Getting Real Gretchen Carlson,2015-06-16 In the wake of Gretchen Carlson’s lawsuit against former Fox News chairman and CEO Roger Ailes, her memoir of her time at Fox—working alongside Megyn Kelly, Bill O’Reilly, Steve Doocy, and other prominent conservative news personalities—is more relevant than ever. In this candid memoir, celebrity news anchorwoman Gretchen Carlson shares her

inspiring story and offers important takeaways about what it means to strive for and find success in the real world. With warmth and wit, she takes readers from her Minnesota childhood, when she became a violin prodigy, through attending Stanford and later rising to anchor of The Real Story with Gretchen Carlson on Fox News after working her way up from local television stations. Carlson addresses the intense competitive effort of winning the Miss America Pageant, the challenges she's faced as a woman in broadcast television, and how she manages to balance work and family as the wife of high-profile sports agent Casey Close and devoted mother to their two children. An unceasing advocate for respect and equality for women, Carlson writes openly about her own struggles with body image, pageant stereotypes, building her career, and having the courage to speak her mind. Encouraging women to believe in themselves, chase their dreams, and never give up, Carlson emerges in *Getting Real* as a living example of personal strength and perseverance.

Reinventing Real Estate Urban Land Institute, 1995 Looks at the emerging trends and issues in the real estate industry and predicts economic conditions and the impact they will have on each sector of

the market. The text focuses on improving the value of managing and repositioning existing real estate assets.

Be Fierce Gretchen Carlson, 2018-09-25 Now updated with a new chapter! Includes the #metoo movement and the cultural revolution. A groundbreaking manifesto from journalist Gretchen Carlson about how women can protect themselves from sexual harassment in the workplace and reclaim their power against abuse or injustice. In *BE FIERCE*, Gretchen shares her own experiences, as well as powerful and moving stories from women in many different careers and fields who decided they too weren't ready to shut up and sit down. Gretchen became a voice for the voiceless. In this revealing and timely book, Gretchen shares her views on what women can do to empower and protect themselves in the workplace or on a college campus, what to say when someone makes suggestive remarks, how an employer's Human Resources department may not always be your friend, and how forced arbitration clauses in work contracts often serve to protect companies rather than employees. Her groundbreaking message encourages women to stand up and speak up in every aspect of their

lives. Gretchen also discusses why this fight will require both women and men working together to ensure that our daughters and sons will have a brighter future. BE FIERCE is a cultural movement and a motivating testament to what we can accomplish if we collectively decide to become warriors in the path for a better future. The time is now. Take back your life, your career, and your dignity. Twitter: @GretchenCarlsonFacebook: @GretchenCarlsonInstagram: @therealgretchencarlson A portion of each book sale will go towards Gretchen's Gift of Courage fund. Using your voice and speaking your truth is a step toward freedom. Be a 'Fierce' force because that's what it takes to change the world.-- Maria Shriver, Emmy and Peabody Award-winning journalist, New York Times bestselling author, and founder of The Women's Alzheimer's Movement
