Big Game Small Budget Duke Damron,2016-08-19 Big game, small budget is a detailed guide on how to identify affordable (and in most cases free) access to quality hunting/fishing adventures! From first-time novices to seasoned experts, this book summarizes the top 5 secrets that reveal how you and your children can have affordable access to the outdoors. These secrets include step-by-step instructions how you can find and acquire incredible outdoor opportunities. Despite the increasing trend in hunting and fishing costs, this book will open your mind to low-cost options and new concepts that ensure you and your family can enjoy the outdoors for years to come, especially on a limited budget! In this first-of-its-kind detailed guide, the author shares the top 5 secrets he has learned over the years by working closely with outfitters and guides. But the book is not just about using guides or outfitters; he also shares success stories for alternative options for accessing discounted outdoor adventures. These techniques have enabled his family and friends tremendous success for pennies on the dollar, and he is now inspired to share these secrets because of the growing belief by many that hunting and fishing has now become unaffordable. This book is filled with stories, internet guidance, pictures, data and actual scripts. It promises to open your mind and share new concepts that will enable anyone the possibility of affordable hunting and fishing adventures, shattering beliefs that it requires a lot of money. The secrets include concepts such as:Hunting with Uncle Sam -I'll talk about how both my daughters harvested their first big game animal at no cost, including a great story of how my 11 year old daughter harvested 6 big game animals in 2 days for free.Be a Five Star Hunting Partner - How it gave me access to hunt over 18,000 acres for no money out of pocket, which included first class turkey and bird hunting.Coupon Hunter - I will share how I saved over \$1000 on a trophy axis hunt while my wife and kids joined me for free.Cancellation Carcasses - How we use this tactic to find discounted deals 17% or more off the typical price, sometimes free, and how my daughter shot a trophy buck for \$48.Ratio Leveraging - I'll share how this technique allowed me to actually get paid to go hunting.Whether it's Father's Day, Christmas or a Birthday, this book pays for itself the first time you use it! The invaluable and unique secrets include stories and detailed instructions, including exact scripts, on how to take advantage of these creative options. Most importantly, the secrets in this book will keep the hope alive for our next generation that hunting and fishing can still be available at a low cost, and in many cases completely free!Each book sold will result in a donation to Parent Project Muscular Dystrophy (PPMD) on behalf of Barrett Damron and all of his close friends. Thank you!

Voices from the Mackenzies Paul Deuling,2017-12-15 Re-live the experiences of the people who traveled to the distant and untouched Mackenzie Mountains of Canada's Northwest Territories. This raw, beautiful land was opened to outfitting in 1965, when intrepid entrepreneurs carried out exploratory hunts by horse and backpack to determine whether the Mackenzies were worth an outfitting investment. Five men initially set out to build their businesses in this remote country, making a living through a lot of hard work and a little bit of luck. Guides, cooks and wranglers contributed to their success in the hunt for Dall sheep, grizzly bears, mountain caribou, mountain goats and moose. Their stories are filled with tales of animal encounters, tragedy and humour. Today, eight outfitters operate in the Mackenzie Mountains as the area remains as remote and beautiful as when the original five outfitters trekked into the area in the 1960's. I hope you enjoy reading Voices From the Mackenzies as much as I enjoyed writing about the folks who made their living in this beautiful country.

Martha's Vineyard Outdoors Nelson Sigelman,2017-12-05 Martha's Vineyard is a well known summer vacation spot. In

this collection of columns, former Martha's Vineyard Times editor Nelson Sigelman describes an island preoccupation, less notorious than tourism but more obsessive, rooted in fishing, hunting and waterfowling traditions that shaped the island's character well before a mechanical shark named Bruce and presidents Bill Clinton and Barack Obama attracted slavish media attention to a 100-square mile speck off the coast of Massachusetts. Martha's Vineyard Outdoors casts a wide net. The pleasures of Nelson Sigelman's distinctive voice held this non-fishing, non-hunting, feminist, tree-hugging pinko spellbound from the first column to the very last, said Island resident and Pulitzer Prize winning author Geraldine Brooks. The setting is Martha's Vineyard but the stories are rooted in the humor and love of the outdoors found in small communities across the country.
