Gambling Disorder Andreas Heinz,Nina Romanczuk-Seiferth,Marc N. Potenza,2019-01-05 This book provides an overview of the state of the art in research on and treatment of gambling disorder. As a behavioral addiction, gambling disorder is of increasing relevance to the field of mental health. Research conducted in the last decade has yielded valuable new insights into the characteristics and etiology of gambling disorder, as well as effective treatment strategies. The different chapters of this book present detailed information on the general concept of addiction as applied to gambling, the clinical characteristics, epidemiology and comorbidities of gambling disorder, as well as typical cognitive distortions found in patients with gambling disorder. In addition, the book includes chapters discussing animal models and the genetic and neurobiological underpinnings of the disorder. Further, it is examining treatment options including pharmacological and psychological intervention methods, as well as innovative new treatment approaches. The book also discusses relevant similarities to and differences with substance-related disorders and other behavioral addictions. Lastly, it examines gambling behavior from a cultural perspective, considers possible prevention strategies and outlines future perspectives in the field.

Overcoming Gambling Addiction Sophie Catacun,2021-06-28 Compulsive gambling, also called gambling disorder, is the uncontrollable urge to keep gambling despite the toll it takes on your life. Gambling means that you're willing to risk something you value in the hope of getting something of even greater value. What is your dream? What would you do if your dream came true? Compulsive gamblers go beyond all that. I know because I am a recovering compulsive gambler. My goal in writing this book goes beyond the story to the fantasy and how it looks over time, both in recovery and as the addict goes down the proverbial rabbit hole.

Gambling Addiction Chip Daggerd,2023-10-03 In the vast landscape of human behavior, some struggles remain hidden, overshadowed by societal norms and misconceptions. One such silent battle is that of gambling addiction—an intricate web that ensnares individuals in its grasp, affecting not only their finances but also their

emotional well-being and relationships. In this book, we embark on a journey to unravel the complexities of gambling addiction, shedding light on the signs that often go unnoticed and exploring the profound impact it has on individuals and those around them. By understanding the nature of this addiction, we aim to provide a compass for those navigating the tumultuous waters of unhealthy betting habits. Our journey begins with a comprehensive exploration of the cycle of gambling addiction, delving into the escalating behaviors and the far-reaching consequences that extend beyond the realm of financial strain. Recognizing the signs becomes paramount, and we delve into behavioral indicators, emotional cues, and the often-overlooked impact on relationships and work. To truly comprehend the depth of gambling addiction, we explore the intricate psychology behind it. From the neurochemical dance of dopamine in the brain to the allure of escapism and coping mechanisms, we aim to paint a vivid picture of the forces at play.

Understand and Overcome Gambling Addiction Trung Nguyen, 2016-04-29 This book provides you with the knowledge needed to overcome gambling addiction, which is the "most insidious and baffling" disease according to Gamblers Anonymous. The book draws on the author's 20 years of gambling addiction, the trials and tribulations of users from a self-help community started in 2003 (GamblingHelper.com), and the latest scientific findings. The book discusses the symptoms, triggers, and causes of gambling addiction from the perspectives of biology, psychology, environment, economics, and spirituality. The book includes solutions to overcome the disease based on the most current research. The Gamblers Anonymous program was founded in 1957 and is based on Alcoholics Anonymous, which was founded in 1935. New and important findings on compulsive gambling have been found since that time. This book discusses these new findings. Gambling addiction can be overcome and this book shows you how.
