

Oktm English Siddur

Yehudah BenLewi, Shalomoh Ben Amsi HaLewi

The Standard Prayer Book Simeon

Singer, 2023-12-15 The Standard Prayer Book commonly known as Singer's Siddur is an English translation of the Hebrew siddur created by Rabbi Simeon Singer. A siddur is term for a Jewish prayer book, containing a set order of daily prayers. The word siddur comes from the Hebrew and means 'order'. Singer provides an authorized version of the liturgy capable of standardizing and stabilizing the synagogue service and helping to create an established Judaism. The author's goal was to unite precision and literalness regarding English language and the simplicity of expression suiting the religious prayer. Singer's Siddur has gone through many editions, and is still used in many synagogues and homes.

A Simple Siddur in English Anthony

Sheehy, 2014-08-31 Siddur - A Hebrew word that comes from the root that means 'Order'... The daily cycle of prayer originates at the base of Mount Sinai with the establishment of the Tabernacle and worship as authorised by The LORD by the hand of Moses, His servant. It has continued throughout the generations of the Sons of Israel and continues to this day. This prayer book provides a simplified explanation for the Jewish daily cycle of prayer. More detailed explanations and sources for each of the prayers can be found in a traditional Siddur if you so desire them. This volume does not seek to replicate that format. Instead, it intends to give the English reader an opportunity to join in that cycle of prayer in a language that he can

understand. The translation loses the rhythm and poetry of the Hebrew language but opens up the meaning and intent of the prayers.

Siddur Sha'ar Zahav Sha'ar Zahav, 2009-01-01
Congregation Sha'ar Zahav's first siddur appeared in 1982. It was revised in 1994 and again in 2000. The richness of this siddur, like the Sha'ar Zahav community, is rooted in its integration of Jewish tradition with egalitarian, feminist, and LGBTQ-positive ideas and language. With this edition, we have sought to continue and expand the Sha'ar Zahav tradition of creating liturgy that reflects who we are. The compilers of the 2000 edition wrote: "A Jewish prayer book which had nothing in common with the traditional siddur would lack the wealth of history which connects our worship with Jewish practice around the world and over the centuries. On the other hand, many of us are uncomfortable with some of the imagery and language found in the prayer books of the major

Jewish denominations in the United States. With this prayer book, we have attempted to capture the spirit of Jewish liturgy while avoiding the objectionable elements." When Congregation Sha'ar Zahav was founded in 1977, only a handful of synagogues offered full acceptance to bisexual, transgender, lesbian, gay, and queer-identified Jews. From the outset, Sha'ar Zahav has been a community that is open to all. Sha'ar Zahav is affiliated with the Union for Reform Judaism (URJ), and this siddur reflects many of the innovations of the Reform movement as well as the URJ's commitment to an evolving liturgical tradition. The members of Congregation Sha'ar Zahav – the authors of most of the new material in this siddur – come from many varied backgrounds, movements, affiliations, traditions, and practices. Some identify with Ashkenazi, Sephardi, or Mizrahi traditions. Some were born into Jewish families, while some chose Judaism. We are young and old and every age in between. We have sought to reflect both our shared traditions and our differences in our liturgy. In order to create a spiritual home for all who choose to enter our gates, and in order to develop a siddur which will continue to resonate with the congregation and reflect our community's diversity, we have tried to cast a wide liturgical net. We have drawn from the traditions we have been handed, we have sought out sources that have been hidden, and we have tapped the creative gifts of our own community. In this edition, we have been mindful of, and have sought to expand, the principles which have distinguished this siddur in the past: using non-

sexist language when referring to both people and God; restoring visibility to women throughout Jewish tradition; speaking directly to the experience of lesbian, gay, bisexual, transgender, and queer-identified people; understanding the concept of Jewish chosenness as uniqueness; envisioning the Messianic time as the fulfillment of tikkun olam, the repair of the world, and seeing ourselves as participants in the holy work of repair. Siddur Sha'ar Zahav includes alternative English versions of prayers, and alternative Hebrew and Aramaic, so that our values can be reflected in all of our languages of prayer. Because of the gravity of altering wording that may be hundreds of years old, we spent considerable time developing guidelines for Hebrew prayers. In keeping with the Sha'ar Zahav tradition, we decided not to remove customary versions of prayers, but to add new versions alongside them. We did not alter any passages taken from the Torah, except to ensure gender inclusivity, which is noted in the text. Nor did we alter prayers such as the Mourners' Kaddish, which serve so powerfully to connect us to the Jewish people across time and space. Where we did create new Hebrew versions, we followed a set of principles, which are discussed in the appendices. Siddur Sha'ar Zahav endeavors to respect the varied, and at times contradictory, sensibilities of our people and our congregation. Our goal is for all of us – progressive Jews within the Reform movement's umbrella, regardless of gender identity or sexual orientation – to see ourselves reflected in our liturgy, so that none of us experience the

invisibility and exclusion we have historically encountered. Our prayer book attempts to embody the teaching that each of us is created b'tzelem Elohim, "in the image of God." While we know that not every reading will speak to each of us, we hope that in these pages all of us will find a point of departure for prayer, and for dialogue with the Source of creation.

Siddur Meir Zlotowitz,1990

Sh'ma' Zalman Schachter-Shalomi,2010-09-21 Dear friend - If you do not yet read Hebrew, and need an alternative resource for your daily davvenen (prayer), or if you are not used to reading the Hebrew with comprehension and the ability to dilate it from its literal meaning, I offer you this concise translation of the Jewish siddur or prayer-book, which I frequently use for my own davvenen. I have translated the liturgy of the siddur here according to the way in which I experience it in my own feeling-consciousness. Thus, my translations do not so much offer the p'shat or the literal meaning of the words as they do a devotional interpretation that can make them into prayers of the heart. . . . This siddur is meant to help you stay in touch with God on a daily basis, to gain divine assistance, to lighten your burdens, not to add to them. May you come to experience your own prayer as a blessed meeting with your own God. - Rabbi Zalman Schachter-Shalomi

Siddur Hatefillah Eliezer Schweid,2022-08-30 Hebrew University Professor Emeritus and Israel Prize recipient Eliezer Schweid (1929-2022) is widely regarded as one of the greatest historians of Jewish thought of our era. In Siddur Hatefillah, he probes the Jewish prayer book as a reflection of Judaism's unity and continuity as a unique spiritual entity; and as the most popular, most uttered, and internalized text of the Jewish people. Schweid explores texts which process religious philosophical teaching into the language of prayer, and/or express philosophical ideas in prayer's special language – which the worshipper reflects upon in order to direct prayer, and

through which flows hoped-for feedback. With the addition of historical, philological, and literary contexts, the study provides the reader with first-time access to the comprehensive meaning of Jewish prayer—filling a vacuum in both the experience and scholarship of Jewish worship.
