How to Conceive a Girl : Fertility Guide to Having a Girl Dana

Tebow,2012-12-01 Dana's book is not your average 'how to' guide. It is a detailed description of how you can finally conceive the baby girl you have always dreamed of having. But of course you may all be skeptical about the source of her advice. But I can assure you, that this book has been the result of many hours of careful research on various topics related to this issue. This is especially because she too is desirous of raising a little girl or two of her own. Her book begins with the information you need and starts explaining a few methods that have been recommended to conceive a baby girl. She even includes a few of the sexual positions that have been linked to conceiving baby girls. The ovulation calculator method is even explained and I have heard many agree that this can be used to help couples conceive baby girls as well. You should not have many questions after reading this book. I urge you to make good use of this advice. There is really no better option to learn about this topic.

How to Conceive a Boy : Complete Guide on Getting Pregnant with a Boy Naturally Jasmine Ingram, 2012-12-01 Jasmine's book could just very well be the answer to your many prayers. That is if you have been dreaming of having a boy as well. It provides the most detailed description about what you need to do to conceive a boy. Do not be fooled by another scam. There is no magical pill you can take or any potion you can drink to ensure you have a boy. Conceiving a boy takes a lot of careful planning and timing, which is exactly why Jasmine has prepared this book. She explains how you can make use of natural methods to have your baby boy or even how an ovulation calculator can help as well. You also have the option of even making use of the time tested Shettles method to have your baby. Do not sit and wait for a miracle. You need to put measures in place right now to ensure you have your baby. So please do not make this perfectly good opportunity to have your baby boy pass you by. I think the time to take action is right now and with a little advice from Jasmine, I am sure you will know exactly what to do when you're ready to have your baby boy.
