systematic analysis of hip hop and politics in the Obama era and beyond. Over the course of 14 chapters, leading scholars and activists offer new perspectives on hip hop's role in political mobilization, grassroots organizing, campaign branding, and voter turnout, as well as the ever-changing linguistic, cultural, racial, and gendered dimensions of hip hop in the U.S. and abroad. Inviting readers to reassess how Obama's presidency continues to be shaped by the voice of hip hop and, conversely, how hip hop music and politics have been shaped by Obama, The Hip Hop & Obama Reader critically examines hip hop's potential to effect social change in the 21st century. This volume is essential reading for scholars and fans of hip hop, as well as those interested in the shifting relationship between democracy and popular culture.

**Barack Before Obama** David Katz,2020-12-01 A People Pick of the Week One of USA Today's 5 Books Not to Miss One of Forbes' 5 Books to Read in December A personal, intimate photographic celebration of President Barack Obama, featuring over 200 rare and never-before seen images from the years prior to his presidency, from photographer, friend, and former aide David Katz In 2004, David Katz worked alongside then Senate-hopeful Barack Obama as a photographer and personal aide. He spent approximately six days a week alongside the future president as Obama campaigned across downstate Illinois, and the two developed a close, professional, and personal relationship. What began as a long-shot Senate run culminated with the election of America's first African American president in 2008, which Katz also photographed. During this time, David was never without his camera, capturing quotidian scenes from the life of a man who would soon become known the world over: a dad playing with his small daughters; a young unknown politician walking the streets of New York by himself with no one noticing; a devoted husband lovingly making faces at his wife in an elevator. In 2004, after seeing the unique and touching photographs David had amassed, Annie Leibovitz gave him some advice: "Don't release these photos of Obama for at least fifteen years. They need time to age." Now, fifteen years later, Barack Before Obama is the treasury of these photographs. Pulled from an archive of more than ninety thousand images, every photograph in this volume is like nothing that has been seen before: the ease in which David captures the spirit and essence of one of our most beloved first families is unparalleled, and it is in this affectionate familiarity that his photographs sing. Warm, engaging captions tell the stories behind the photos—the surprise meeting with Nelson Mandela, the back room conversation before the rally, the emotion after sending one of the Obamas' daughters off to school—bringing readers closer than ever to the spirit and motivation behind the extraordinary man who became our forty-fourth president. Barack Before Obama is a unique collection of images illustrating the making of an American icon. A moving document of an historic moment, it's the perfect gift for all those who want to remember it.

**Barack Hussein Obama, the Unauthorized Diary of a Muslim President** Martin Reott,Patricia Reott,2012-09-16 Barack Hussein Obama,The Unauthorized Diary of a Muslim President, takes a hard look at how Barack Hussein Obama is aiding and abetting Islamic supremacists to destroy America from within, by our own hands.The book reveals the lie behind the phrase Islam is a religion of peace.Obama's fundamental transformation of the USA is revealed to be the destruction of the U.S. Constitution and the total elimination of the rights and freedoms Americans have lived with for over 200 years.Barack Hussein Obama, The Unauthorized Diary of a Muslim President reveals an all-encompassing conspiracy to:\* Destroy the balance of power between the three divisions of the federal government, by illegitimately usurping power from the Supreme Court and Congress, and bolstering the powers of the Presidency to never-before-heard-of levels.\* Allow infiltration into the highest levels of government by communists, socialists and Muslim extremists, including into positions of national security and defense.\* Create massive and bitter divisions between all segments of our society. Rich, poor and middle class are pitted against each other. Divisions along racial, ethnic and gender lines are the worst they've been in years.\* Secretly give away the sovereignty of the United States to the United Nations, or some other One-World-Government.\* Grow the federal government so far and so fast that State's right are being left in the dust, as are parental rights and the family as a whole.\* Encourage illegal immigration of Muslim jihadist activists and weapons through our borders, while using the Department of Justice to STOP individual states from protecting their own borders.\* Allow Muslim supremacists to dictate to our law enforcement agencies what they can and can't say in their training.The divisiveness and rage

