

# On Duty Free

Hito Steyerl

**Duty Free** Moni Mohsin,2011-09-06 Jane Austen's Emma, transported to the outrageous social melee of 21st-century Lahore. Our plucky heroine's cousin, Jonkers, has been dumped by his low-class, slutty secretary, and our heroine has been charged with finding him a suitable wife -- a rich, fair, beautiful, old-family type. Quickly. But, between you, me and the four walls, who wants to marry poor, plain, hapless Jonkers? As our heroine social-climbs her way through weddings-sheddings, GTs (get togethers, of course) and ladies' lunches trying to find a suitable girl from the right bagground, she discovers to her dismay that her cousin has his own ideas about his perfect mate. And secretly, she may even agree. Full of wit and wickedness and as clever as its heroine is clueless, Duty Free is a delightful romp through Pakistani high society -- though, even as it makes you cry with laughter, it makes you wince at the gulf between our heroine's glitteringly shallow life and the country that is falling apart, day by day, around her Louboutin-clad feet. Moni Mohsin, already a huge bestseller in India, has been hailed as a modern-day Jane Austen, and compared to Nancy Mitford and Helen Fielding. Duty Free is social satire at its biting best.

*Duty Free Art* Hito Steyerl,2017-11-21 What is the function of art in the era of digital globalization? How can one think of art institutions in an age defined by planetary civil war, growing inequality, and proprietary digital technology? The boundaries of such institutions have grown fuzzy. They extend from a region where the audience is pumped for tweets to a future of “neurocurating,” in which paintings surveil their audience via facial recognition and eye tracking to assess their popularity and to scan for suspicious activity. In Duty Free Art, filmmaker and writer Hito Steyerl wonders how we can appreciate, or even make art, in the present age. What can we do when arms manufacturers sponsor museums, and some of the world’s most valuable artworks are used as currency in a global futures market detached from productive work? Can we distinguish between information, fake news, and the digital white noise that bombards our everyday lives? Exploring subjects as diverse as video games, WikiLeaks files, the proliferation of freeports, and political actions, she exposes the paradoxes within globalization, political economies, visual culture, and the status of art production.

**Fly Buy Dubai** Graeme H. Wilson,2008

Kiplinger's Personal Finance ,1994-08 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

**The Billionaire Who Wasn't** Conor O'Clery,2013-08-27 Chuck Feeney was born in Elizabeth, New Jersey, to a blue-collar Irish-American family during the Depression. After service in the Korean War, he made a fortune as founder of Duty Free Shoppers, the world’s largest duty-free retail chain. By 1988, he was hailed by Forbes Magazine as the twenty-fourth richest American alive. But secretly Feeney had already transferred all his wealth to his foundation, Atlantic Philanthropies. Only in 1997 when he sold his duty free interests, was he “outed” as one of the greatest and most mysterious American philanthropists in modern times. After going “underground” again, he emerged in 2005 to cooperate on a biography promoting giving while living. Now in his mid-seventies, Feeney is determined his foundation should spend down the remaining \$4 billion in his lifetime.

*European Airport Retailing: Growth Strategies for the New Millennium* P. Freathy,F. O'Connell,1998-07-13 The retail sector has undergone a major structural transformation in the past fifteen years and one aspect has been the enormous growth in airport retailing which now represents one of the major methods of profit generation for the airport authorities. With this trend set to continue, retailing will increasingly represent an important aspect of future airport development. In European Airport Retailing the authors set out to examine the contemporary and future developments in airport retailing, both from a strategic and operational perspective. Including coverage of both tax free and duty paid retailing, the book looks at such issues as retail marketing; location and design; supply chain relationships and human resource issues.

**Robert Stadler** ,2006

*Increase of Duty-free Allowance to American Tourists ... Hearing .. on H.R. 8352 ..* United States. Congress. House. Committee on Ways and Means,1954

Tender Hooks Moni Mohsin,2011 'Thanks God, my bore-but-rich cousin Jonkers has been dumped by his wife - a low-class, slutty secretary. My aunty is so happy you can't even imagine. Now she wants her darling son to marry again, and quickly. But this time to a suitable girl from an old family. Only problem is, she wants me to find her. But where to start? No one can accuse me of being antisocialist, but with all these bombs-shombs and fundos and fatwas, there aren't so many Get Togethers happening in Lahore these days. And, on top, my stuppid husband keeps lecturing me that I must let Jonkers choose his own bride. He just doesn't seem to understand that good marriages are all about good baggrounds. Aren't they?' Full of wit and wickedness and as clever as its heroine is clueless, Tender Hooks is an explosively funny romp through Pakistani high society - and the realities of living in a country that is falling apart day by day.

*The SAGE International Encyclopedia of Travel and Tourism* Linda L. Lowry,2016-09-01 Taking a global and multidisciplinary approach, The SAGE International Encyclopedia of Travel and Tourism brings together a team of international scholars to examine the travel and tourism industry, which is expected to grow at an annual rate of four percent for the next decade. In more than 500 entries spanning four comprehensive volumes, the Encyclopedia examines the business of tourism around the

world paying particular attention to the social, economic, environmental, and policy issues at play. The book examines global, regional, national, and local issues including transportation, infrastructure, the environment, and business promotion. By looking at travel trends and countries large and small, the Encyclopedia analyses a wide variety of challenges and opportunities facing the industry. In taking a comprehensive and global approach, the Encyclopedia approaches the field of travel and tourism through the numerous disciplines it reaches, including the traditional tourism administration curriculum within schools of business and management, economics, public policy, as well as social science disciplines such as the anthropology and sociology. Key features include: More than 500 entries authored and signed by key academics in the field Entries on individual countries that details the health of the tourism industry, policy and planning approaches, promotion efforts, and primary tourism draws. Additional entries look at major cities and popular destinations Coverage of travel trends such as culinary tourism, wine tourism, agritourism, ecotourism, geotourism, slow tourism, heritage and cultural-based tourism, sustainable tourism, and recreation-based tourism Cross-references and further readings A Reader's Guide grouping articles by disciplinary areas and broad themes
