*Ouija Board Nightmares: The Complete Collection* John Harker, Have a Ouija board in your house? Thinking about trying one out? You won't after reading this book. Containing the full editions of Ouija Board Nightmares 1 and 2, this newest compendium offers a sweeping thrill ride through the mysterious and hair-raising world of the Ouija. Real-life encounters with strange and terrible entities drive these tales of unearthly obsession, frightful oppression, and terrifying possession. Though the Ouija board may be marketed as a game, there are no winners in this activity. Only victims. Fans of the paranormal, would-be dabblers in the occult, skeptics as well as believers will find Ouija Board Nightmares: The Complete Collection an entertaining if not cautionary reading experience. The chilling stories told within its pages may confirm your own suspicions, or open your eyes to a dark and dangerous alternate reality. One thing is certain: they will not be soon forgotten. Nightmares rarely are.

**Ouija Board Nightmares** John Harker, 2015-04-01 Think the Ouija board is just a game? Think again. For more than a century, the Ouija board has attracted the attention of a wide variety of people: paranormal thrill-seekers, adventurous adolescents, temperamental teens, tipsy party guests, and even curious skeptics. Most of the time, those who dabble with the Ouija or other spirit boards experience nothing out of the ordinary. But many times that's not the case. And many times that extraordinary experience isn't just strange, but downright terrifying. Ouija Board Nightmares takes a look at some of those terrifying experiences, which range from nightmarish manifestations to actual physical assaults and demonic possession. While part of the author's intention is to inform and engage with these scary accounts, the main objective is to warn. While the Ouija board may be marketed as a harmless game, it is indeed neither. If the accounts in this book don't convince you of that, then nothing will.

**Aleister Crowley and the Ouija Board** J. Edward Cornelius, 2005-11-01 Part fascinating history and part practical manual, this engaging guide takes the position that the Ouija Board is indeed as powerful as its detractors claim, revealing the dark secrets and hidden truths of this curious, enduring "game."

**True Ghost Stories** Zachary Knowles, 2016-04-12 For years, and in countries around the world, supernatural enthusiasts have turned to the Ouija board for their first glimpse of what lies beyond—a dimension where ghosts, spirits, demons, and devils roam free. With such a long and diverse history, it's unsurprising that Ouija has thrown up some interesting experiences. To some, it's just a bit of fun; a spooky parlor game to pass the time with friends. For others, however, the terrifying encounter haunts them for a lifetime; an experience never to be forgotten. These people would instantly erase their experience, if only they could... Haunted Ouija Boards dives into some of the spookiest encounters, giving us a spooky glimpse into the paranormal world—the book is filled with true stories from non-believers, believers, and Spiritualism fanatics, giving you a wide range of sources. Disturbing tales of lingering ghosts, ominous warnings, and implausibly correct predictions for the future are contained within. As we dig deeper, though, the stories become darker—demonic encounters, spirits physically attacking houseguests, and even the Ouija board becoming the motivation for murder. Never underestimate the powerful entities that the Ouija board can connect you with. As well as the compilation of terrifying true tales, Haunted Ouija Boards highlights just how dangerous this simple board game can be, and how to enjoy it safely—if that's even possible. Haunted Ouija Boards will challenge skeptics to become believers. All of this, made possible by one board, with 26 letters, ten numbers, and a few simple words. And a little help from the spirit world, of course.

*The New Black Magic and the Truth about the Ouija-board* John Godfrey Raupert, 1919

**Ouija Board Nightmares 2: More True Tales of Terror** John Harker, The long awaited sequel is here! This all-new volume of true stories takes up where the original Ouija Board Nightmares left off—with even more chilling tales, extraordinary events, and urgent warnings. Containing nearly 60 stories of Ouija board sessions gone terribly wrong, this book offers something for everyone: paranormal enthusiasts, horror fans, thrill seekers, or even concerned parents and friends. From the Table of Contents: Strange Events Menacing Messages Creepy Coincidences Infernal Intruders Fiendish Attacks Oppressions and Obsessions Zozo: The Ouija Board Demon Friends and Fiends on Fire Island A Family's Nightmare - The Story Behind Veronica When the Author of The Exorcist Tried Out a Ouija Board Interest in the occult is at an all-time high, and that means more people than ever are turning to Ouija boards to explore the world beyond this one. The problem is, the Ouija board is a magnet for attracting any and all dwellers of that world—human and demonic—and an invitation to those spirits to cross into the human realm. Can this ever be a good thing? The victims whose stories are told in Ouija Board Nightmares 2, and the experts cited throughout the book, would resoundingly answer no. These accounts are fascinating and provocative, but with them comes a warning: Ouija boards are dangerous and the entities they attract can make your life, and the lives of those around you, a living hell. Read them with your mind open, your eyes clear—and your lights on.

**Light from Beyond** Katherine Mardon Davis, 2016-08-11 From the Preface. IF this story had come to us through the usual channels, we doubt if it would have had more than the attention we give to things we don't want. An Ouija board we always looked upon as something for children to play with. A story over an Ouija board-absurd! In the latter part of February we were spending the evening with some friends. Somehow the talk got around to a recent article by Ella Wheeler Wilcox in *Cosmopolitan*, then to Spiritualism, and finally to Ouija boards. We found that the latter were common in the neighborhood and we borrowed one. The wife of the sculptor to whom the board belonged could work it with more or less success, but for no one in our party would it work until Mrs. X. (Katherine Davis) placed her hands on it. Then it did work and in a most alarming way. It told some things that were most embarrassing to us all, and did not stop at profanity. But it did work and it was not pushed. Could I write a story through you? asked Mrs. X. later on in the evening. Answer: I will give it. Question: When? Answer: Now. And that is how *The Light from Beyond* came to be written. The title, the author's name under which it was to be published, and every word in it were taken over the Ouija board, and no changes nor corrections have been made for that reason, other than such as the board itself instructed. Understand, please, this story was not written in one sitting, but during

the evenings covering a period of about three weeks. A word about Mrs. X. She is young, popular, an excellent wife and a successful mother. In other words, she is a normal, happy, healthy, human being, and she could not have conceived either consciously or, to our belief, subconsciously, the thoughts given to the world in this book. Possibly Sir Oliver Lodge or Conan Doyle, or someone specialized in this sort of thing can explain it. We cannot.
