Raven's Game Kerry Adrienne,2019-07 When desperation is a way of life, a single chance to change your fate can be irresistible...People say Raven is not a very good fairy--she's well known as the fairy who can't do anything right. In a world where magic wanes as dragons terrorize the countryside, Raven tries everything to help her family make ends meet. With creditors and collectors growing tired of excuses, Raven finds herself presented with an extraordinary opportunity. Winning the high-stakes game with some of the most terrifying creatures in Oriste would allow her to prove herself as competent, solve her money troubles, and possibly even rid her world of the overbearing dragons. Win, and no one will ever call her a failure again. Lose, and her enslavement will be soul-deep and eternal.

Red Ink Julie Mayhew,2016-02-09 A sharp-witted teenager discovers surprising truths after her mother's death in a wry and heartrending novel touching on denial, identity, and family lore. When her mother is knocked

down and killed by a London bus, fifteen-year-old Melon Fouraki is left with no family worth mentioning. Her mother, Maria, never did introduce her to a living, breathing father. The indomitable Auntie Aphrodite, meanwhile, is hundreds of miles away on a farm in Crete, and she is not likely to jump on a plane to come to East Finchley anytime soon. But at least Melon has The Story. The Story is the Fouraki family fairy tale. A story is something. Balanced with tenderness and humor, this time-shifting novel offers a narrator by turns angry and vulnerable, hurt and defiant as she struggles with sudden grief—and the unfolding process of finding out who she really is.

La arquitectura del Renacimiento en Toledo (1541-1631) Fernando Marías, 1983
La Arquitect.del renacimiento en Toledo/F. Marias.-v.2.

Mai de ieri mai de departe... Anamaria Smigelschi, 2015-07-16 „Cititorule, ai în mână o carte în care ieri e încă azi, iar departele e foarte aproape. Ți se face cadou o sursă de bucurie, melancolie și talent.” (Andrei PLEȘU)
Înzestrată cu vocația călătoriei, privirea ageră a artistului plastic și știința potrivirii cuvintelor, Anamaria Smigelschi ne poartă s-o urmărim în lungul și-n latul lumii, din India până-n Mexic și din Suedia până-n Egipt, într-o călătorie ce șerpuiește nu doar prin spațiu, ci și prin timp. Ghid neobosit și entuziast, autoarea se strecoară, cu ușurința celui care se simte pretutindeni ca acasă, prin palate strălucite, bazaruri încărcate de minunății, muzee care-ți taie răsuflarea și catedrale semețe, zugrăvind-ne toate câte le vede când cu vervă și umor, când cu pioasă admirație. Gusturi,

mirosuri, culori, sunete, senzații se amestecă într-o învârtăjită simfonie a simțurilor, nelăsându-ne o clipă de răgaz între două călătorii. Iar undeva, bine tănuită în spatele urzelii narative, ghicim iubirea Anamariei Smigelschi pentru trecut, pentru acel „ieri” din titlu, dinaintea căruia face o reverență: „Nu-mi plac orașele futuriste care cresc din soluri mustind de petrol și dolari, insulele artificiale desenate pe ocean în formă de palmieri și enormele turnuri răsucite în spațiu înfrângând toate legile echilibrului și ale logicii. Trecutul însă mă pasionează, civilizațiile antice, misterioase îmi taie respirația, la fel locurile călcate de oameni vechi, șlefuite cu palma, ridicate cu puterea minții”. Zeița Ganga, din nemărginita-i grație, a turnat apă în capul zeului. Apa s-a scurs printre șuvițele-i răsucite, răcorindu-l. De atunci, indienii cred că baia purificatoare în undele râului îi va izbăvi de chinul reîncarnărilor și drumul lor către Nirvana va fi lin. La Varanasi, orașul sfânt al Indiei, pe seară, 25 de adulți și un tinerel peltic și deosebit de obraznic ne-am cocoțat, doi câte doi, în 13 ricșe deșelate și am pornit într-o goană incredibilă spre Gange. Pe străzi înguste și aglomerate ne-am luptat cu alte sute de ricșe, motociclete, taxiuri bombate ca niște gândaci cu spinarea galbenă din mușama, claxonând în delir, printre mii de indieni tuciurii, negustori ambulanți sau stabili, agitați în fața dughenelor mizerabile cu mărfuri heteroclite, atârinate sub firmele pestrițe, pe un caldarâm plin de hârtoape și cu movile de gunoaie la intersecții. Am coborât pe treptele cheiului cu o spaimă nebună

să nu ne pierdem unii de alții în mulțimea colorată, noroc de un domn general din grup cu un cap mai înalt decât toți ceilalți. Am primit buchețele de flori cu lumânărică de la splendide făpturi înfășurate în sariuri strălucitoare și le-am plătit cu sume variind între 20 și 200 de rupii, în funcție de rezistența noastră la lumina ochilor lunecoși. Cu o dorință în gând ce avea să se împli-nească, le-am dat drumul pe apa deja plină de luminițe plutind printre sutele de bărci cu pelerini și turiști. O puzderie de copii se înghesuiau să ne arate o treaptă primejdioasă sau o groapă, după care își pretindeau recompensa. – India, 2009

The Greeks Have a Word for It Barry Unsworth, 2002-02-17 When two men disembark from the same boat in Greece, their lives accidentally and frighteningly intersect. Kennedy, an opportunist, orchestrates a scam that will have some intended and some thoroughly unintended consequences. For Mitsos, an unresolved family tragedy awakens again, along with his need to avenge his parents' deaths. With utterly convincing characterizations, Barry Unsworth brings us the underbelly of the forge of Western civilization.

