Parenting Forward Cindy Wang Brandt,2019-02-26 A progressive Christian parenting book with a social-justice orientation How do we build a better world? One key way, says Cindy Wang Brandt, is by learning to raise our children with justice, mercy, and kindness. In *Parenting Forward* Brandt equips Christian parents to model a way of following Jesus that has an outward focus, putting priority on loving others, avoiding judgment, and helping those in need. She shows how parents must work on dismantling their own racial, cultural, gender, economic, and religious biases in order to avoid passing them on to their children. "By becoming aware of the complex ways we participate in systems of inequality or hierarchy," she says, "we begin to resist systemic injustice ourselves, empower our children, and change our communities."

Alpha and Omega Charles Seife,2004-06-01 Humankind has grappled for millennia with the fundamental questions of the origin and end of the universe--it was a focus of ancient religions and myths and of the inquiries of Aristotle, Galileo, Copernicus, Kepler, and Newton. Today we are at the brink of discoveries that should soon reveal the deepest secrets of the universe. *Alpha and Omega* is a dispatch from the front lines of the cosmological revolution that is being waged at observatories and laboratories around the world--in Europe, in America, and even in Antarctica--where scientists are actually peering into both the cradle of the universe and its grave. Scientists--including galaxy hunters and microwave eavesdroppers, gravity theorists and atom smashers, all of whom are on the trail of dark matter, dark energy, and the growing inhabitants of the particle zoo--now know how the universe will end and are on the brink of understanding its beginning. Their findings will be among the greatest triumphs of science, even towering above the deciphering of the human genome. This is the book you need to help understand the frequent front-page headlines heralding dramatic cosmological discoveries. It makes cutting-edge science both crystal clear and wonderfully exciting.

Girl from Ganymede Moe Safy Elmahdi,2023-01-04 Xelena Xutu's family are moon people who fled Ganymede when she was young. From a young age, her dream was to design spaceships. As she grows up in the palace of Galactic X, the planetary superpower Ganymede orbits, her traditionalist mother tries to teach her Ganymedeni cultural values. While the king of Galactic X is fond of Xelena and her family, the other royals see moon people as lesser beings that threaten the planet's security. When Xelena is thirteen years old, she is kidnapped by Ganymede's ruler and subjected to a ritual that fuses her soul with the spirit of an ancient Ganymedeni overlord known only to her as the Voice. After this tragic incident and increased hatred from Galactic X's royals, Xelena's father smuggles the family to Divercity, a rival planetary superpower known for its advanced technology and acceptance of different races, so that she may live out her dreams. Eight years later, Xelena has abandoned her dream of shipbuilding in order to provide for her aging, sickly mother while living up to her cultural expectations in Divercity's fast-paced climate. She attracts the lustful eye of Romeo Caesarean, a powerful member

of Divercity's elites whose advances drag her into Divercity's political sphere. As Xelena navigates Divercity's social classes in search of medical treatment for her mother, she discovers that Divercity isn't as welcoming as it seems. A moon girl from Ganymede struggles to succeed in Divercity. Making matters worse, the Voice has manifested as a split personality disorder within Xelena, causing a mental tug-of-war on who she is. Now Xelena must decide how far she is willing to push the limits of her own identity, culture, and dreams to save her mother's life.

Tuxedo Bob Rob, Susan Hegel, 2002-10-07 Tuxedo Bob is a musically talented young man with a unique sense of humor, and an extraordinarily optimistic view of life. His classic black tuxedo illustrates his dedication to good manners and respectful behavior. His instinctive ability to make decisions based on what is right instead of what is convenient astounds the most hardened skeptic. His honesty bewilders the agents, bigots, producers, mobsters, and pessimists who come into his life; the kindness of his heart inspires his friends. Any situation in life is better when experienced in formal attire. Orville Fledsper Armed with a number of his fathers axioms and some off beat songs, Tuxedo Bob travels beyond the horizon of his hometown to seek employment as a songwriter. His demeanor makes him seem nave, but his special way of dealing with the obstacles and situations he encounters on his twenty-three year journey from New York to Las Vegas and Hollywood will make you laugh, and will warm your heart. You will never forget Tuxedo Bob. As an added bonus to this edition, and for your enjoyment, the authors have included all of Tuxedo Bobs song lyrics, and the complete version of his musical screenplay, THE MIRROR OF MR. MOORE. Fast Forward Steve Millward, 2016-04-20 1964-1974 was a tumultuous decade. In the first two books of his 'Music and Politics' trilogy, Steve Millward traced how the optimism and adventure of 1964 had, by 1970, soured into frustration and uncertainty. *Fast Forward: Music and Politics in 1974* brings the story to a climax by showing that while the year was riddled with soul-searching and looking backwards, the future was, in fact, approaching rapidly. As in the previous volumes, Millward links major political developments such as the energy crisis, Watergate, the troubles in Northern Ireland and the rise of the National Front to trends in rock, jazz, folk and classical music. He also explains the part played by music in the revolutions across Africa and in the struggle for civil rights in the USA. James Brown, Neil Young, David Bowie and Bob Marley are among the major names featured, but there is also discussion of the multitude of artists who made crucial but less celebrated contributions, including Millie Jackson, Steve Reich, Billy Cobham and even the poet laureate John Betjeman. Precursors of punk such as Patti Smith, The Ramones, Dr Feelgood and Kilburn and The High Roads are also examined in detail. Finally, Millward weaves into the plot sporting events like the World Cup and the Rumble in the Jungle and the host of excellent films released during the year. *Fast Forward: Music and Politics in 1974* offers a multidimensional interpretation of a momentous year – analytical yet accessible, weighty yet witty – and is the perfect addition to any music-lover's bookcase. It merits the accolade given by Record Collector magazine to its predecessor, *Different Tracks* (Matador, 2014) – 'an incisive, all-inclusive discourse...a sharply-delineated time-capsule'.

Mirror of the Soul Tania M. DeVizia,2015-07-08 Mirror of the Soul is a reference to the precious metal silver and its superior reflective abilities. Silver jewelry reflects ones personality and silver instruments, which render the purest tones, have the ability to reflect ones soul. Classical flutist Tania M. DeVizia uses her silver flute as a tool to connect with the divine and thus mirror her soul. In this book, she merges theology and science, time and eternity and hands-on healing with sound healing. She analyzes and reflects upon the five roles of Jesus when he walked this earth and describes the manner in which music and art mirror His roles of Good Shepherd, Healer and Miracle Worker, Carpenter and Stone Mason, Fisher of Men and Son of God. Her text reflects her quest for truth. She believes we have an innate desire to reflect the highest ideals of the Creator in all our works of art. The words on these pages mirror the soul of a flutist who enjoys listening, observing, analyzing, hearing, and sharing her insights with others.
