Open Heavens Ashish Raichur,2021-06-01 The Body of Christ is gaining fresh understanding and insight concerning heavens being opened over people, communities, and geographical regions. It appears that there are certain regions in the world that are “hot spots” for open heavens. This publication is a simple study on what the Scriptures reveal concerning the heavens being opened, what this means and what the outcome would be. We trust that many would be encouraged to pray and create an “open heaven” over their lives, their local churches and their community. We trust that local churches in a region will be inspired to come together in a united effort to pray for an open heaven over their city or region, the reformation of the church and the transformation of that city or region. **Open Heavens** Bill Johnson,2021-09-21 Experience Continuous Revival Historically there have been seasons where God’s presence awakens revival – moving in powerful ways, saving souls, and releasing miracles. We often think of these seasons as isolated, unique outpourings of the Spirit. Is it possible to experience revival every day, as a way of life...

New Apostolic Reformation? R. Douglas Geivett,Holly Pivec,2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little-known New Apostolic Reformation (NAR) movement. As the authors state in the preface: We write this book with two major goals in mind. First, to give people an idea of the sheer size and reach of the NAR movement. And second, to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning . . In our judgment, the NAR perspective crosses these boundaries [that is, certain broad parameters, revealed in Scripture and practiced in the historical orthodox church], and it does so in part because of flawed theology rooted in a flawed understanding of Scripture. We wish to warn readers about a possible confusion: Some critics have linked the NAR movement with mainstream Pentecostalism and charismatics. We do not do this. In fact, it is our contention that the NAR movement deviates from classical Pentecostal and charismatic teachings. This movement has emerged out of independent charismatic churches and, thus, has gained a foothold in many of those churches in varying degrees.

**Open Heavens through Holy Disturbance** DR. D. K. OLUKOYA,2014-07-17 In this book, the author clearly explores what it takes to experience open heavens. The main import of this powerful book is to bring to the fore, the forgotten weapon of holy disturbance. In a brilliant manner the author highlights how notable Bible characters secured open heavens through holy disturbance. He advocates a return to the old-fashioned prayer patterns with which saints of old brought about a revolution.

Open Heavens Vaughn Martin,2020-10-14 A spiritual battle is raging in the nations of the earth, between the forces of light and the forces of darkness. When this battle is won, the light of God which is the revelation of Jesus Christ will fill the earth. The bible clearly describes this war, and the way that this war will be won. The kingdoms of this world will become the kingdom of Our Lord.During the times of the early church, the apostles fought in this war as they wrestled with the rulers of the darkness of their age. The apostles were successful in their battles, and the gospel of Jesus Christ spread through the nations as the revelation of Jesus Christ began to fill the earth. This book will teach you how to walk in the footsteps of the early apostles. You will learn important keys to spiritual victory from the examples of the apostles and from Jesus Himself. You will also learn from contemporary followers of Jesus who are winning great victories over evil spiritual forces.God's servants who have learned how to wage effective spiritual warfare have extremely fruitful ministries today, just as the New Testament apostles did. If you learn the lessons of this book, you too will become very fruitful and effective in your ministry.

**Pursuing Open Heavens** Marc Dupont,2002 Marc Dupont points to many in the Church today who are experiencing holy prophetic frustration - those who are burdened with the weight of revelation regarding God's purposes - and examines the common thread running throughout their prophetic messages. This is a critical book for those who want to know what God is saying to the Church today and are willing to act upon it. OPEN HEAVENS - what does it mean and can it really happen this side of heaven? The term is used many different times in the Bible. It denotes a time, season, or place, in which there is a great freedom for some on earth to experience the fullness of God and His reign more clearly and powerfully. It is a time when either God's favour or wrath is released on the earth - a time for the release of His blessing and/or judgement. But it is always a time of exponential increase on the earth of God's power and purposes. Marc Dupont points to many in the Church today who are experiencing holy prophetic frustration - those who are burdened with the weight of revelation regarding God's purposes - and examines the common thread running throughout their prophetic messages.This is a critical book for those who want to know what God is saying to the Church today and are willing to act upon it.

Under an Open Heaven Johnson, John E. ,2017-02-27 When the gospel of John was written, the world was in turmoil. Jerusalem was collapsing, the empire was eroding, and the church was fighting for its life. The early believers needed a theology to strengthen their souls and steady their nerves--a theology found in this often enigmatic gospel. In our similar times of turbulence, we too need to know that the abundant life under the opened heaven John describes is not just conceivable--it's a promise.

John E. Johnson is determined to reveal the relevance of John's gospel to today's Christian. To do so, he explores various conversations found in its pages and applies them to our modern world. Jesus converses with family, answers the questions of religious leaders, and steps into dialogue with people whose names we never know but whose struggles we can relate to. They aren't always straightforward chats, Johnson readily admits. Yet that is what makes them so beautifully applicable to the messiness of life.

For readers tired of living confined lives, frustrated by failure, or starving in the midst of plenty, the conversations in John tell them life doesn't have to stay small. There is a whole new world made possible under God's open heaven.

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**Third Heaven Extravaganza** Monica Shannon,2021-07-30 Every aspect of my life, I relate to the Bible and all the treasures it has to offer, and I am forever thankful for all of God's many gifts, looking forward to my ultimate inheritance in heaven where the spirits of the saints are living in the

kingdom of heaven. In the final end, when all of God's elect are resurrected and gathered together, spirit and new body, to live eternally in the new heavens and new earth, and Christ has turned over His kingdom to His Father, the Kingdom of God, it will truly be heaven! Until that day, I will continue to live heavenly minded, with the mind of Christ, as I advance the kingdom pursuing God as I rest in His peace and follow His calling on my life. Always remember He created us for his pleasure, and He will lead you to His plan for your life as you love and adore Him through His Word.