When Greeks and Turks Meet Vally Lytra, 2016-02-11 The relationship between the history, culture and peoples of Greece, Turkey and Cyprus is often reduced to an equation which defines one side in opposition to the other. The reality is much more complex and while there have been and remain significant

divisions there are many, and arguably more, areas of overlap, commonality and common interest. This book addresses a gap in the scholarly literature by bringing together specialists from different disciplinary traditions - history, sociology, anthropology, linguistics, literature, ethnomusicology and international relations, so as to examine the relationship between Greeks and Turks, as well as between Greek Cypriots and Turkish Cypriots, since the founding of the Republic of Turkey in 1923. When Greeks and Turks Meet aims to contribute to current critical and comparative approaches to the study of this complex relationship in order to question essentialist representations, stereotypes and dominant myths and understand the context and ideology of events, processes and experience. Starting from this interdisciplinary perspective and taking both diachronic and synchronic approaches, the book offers a fresh coverage of key themes including memory, history and loss; the politics of identity, language and culture; discourses of inclusion and exclusion. Contributors focus on the geographical areas of Greece, Turkey and Cyprus and on the modern historical period (since 1923) up to the present day, offering in some cases an informed perspective that looks towards the future. When Greeks and Turks Meet will be essential reading for students and researchers working on the cross-roads of Greece, Turkey and Cyprus, on South-East Europe and the Middle East more generally. It will also be a valuable resource for students and researchers in inter-cultural communication, cultural and media studies, language and education,

international relations and politics, refugee and migration studies, conflict and post-conflict studies.

Our Neighbours' Sport Beyond the Seas Ronald McGowan, 2018-03-30 Mr Bennet, of Longbourn, records his journey across Europe to visit his daughter Lydia and her husband Wickham in their new home. He also reveals the vital part played by the Bennet family in events which were to redraw the map of the continent.

The Doctor of Thessaly Anne Zouroudi, 2012-12-04 A jilted bride weeps on an empty beach. A local doctor is attacked in an isolated churchyard. Trouble arrives at a bad time to the backwater village of Morfi, just as the community is making headlines with a visit from a high-ranking government minister. Fortunately, where there's trouble, there's Hermes Diaktoros, the mysterious fat man whose tennis shoes are always pristine and whose investigative methods are always unorthodox. Hermes must investigate a brutal crime, thwart the petty machinations of the town's ex-mayor and his cronies, and try to settle the troubled waters of two sisters' relationship. But how can he unravel a mystery that not even the victim wants solved? Set against a radiant Mediterranean backdrop, *THE DOCTOR OF THESSALY* is a spellbinding mystery about the dark consequences of envy.

Yankee Peddler Robert L. Hecker, 2005-06 Her first Foreign Service assignment - on a mission so secret her entire staff consists of one Air

Force missile expert - and it has to be Litanian, a backwater Mediterranean island-nation isolated so long the people haven't even heard of the USA. With grim determination, knowing the fate of the free world is in her hands, Ambassador Elizabeth Sullivan Wexford Adams sets out to sell the Litanians on The American Way. But how does one convince a people to change their ways when they believe everything is perfect? She is succeeding until... Russians... bringing gifts and menace. Suddenly two lonely Americans find themselves engaged in a battle of wits and intrigue, a battle for licentious hearts and bewildered minds.

Polychronicon Ranulphi Higden, Monachi Cestrensis Ranulf Higden, 2012-11-15 This fourteenth-century chronicle, published in nine volumes between 1865 and 1886, is particularly important for its contemporary sections.

Lukewarm Orin Parker, 2005-12-20 In 1951, on the outer lukewarm edges of the Cold War, Stanley Warren becomes a PsyWar operative in the just-organized CIA. He is sent to Greece to organize a Black Radio station, calling for resistance inside communist Bulgaria. His close friend John Preston directs covert missions in Albania. Their adventures and failures teach them what can and cannot win in the U.S./Soviet battle for third-world peoples. And that freedom and democracy can't be imposed. They must be earned and accepted by the citizens of any country. *LUKEWARM* is an adventure novel. Set in the 1950s, it pulls the reader into a time when CIAs primitive covert operations wasted resources and often seriously damaged Americas reputation. The

incidents are now history and LUKEWARM has received clearance from CIA. * * *
Now retired in Oceanside, CA, Orin Parker had an early first career with the CIA. Following that he worked as executive of an educational services organization, serving in the Middle East area for over twenty years. His two earlier novels are centered on the Palestinian problem: BURIAL IN BEIRUT in 1998 and RAJAOUN - WE WILL RETURN in 2000. Both are available at Barnes & Noble, IUniverse.com, and Amazon.com.
