Victor M. Corman

*The Rain Watcher* Tatiana de Rosnay, 2018-10-30 The first new novel in four years from the beloved superstar author of *Sarah's Key*, a heartbreaking and uplifting story of family secrets and devastating disaster, set against a Paris backdrop, fraught with revelations, and resolutions. An absorbing tale of family secrets from the author of *Sarah's Key*. - People magazine Hypnotic, passionate, ominous and tender-unforgettable." -Jenna Blum, New York Times and internationally bestselling author of *Those Who Save Us* Linden Malegarde has come home to Paris from the United States. It has been years since the whole family was all together. Now the Malegarde family is gathering for Paul, Linden's father's 70th birthday. Each member of the Malegarde family is on edge, holding their breath, afraid one wrong move will shatter their delicate harmony. Paul, the quiet patriarch, an internationally-renowned arborist obsessed with his trees and little else, has always had an uneasy relationship with his son. Lauren, his American wife, is determined that the weekend celebration will be a success. Tilia, Linden's blunt older sister, projects an air of false fulfillment. And Linden himself, the youngest, uncomfortable in his own skin, never quite at home no matter where he lives—an American in France and a Frenchman in the U.S.—still fears that, despite his hard-won success as a celebrated photographer, he will always be a disappointment to his parents. Their hidden fears and secrets slowly unravel as the City of Light undergoes a stunning natural disaster, and the Seine bursts its banks and floods the city. All members of the family will have to fight to keep their unity against tragic circumstances. In this profound and intense novel of love and redemption, de Rosnay demonstrates all of her writer's skills both as an incredible storyteller but also as a soul seeker.

**The Day Watch** Sergei Lukyanenko, 2009-06-12 The second installment of the phenomenal Russian quartet *The Night Watch* vampire novels set in a richly realized post-Soviet Moscow. The second book in the internationally bestselling fantasy series, *The Day Watch* begins where *The Night Watch* left off, set in a modern-day Moscow where the 1,000-year-old treaty between Light and Dark maintains its uneasy balance through careful vigilance from the Others. The forces of darkness keep an eye during the day, the *Day Watch*, while the agents of Light monitor the nighttime. Very senior Others called the Inquisitors are the impartial judges insisting on the essential compact. When a very potent artifact is stolen from them, the consequences are dire and drastic for all sides. *The Day Watch* introduces the perspective of the Dark Ones, told in part by a young witch who bolsters her evil power by leeching fear from children's nightmares as a counselor at a girls' summer camp. When she falls in love with a handsome young Light One, the balance is threatened and a death must be avenged. *The Day Watch* is replete with the thrilling action and intricate plotting of the first tale, fuelled by cunning, cruelty, violence, and magic. It is a fast paced, darkly humorous, haunting world that will take root in the shadows of your mind and live there forever.

**Day Watch at Hollywood** Roger F. Kennedy, 2011-03-26 Lieutenant John Luttwak, who appeared in two of the short-form books, now returns to Hollywood station to command his eight-man homicide squad. Detective Jack Stiles is a 38-year-old career cop with a stellar record of service. He's a former college tight end, fast and tough, capable

of body-slamming and cuffing a suspect twice his size. Stiles' partner, Traci Little, a former patrol officer with plenty of street smarts has now advanced to the Homicide squad. She and Stiles are Luttwak's most intuitive detective unit. Secretly, and against Department rules, they are deep into sex. Another detective unit is Dick Cheevers and Ed Chase. Cheevers is black, smart and scary. Backing him up is Chase, white as ice cream, not that either one cares. Irv Miller and partner Kaz Kazurian are opposites in temperament. Miller is contemplative. Kazurian is hot-tempered, a give-no-quarter cop in accordance with his European blood lines. Luttwak and his troops are frustrated by clever, corrupt and merciless killer Victor Krait, straight out of a dime stretch at Terminal Island and looking for revenge. And so it goes in Hollywood, city of the night.

**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**To Watch Over Them Day and Night** Jeffrey Strickland, 2017-04-09 I have been behind enemy lines. Once in a city in the middle of East Germany. Berlin was divided by a wall that to cross meant certain death. Now it is one thing to be behind enemy lines, but to live there is another matter. Working behind enemy lines at least brings the hope of returning to friendly territory or overcoming the enemy completely. But the world we live in, even in America, we are smack dead center of enemy territory and the enemy isn't going anywhere, at least not until the Lord comes back and kicks Lucifer's tail. That's right, when your Christian children are at home, school, daycare, or VBS, they are in enemy territory, belonging to Lucifer. But, Israel was in the same boat, especially after Nehemiah returned to rebuild the destroyed vulnerable city of Jerusalem. And they all plotted together to come and fight against Jerusalem and to cause confusion in it. And we prayed to our God and set a guard as a protection against them day and night. Nehemiah 4:7-9 Now we set a guard.

**Watch for the Longest Day** Mark Nicholls, 2019-04-15 It is December 1948. While their husbands self-sacrificingly remain at work in town, Sarah and her sister-in-law Jennifer spend yet another summer by the sea, watching the children in the deep water and trying to avoid the annual judgement-by-mother-in-law at the hands of the indomitable Alice. Secret relief comes for Jennifer when she meets an older man, Henry, who listens to her and provides an occasional oasis of sanity in the midst of her holiday madness. At the same time, Sarah is determined to put their family back on track by smartening up its image and exposing its atavistic ills to the disinfectant of sunlight and the open air. When Henry is discovered to be at the centre of this family's business, the dynamic daughters-in-law have to stand firm and defy Alice, who guards their tragedy with all the calmness of the self-justified.

**One Day, The End** Rebecca Kai Dotlich, 2020-09-08 Very short, creative stories pair with bold illustrations in this picture book that will inspire young readers to stretch their imaginations and write stories of their own. One day. . . I went to school. I came home. The end, says our storyteller—a girl with a busy imagination and a thirst for adventure. The art tells a fuller tale of calamity on the way to school and an unpredictably happy ending. Each illustration in this inventive picture book captures multiple, unexpected, and funny storylines as the narrator shares her shorter-than-ever stories, ending with One day. . . I wanted to write a book. This book demonstrates a unique approach to writing and telling stories and is a delightful gift for children as well as for teachers seeking a mentor text for their classrooms.
