**The Englishman's Hebrew Concordance of the Old Testament** George V. Wigram,1996 This new edition of the standard work The Englishman's Hebrew Concordance of the Old Testament is an improved and corrected edition that features a new, larger format. Now coded to Strong's, it is invaluable in Bible study for those who do not know Hebrew. A new index of out-of-sequence Strong's numbers allows the reader to quickly and easily locate any word by its Strong's number. The Hebrew and English indexes have been retained.

**Because "It Is Finished"** Professor William P. Mashela,2017-02-07 Because "It Is Finished" by Professor William P. Mashela Because "It Is Finished" You Can Still Be Successful posits that humankind was created for a specific role—to be successful in advancing the agenda of the Kingdom of Heaven—and was blessed in the Kingdom of God to be creative, innovative, and competitive. Despite numerous attempts by Satan to derail the Original Master Plan for the creation of humankind, with the restoration on the CROSS and the declaration "it is finished," humankind can still be successful, if behavioral activities are aligned to the minimum standards of obedience. After creation, humankind was given a series of strategic tools for guidance: First was the Original Equation of Success, which was followed by the Unifying Equation of Success, and then the Restored Equation of Success, which serves as the central theme of this book. Jesus explained in parables the minimum standards of obedience that humankind should embrace in order to be successful, and in Because "It Is Finished" You Can Still Be Successful, Professor Mashela explores these biblical teachings and parables on how we can structure our behavior for genuine success.

**The Psalms of the Tamid Service** Peter Trudinger,2003-12-01 This volume studies the seven psalms that were performed at the fundamental daily ritual of the Jerusalem Temple in the late Second Temple period (Psalms 24, 48, 82, 94, 81, 93, 92). It is the first comprehensive and detailed study of this richly-relevant liturgical

collection. The work centers around a literary poetic analysis of the collection as a whole, focussing on unifying features such as connections between psalms, overall structure, theme and plot. A review of the Tamid service and exegetical studies of each psalm are included. Three innovative sections illustrate the importance of the Tamid Psalms in Second Temple studies; topics include the formation of the Psalter, the structure of liturgical texts, and the performance of Temple worship.
