*Psalms* Willem A. VanGemeren, 2017-03-07 Continuing a Gold Medallion Award-winning legacy, the completely revised Expositor's Bible Commentary puts world-class biblical scholarship in your hands. A staple for students, teachers, and pastors worldwide, The Expositor's Bible Commentary (EBC) offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures. The EBC uses the New International Version of the Bible, but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful. Each section of the commentary includes: An introduction: background information, a short bibliography, and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions, key words, and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors, who: Believe in the divine inspiration, complete trustworthiness, and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition, thoughtful discussion, and ease of use—look no further than The Expositor's Bible Commentary.

*Psalms* Samuel Edward Tesh, Walter D. Zorn, 1999

*Encountering the Book of Psalms* C. Hassell Bullock, 2004-07 A user-friendly guide to the study and interpretation of the Psalms.

*Encountering the Book of Psalms (Encountering Biblical Studies)* C. Hassell Bullock, 2004-07-01 According to author Hassell Bullock, No collection of poems has ever exercised as much influence on the Western world as the Book of Psalms. The attraction for Jews, Christians, and others is surely the personal element that pervades these poems, which describe the human situation in all its complexity. Though the Psalms are perhaps the most familiar portion of the Hebrew Bible, they are also among the most difficult to interpret. As a result, Bullock has created this guide to introduce students to the study and interpretation of the Psalms. Encountering the Book of Psalms begins by examining literary and hermeneutical dimensions. Bullock discusses the nature, structure, and authorship of the Psalter and provides readers with specific principles for interpretation. He goes on to examine the use of Psalms in worship from the ancient world to the twenty-first century. He further explores how the psalmists used historical reflection to serve their theological purposes, and he concludes by investigating different types of psalms (e.g., praise, lament, and wisdom). Like other volumes in the Encountering Biblical Studies series, Encountering the Book of Psalms is designed for classroom use and includes a number of helpful features, including chapter objectives and outlines, sidebars, charts, and illustrations.

**The Sanctuary in the Psalms** Steven Dunn, 2016-05-26 The psalms provide multivalent ways by which humans experience the sacred through worship and contemplation. This book explores how psalms use symbols and images to convey the sacred presence as concrete and intimate, yet ephemeral and transcendent—illustrating diverse types of “sanctuaries” where God is mediated.

**The Psalms** Samuel L. Terrien, 2003 In this monumental work, his most ambitious undertaking, the late Samuel Terrien brings together a lifetime of scholarship on Psalms, long the wellspring of Jewish spirituality as well as the main hymnal of the Christian church. The book's insightful and clearly written introduction treats such subjects as the longevity and ecumenicity of the psalms, their Near Eastern background, the Hebrew text and ancient versions, their music, their strophic structure, their literary genre, their theology, and their relation to the New Testament. In the commentary itself Terrien freshly elucidates the theological significance of these collected poems by putting readers in touch with the formal versatility and religious passion of the psalmists themselves. While Terrien always engages in scientific exegesis before drawing theological conclusions, he is careful to allow full expression to the theological -- and, especially, the doxological -- voice of these unmatched spiritual songs. The result is a commentary that provides a link between the archaic language of Psalms and the intellectual demands of modern thinking and spirituality. Throughout his exposition Terrien shows great respect for the scribal testimony of the Jewish tradition, especially the consonants of the Masoretic text. He likewise displays great care in finding the most accurate meaning for Hebrew words of obscure origin. This meticulous work renders a translation of Psalms more reliable than those of Terrien's predecessors. He also draws on many fruitful gains of structural analysis in discerning the strophic divisions within the Hebrew text. Often he finds unity of composition where earlier critics denied it. And for readers interested in specific aspects of translation and interpretation, Terrien has appended bibliographical lists of modern works on each psalm.

Seeing and Hearing God with the Psalms Raymond Jacques Tournay, 1997-01-01 This investigation into the prophetic dimension of the Psalms shows how the postexilic period and especially the world of the Chronicler around 300 BCE provide the main setting for the Psalms, even royal psalms. The Levitical singers of the Second Temple 'made up for the silence of the classical prophets': an idealized David, musician and prophet, is depicted as leader of the cultic prophets and of the entire inspired community. In this way theophanic descriptions and oracular material in the style of the classical prophets were developed and preserved through the Psalms.

*Tehillim Ohel Yy With English* , 2001-06 Tehillim is recited by Jewish people collectively and individually, as the desire occurs to offer praise and

thanksgiving to G-d; or alternatively, in times of crisis and need, as a form of supplication, and even as a venue to express regret for sin. The Tzemach Tzedek said, If one would only know the power of verses in Tehillim, and their effect on high, one would recite them continuously. The verses of Tehillim transcend all barriers and ascend higher and higher, imploring the Master of the Universe until they achieve results of kindness and mercy.

*Commentary on Psalms* John Calvin,2013-12-26 For hundreds of years John Calvin's Commentaries have been admired and relied upon for their deep insights into Scripture. Charles Spurgeon told his students, It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men, John Calvin! Of all commentators I believe John Calvin to be the most candid. He was no trimmer and pruner of texts. He gave their meaning as far as he knew it. His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could, and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words: he laboured, in fact, to declare, not his own mind upon the Spirit's words, but the mind of the Spirit as couched in those words. And even Arminius himself admitted, Next to the perusal of the Scriptures, which I earnestly inculcate, I exhort my pupils to peruse Calvin's commentaries, for I affirm that he excels beyond comparison in the interpretation of Scripture, and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers; so that I acknowledge him to have possessed above most others, or rather above all other men, what may be called an eminent gift of prophecy.

