How to Conceive a Girl : Fertility Guide to Having a Girl Dana Tebow,2012-12-01 Dana's book is not your average 'how to' guide. It is a detailed description of how you can finally conceive the baby girl you have always dreamed of having. But of course you may all be skeptical about the source of her advice. But I can assure you, that this book has been the result of many hours of careful research on various topics related to this issue. This is especially because she too is desirous of raising a little girl or two of her own. Her book begins with the information you need and starts explaining a few methods that have been recommended to conceive a baby girl. She even includes a few of the sexual positions that have been linked to conceiving baby girls. The ovulation calculator method is even explained and I have heard many agree that this can be used to help couples conceive baby girls as well. You should not have many questions after reading this book. I urge you to make good use of this advice. There is really no better option to learn about this topic. The Baby in the Window Alretha Thomas,2015-08-03 A magna cum laude graduate of UCLA, Cassandra Harte never took a test she couldn't ace. So when her home pregnancy test comes back negative, she's certain the kit's defective. Failure has never been an option for Cassandra. She has a well-established career, a handsome husband (Nick), and a lovely home. But there's one thing Cassandra desperately wants that she doesn't have: A baby. After trying for months to get pregnant without success, she starts to wonder if she's finally met a challenge she cannot conquer. Determined to conceive, she creates an ovulation calendar so she can seize that perfect 24-hour window. When that fails, she sends up fervent prayers. But it soon becomes apparent that her inability to become pregnant has nothing to do with timing or faith, and everything to do with Renee, her diabolical, thirteen-year-old stepdaughter.