among groups of citizens that is being fostered and encouraged by this administration simply makes us more vulnerable to attack from outside forces. And when those outside forces have already successfully infiltrated our own government, with the tacit approval of Barack Obama, we can see that a fuse is waiting to be lit. When the explosion occurs, America as we know it will be devastated unless Americans become informed in time and unite to stop the destruction of the USA as a sovereign nation. Why would Democrats claim a phony War on Women, instead of publicizing the REAL War on Women being waged by Muslims? Why have Americans been told by this administration that the War on Terror is over when terrorists are continuing to plot our overthrow by violence and stealth? Why is so much information about Barack Hussein Obama still unavailable for inspection, four years after the election? Did Obama go to Harvard? Where are the grades? Where is the birth certificate? Is Obama's grandmother in Kenya just a confused old lady? Can Obama be a Muslim and a communist? What exactly does fundamental transformation mean? These questions and more are answered in Barack Hussein Obama The Muslim President, The Unauthorized Diary of a Muslim President, which was written for families, neighbors and all patriotic Americans. It's time to wake up, become informed, join forces with like-minded citizens, and take action to save our great nation. God Bless America! Barack Hussein Obama, The Unauthorized Diary of a Muslim President is full of high-level information presented in plain speech. It also contains some common sense, practical ways of interpreting what a fundamental transformation of the USA really means to our Liar-in-Chief, Barack Hussein Obama.

**Drive** Daniel H. Pink, 2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of When: The Scientific Secrets of Perfect Timing Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of To Sell Is Human: The Surprising Truth About Motivating Others). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

**The Oath** Jeffrey Toobin, 2013-06-04 A Washington Post Notable Work of Nonfiction From the moment Chief Justice Roberts botched Barack Obama's oath of office, the relationship between the Court and the White House has been a fraught one. Grappling with issues as diverse as campaign finance, abortion, and the right to bear arms, the Roberts court has put itself squarely at the center of American political life. Jeffrey Toobin brilliantly portrays key personalities and cases and shows how the President was fatally slow to realize the importance of the judicial branch to his agenda. Combining incisive legal analysis with riveting insider details, The Oath is an essential guide to understanding the Supreme Court of our interesting times.

The Keillor Reader Garrison Keillor, 2014-05-01 Stories, essays, poems, and personal reminiscences from the sage of Lake Wobegon When, at thirteen, he caught on as a sportswriter for the Anoka Herald, Garrison Keillor set out to become a professional writer, and so he has done—a storyteller, sometime comedian, essayist, newspaper columnist, screenwriter, poet. Now a single volume brings together the full range of his work: monologues from A Prairie Home Companion, stories from The New Yorker and The Atlantic, excerpts from novels, newspaper columns. With an extensive introduction and headnotes, photographs, and memorabilia, The Keillor Reader also presents pieces never before published, including the essays “Cheerfulness” and “What We Have Learned So Far.” Keillor is the founder and host of A Prairie Home Companion, celebrating its fortieth anniversary in 2014. He is the author of nineteen books of fiction and humor, the editor of the Good Poems collections, and a member of the American Academy of Arts and Letters.

*That Time of Year* Garrison Keillor, 2020-12-01 With the warmth and humor we've come to know, the creator and host of A Prairie Home Companion shares his own remarkable story. In That Time of Year, Garrison Keillor looks back on his life and recounts how a Brethren boy with writerly ambitions grew up in a small town on the Mississippi in the 1950s and, seeing three good friends die young, turned to comedy and radio. Through a series of unreasonable lucky breaks, he founded A Prairie Home Companion and put himself in line for a good life, including mistakes, regrets, and a few medical adventures. PHC lasted forty-two years, 1,557 shows, and enjoyed the freedom to do as it pleased for three or four million listeners every Saturday at 5 p.m. Central. He got to sing with Emmylou Harris and Renée Fleming and once sang two songs to the U.S. Supreme Court. He played a private eye and a cowboy, gave the news from his hometown, Lake Wobegon, and met Somali cabdrivers who'd learned English from listening to the show. He wrote bestselling novels, won a Grammy and a National Humanities Medal, and made a movie with Robert Altman with an alarming amount of improvisation. He says, “I was unemployable and managed to invent work for myself that I loved all my life, and on top of that I married well. That’s the secret, work and love. And I chose the right ancestors, impoverished Scots and Yorkshire farmers, good workers. I’m heading for eighty, and I still get up to write before dawn every day.”