*Psalms* Tremper Longman,David E. Garland,2008 This is a complete revision of the Gold Medallion-winning commentary series. It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint.--Publisher description.

**Commentary on the Psalms. 1845–49** Jean Calvin,1845

*Old Testament Introduction* Mark Mangano,2005

**Exploring the Old Testament** Ernest C. Lucas,2014-07-10 Israel's poets and sages left a scriptural legacy that has powerfully shaped the worship, thoughts and actions of the people of God. In the highs and lows and crossroads of life, we instinctively turn to their poetry, proverbs and discourses for the language we do not possess and the wisdom we desperately seek. Yet there is more to this literature than meets the eye--or fills the momentary need. A study of the Bible's wisdom and poetry will dramatically enhance its power and effectiveness. From the depths of lament to the heights of praise, from the eroticism of the Song of Songs to the hard realism of Ecclesiastes, and from the aphorisms of Proverbs to the discourses of Job, this guide introduces readers to the ancient background, the literary artistry, and the varied and timeless messages of the Psalms and Wisdom literature. Ernest C. Lucas gives us an informed, illuminating and interactive introduction to this portion of Scripture. Sparkling with interest and geared to the needs of students, this is an excellent textbook introduction to the Psalms and Wisdom literature.

**'His Pen and Ink Are a Powerful Mirror'** ,2020-03-23 This volume is a collection of studies in the cultural history of al-Andalus in honor of Ross Brann on his 70th birthday.

**Tehillim: Commentary by Rabbi Steinsaltz** Adin Steinsaltz,2023-02-20

**The Prayers of David** Goulder,2004-10-27 In the second of his invigorating studies on the Psalms, Goulder builds a fascinating case for a Davidic connection in Psalms 51-72. Goulder argues that the Prayers were composed by one of David's priests, and stand in their historical order. Thus, Psalm 51, with which the sequence opens, is in Jewish tradition David's psalm of contrition for Uriah's murder, and 72 is the psalm for Solomon's coronation--the beginning and end of the 'Succession Narrative'. 'The whole is prefaced by a shrewd and highly entertaining account of Psalm scholarship and a discussion of the character of the succession narrative, and rounded off by a note suggesting how the present structure of the Psalter developed.' Richard Coggins, Expository Times.

**Raksin Illustrated Tehillim** ,2017-05

**Seeing the Psalter** Bob MacDonald,2013-01-31 Seeing the Psalter is a unique insight into the Psalms. These 150 poems are at the heart of the faith of Israel and of Christendom. No book of the Bible is more popular. Seeing the Psalter highlights and shows the patterns of repeated word usage in each poem and across the collections of poems. In this book, the Psalter is read and analyzed in sequence revealing a deliberate organization and a coherent message formed over centuries: how do we learn to rule in the midst of enemies? Each poem is laid out in a very easy to read form. For the English reader, the translation is close and concordant, as far as that is possible. The concordance has been managed through a sophisticated database analysis of the glosses chosen. Seeing the Psalter includes a complete Hebrew-English and English-Hebrew glossary of all words used in the Psalter. The list of all uses of a Hebrew root in the Hebrew glossary enables an in-depth study of word usage. For the Hebrew reader, or for one who wants to learn Hebrew, the text is laid out in a form that enables memorization and the learning of the intricacies of translation. The poetry is phrase by phrase side by side with the English. Each chapter shows in color the patterns of word recurrence in the poems. Many chapters show the close (or distant) relationships of poems with each other. As you study this work, you will find that all sorts of questions open themselves to you related to the history of the collections, the character of the faith, and the construction of the Psalter itself. A comprehensive index of Biblical references, names, and themes is

included allowing you to find things easily in the text. Each major section of Seeing the Psalter contains brief summaries outlining and highlighting inter-poem relationships and enabling the memorization of the whole. The Psalms are the dialogue between God and his people. It's not a conversation one would want to miss. You will love this book and reading it will show you the love that is before all things. With charts in full color.

Shofar tehillim ,1769

*The Books of Nahum, Habakkuk, and Zephaniah* Thomas Renz,2021-06-08 In this commentary, Thomas Renz reads Nahum, Habakkuk, and Zephaniah as three carefully crafted writings of enduring relevance, each of which makes a vital contribution to the biblical canon. Discussing the historical settings, Renz takes up both long-standing issues, such as the relationship of Zephaniah to Josiah’s reforms, and the socioeconomic conditions of the time suggested by recent archaeological research. The place of these writings within the Book of the Twelve is given fresh consideration, including the question of what one should make of the alleged redaction history of Nahum and Habakkuk. The author’s careful translation of the text comes with detailed textual notes, illuminating some of the Bible’s most outstanding poetry (Nahum) and one of the biblical chapters that is among the most difficult to translate (Habakkuk 3). The thorough verse-by-verse commentary is followed by stimulating theological reflection, opening up avenues for teaching and preaching from these prophetic writings. No matter their previous familiarity with these and other Minor Prophets, scholars, pastors, and lay readers alike will find needed guidance in working through these difficult but important books of the Bible.

Okm Tehillim: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Okm Tehillim : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Okm Tehillim : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
