

Orange Et Moi

William Wyndham Grenville Baron Grenville

Agent Orange and Rural Development in Post-war Vietnam Vu Le Thao Chi, 2020-03-04 Vu tells the story of Vietnamese farmers who have survived a 30-year war of independence and unification, its damaging legacies in their living environment, and the unfamiliar pressure of the market economy. Vietnamese farmers are neither simply obedient beneficiaries of policy decisions made by higher authorities nor convention-ridden cyphers. Rather, they are sophisticated decision-makers capable of navigating the changes threatening to disrupt their lives over multiple generations. Vu's research pays particular attention to those farmers whose families have suffered from direct and indirect exposure to the toxic herbicides popularly known as Agent Orange. She demonstrates that their priority has tended to be the protection of their existing assets, rather than pursuing the promise of new riches, and that this tendency has helped them maintain stability in a turbulent economic environment. A fascinating study for scholars of Vietnamese anthropology and society, the book will also be of interest to sociologists and economists with a broader interest in the impact of economic and political change on rural lifestyles.

Gender, Power and Identity in the Early Modern House of Orange-Nassau Susan Broomhall, Jacqueline Van Gent, 2016-08-12 How do gender and power relationships affect the expression of family, House and dynastic identities? The present study explores this question using a case study of the House of Orange-Nassau, whose extensive visual, material and archival sources from both male and female members enable the authors to trace their complex attempts to express, gain and maintain power: in texts, material culture, and spaces, as well as rituals, acts and practices. The book adopts several innovative approaches to the history of the Orange-Nassau family, and to familial and dynastic studies generally. Firstly, the authors analyse in detail a vast body of previously unexplored sources, including correspondence, artwork, architectural, horticultural and textual commissions, ceremonies, practices and individual actions that have, surprisingly, received little attention to date individually, and consider these as the collective practices of a key early modern dynastic family. They investigate new avenues about the meanings and practices of family and dynasty in the early modern period, extending current research that focuses on dominant men to ask how women and subordinate men understood 'family' and 'dynasty', in what respects such notions were shared among members, and how it might have been fractured and fashioned by individual experiences. Adopting a transnational approach to the Nassau family, the authors explore the family's self-presentation across a range of languages, cultures and historiographical traditions, situating their representation of themselves as an influential House within an international context and offering a new vision of power as a gendered concept.

William of Orange and the Revolt of the Netherlands, 1572-84 K.W. Swart, 2017-05-15 The figure of Prince William

of Orange (1572-84) dominates the political landscape of the sixteenth century Netherlands, and in many ways personifies the Dutch revolt against Spanish hegemony. Yet despite the European significance of his struggle, there has not been a major English-language study of William since C.V. Wedgwood's biography published in 1944. As such, scholars will welcome this publication of Koen Swart's distinguished and authoritative biography of the first of the hereditary stadholders of the United Provinces. Originally available only in Dutch, this edition provides an English speaking audience for the first time with a detailed account of William's role in the Dutch Revolt that reflects the vast amount of scholarship undertaken in the field of European political and religious history over the last few decades. In the book, Swart explores the means by which William established his rule in Holland and Zeeland in the 1570s, and provides an analysis of William's relations with the provincial states, the States-General and the towns, and the creation of a new system of government and finance. Within this framework of national history, he is always careful to locate the subject in its broad international context, thus adding to our wider understanding of this turbulent period. Moreover, Swart avoids the uncritical glorification of William evident in some previous works, and asks searching and pertinent questions concerning the wisdom of William's decisions, such as that to break up the pre-1572 unity of the Habsburg Netherlands. In so doing, Swart provides a much more balanced view than has hitherto been available, that not only takes Protestant views into account, but also contemplates the Revolt from the perspective of the Catholic population, and shows sympathy for Charles V's and Philip II's predicament. In so doing, this book provides the most important revision of William for a century, and will undoubtedly have repercussions upon many studying the history of Europe in the age of Reformations. Published posthumously, this book also includes introductory material written by leading scholars H.F.K. van Nierop, M.E.H.N. Mout, J. Israel and A.C. Duke.

Digital Economy. Emerging Technologies and Business Innovation Rim Jallouli, Osmar R. Zaïane, Mohamed Anis Bach Tobji, Rym Srarfi Tabbane, Anton Nijholt, 2017-07-18 This book constitutes the refereed proceedings of the Second International Conference on Digital Economy, ICDEc 2017, held in Sidi Bou Said, Tunisia, in May 2017. The 18 papers presented in this volume were carefully reviewed and selected from 46 submissions. The theme of ICDEc 2017 was "Digital Economy: Emerging Technologies and Business Innovation". The conference offered a number of sessions discussing innovative research focusing on emerging technologies which support the digital transformation of business and the economy: digital marketing, digital economy and e-learning, data science and security, and uncertainty in Web data.

Un Goût d'Orange et autres contes d'amour Ophélie Pemmarty, 2023-05-03 Un jeune homme parti trop tôt qui revient sous la forme d'un ange, des adolescents confrontés à une question en apparence simple, deux êtres malmenés par la vie qui se sauvent l'un l'autre, une vieille dame enfermée dans une maison ensorcelée, une jeune fille qui se

réveille dans le corps d'un garçon, une rencontre du passé qui revient s'écrire au présent... Toutes ces histoires semblent n'avoir aucun point commun, et pourtant... L'amour y est présent, sous toutes ses formes, à tous les âges, de toutes les couleurs... Parce que l'amour est essentiel. Parce que l'amour est éternel.

A History of the Early Part of the Reign of James the Second Charles James Fox,1808

Huguenot Soldiers of William of Orange and the Glorious Revolution of 16 Matthew Glozier,2008-04-10 Provides the analysis of the political, religious and social rationale which underlay Huguenot support for William of Orange in 1688. This book serves as a source of biographical information about hundreds of Huguenot soldiers in British, Dutch and Brandenburg service in the period 1670 to 1700.

Orange Et Moi: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Orange Et Moi : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Orange Et Moi : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya

Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
