Oxford Dictionary of Word Origins Julia Cresswell,2010-09-09 Contains alphabetically arranged entries that explore the origin, evolution, and social history of over three thousand English language words.

Concise Oxford English Dictionary Angus Stevenson,Maurice Waite,2011-08-18 Offers definitions for English words and phrases, along with observations about the evolution of the dictionary since its first edition and tables that contain information for such topics as countries and chemical elements.

The Concise Oxford Dictionary of Current English Henry Watson Fowler,Della Thompson,Francis George Fowler,1995 This new edition of Oxford's flagship single-volume dictionary brings you the results of the latest research into the real English of today. Oxford is lead partner in the British National Corpus, a massive and constantly expanding hundred-million-word database which allows dictionary editors to sample today's language - newspapers, magazines, books, advertisements, even transcripts of spoken English. With thousands of occurrences of each common word available for instant analysis, lexicographers are able to track the latest trends in, for instance, spelling and hyphenation or disputed usages, with greater accuracy than ever before. This rolling, constantly updated 'opinion poll of language' combined with Oxford's unparalleled world reading programme (we spend more on language research than any other dictionary publisher in the world), ensures that COD9 is the up-to-date reference for today's English.

The Oxford Desk Dictionary and Thesaurus Elizabeth Jewell,2002 Integrates a dictionary and thesaurus in one volume by combining meanings and related words in one entry.

Words of the World Sarah Ogilvie,2013 Demonstrates that the Oxford English Dictionary is an international product in both its content and its making.

The Concise Oxford Dictionary Judy Pearsall,1999 In its tenth edition, the world's most popular dictionary has undergone a most thorough revision. More than 200,000 clear, concise entries define a vast array of ideas and words with highlighted usage notes and maps.

The Oxford Dictionary of English Grammar Sylvia Chalker,E. S. C. Weiner,1998 English grammar has changed a great deal since the beginning of the Twentieth Century, and it is a subject that can provide a complex minefield of uncertainties within the language. This accessible and comprehensive dictionary comes to the aid of both the general reader and the student or teacher, offering straightforward and immediate A-Z access to 1,000 grammatical terms and their meanings. All the currently accepted terms of grammar are included, as well as older, traditional names, controversial new coinages, and items from the study of other languages. Concise definitions of the wider subject of linguistics, including phonetics and transformational grammar, are accompanied by examples of language in use, and frequent quotations from existing works on grammar.

The Concise Oxford Dictionary H. W. Fowler,F. G. Fowler,2011-08-18 Facsimile reprint of the 1911 First edition.

The Oxford Dictionary of Difficult Words Archie Hobson,2004 Features more than 10,000 entries that focus exclusively on words that, while outside most people's working vocabulary, are often encountered in literature, in technical writings such as computing or medical terminology, and in such diverse subject areas as law, philosophy, and art. Special attention is given to easily confused or closely related words. Usage notes are provided to ensure that readers know how to integrate these words into their vocabularies for more precision and power in speech and writing.--Back cover.

The Oxford Dictionary of Quotations Elizabeth M. Knowles,1999 This major new edition of The Oxford Dictionary of Quotations offers the broadest and most up-to-date coverage of quotations available today. Now with 20,000 quotations arranged by author, this is Oxford's largest quotations dictionary ever. As well as quotations from traditional sources, and with improved coverage of world religions and classical Greek and Latin literature, this foremost dictionary of quotations now covers areas such as proverbs and nursery rhymes. For the first time there are special sections for Advertising Slogans, Epitaphs, Film Lines, and Misquotations, which bring together topical and related quotes, and allow you to browse through the best quotations on a given subject. In this new fifth edition there is enhanced accessibility with a new thematic index to help you find the best quotes on a chosen subject, more in-depth details of the earliest traceable source, an extensive keyword index, and biographical cross-references, so you will easily be able to find quotations for all occasions, and identify who said what, where, and when.

Oxford Dictionary of Word Origins Julia Cresswell,2021-07-22 Newly updated to incorporate recent additions to the English language, the Oxford Dictionary of Word Origins provides a fascinating exploration of the origins and development of over 3,000 words in the English language. Drawing on Oxford's unrivalled dictionary research programme and language monitoring it brings to light the intriguing and often unusual stories of some of our most used words and phrases. The A-Z entries include the first known use of the term along with examples, related lexes, and expressions which uncover the etymological composition of each word. Also featured are 22 special panels that give overviews of broad topic areas, 5 of which are completely new and that variously cover words from Oceania, word blends, eponyms, and acronyms. New findings in the OED since the previous edition have also been added, including emoji, mansplain, meeples, meme, and spam. An absorbing resource for language students and enthusiasts, but also an intriguing read for any person interested in the development of the English language, and of language development in general. It also includes an extended introduction on the history of the English language.

The Concise Oxford Dictionary of Current English Henry Watson Fowler,Francis George Fowler,1917

Pocket Oxford English Dictionary Catherine Soanes,Henry Watson Fowler,2002 This is a reissue of the ninth edition of the world's longest-established and best-selling pocket English dictionary. It is one of the new generation Oxford dictionaries derived from the database of the highly-acclaimed New Oxford Dictionary of English and is particularly user friendly with its elegant open design, with different elements starting on new lines. It offers excellent coverage of English as an international language, the defining style is straightforward and non-technical, and thousands of examples illustrate idiomatic usage. All irregular noun, verb, and adjectival inflections are spelled out in full, while guidance on grammar and good usage is provided by in-text notes. Additional features include Wordbuilder boxes giving information on related words and thematic

tables on subjects such as countries, chemical elements, and nationalities. This title replacesISBN: 0-19-861334-2.

The Oxford Dictionary of Proverbs Jennifer Speake,John Simpson,2015 First published as The concise Oxford dictionary of proverbs, edited by John Simpson, 1982--Title page verso.

The Meaning of Everything Simon Winchester,2004 Traces the history of the Oxford English Dictionary from its earliest inception through its long path to completion, describes the process of creating a dictionary, and includes anecdotes about its creators and their work.

The Pocket Oxford Dictionary of Current English. Della Thompson,2000 This reissue marks the 75th anniversary of publication of the Pocket Oxford Dictionary - the world's longest-established and best-selling pocket dictionary. It is also the most practical and user-friendly pocket dictionary available. With over 140,000 words, phrases, and definitions explained in modern English, together with helpful labelling of informal and slang terms, it should be the first choice for everyday reference use in schools, offices and the home. Etymologies are presented simply, providing interesting information on the origins of thousands of words. Boxes with illustrative examples provide guidance on difficult aspects of English usage, with further guidance given in the Better English Guide which includes many useful tips from Oxfords English language specialists.

The Concise Oxford Dictionary of Linguistics P. H. Matthews,2014-03 This authoritative dictionary provides coverage across the field of linguistics, both the theoretical and the practical. In over 3,250 entries it clearly defines terms relating to phonetics, grammar, semantics, languages (spoken and written), dialects, and sociolinguistics.
