The Standard Prayer Book Simeon Singer,2023-11-14 The Standard Prayer Book commonly known as Singer's Siddur is an English translation of the Hebrew siddur created by Rabbi Simeon Singer. A siddur is term for a Jewish prayer book, containing a set order of daily prayers. The word siddur comes from the Hebrew and means 'order'. Singer provides an authorized version of the liturgy capable of standardizing and stabilizing the synagogue service and helping to create an established Judaism. The author's goal was to unite precision and literalness regarding English language and the simplicity of expression suiting the religious prayer. Singer's Siddur has gone through many editions, and is still used in many synagogues and homes.

A Simple Siddur in English Anthony Sheehy,2014-08-31 Siddur - A Hebrew word that comes from the root that means 'Order'... The daily cycle of prayer originates at the base of Mount Sinai with the establishment of the Tabernacle and worship as authorised by The LORD by the hand of Moses, His servant. It has continued throughout the generations of the Sons of Israel and continues to this day. This prayer book provides a simplified explanation for the Jewish daily cycle of prayer. More detailed explanations and sources for each of the prayers can be found in a traditional Siddur if you so desire them. This volume does not seek to replicate that format. Instead, it intends to give the English reader an opportunity to join in that cycle of prayer in a language that he can understand. The translation loses the rhythm and poetry of the Hebrew language but opens up the meaning and intent of the prayers.

Sh'ma' Zalman Schachter-Shalomi, 2010-09-21 Dear friend - If you do not yet read Hebrew, and need an alternative resource for your daily davvenen (prayer), or if you are not used to reading the Hebrew with comprehension and the ability to dilate it from its literal meaning, I offer you this concise translation of the Jewish siddur or prayer-book, which I frequently use for my own davvenen. I have translated the liturgy of the siddur here according to the way in which I experience it in my own feeling-consciousness. Thus, my translations do not so much offer the p'shat or the literal meaning of the words as they do a devotional interpretation that can make them into prayers of the heart. . . . This siddur is meant to help you stay in touch with God on a daily basis, to gain divine assistance, to lighten your burdens, not to add to them. May you come to experience your own prayer as a blessed meeting with your own God. - Rabbi Zalman Schachter-Shalomi
