Oh, To Be a Painter! Virginia Woolf, 2021-11-30 Virginia Woolf's collection of writings on visual arts offer a whole new perspective on the revolutionary author. Despite wide interest in Woolf's writings, and in the artists and art critics in her Bloomsbury Group circle, there is no accessible edition or selection of essays dedicated to her writings on art. This newest edition in David Zwirner Books's ekphrasis series collects her longest essay on painting, "Walter Sickert: A Conversation" (1934), alongside shorter essays and reviews, including "Pictures" (1925), and "Pictures and Portraits" (1920). These formally inventive texts reveal the centrality of the visual arts to Woolf's writing and vision. They show her engaging with contemporary debates about modern art and are innovative in their treatment of ideas about color and form, including in response to the work of her sister, the painter Vanessa Bell, who designed many of her book cover jackets. In these essays and reviews, Woolf illuminates the complex and interdependent relationship between the artist and society, and reveals her own shifting perspectives during decades of social and political change. She also provides sharp and astute commentary on specific works of art and on the relationship between art and writing. An introduction by Claudia Tobin situates the essays within their cultural contexts.

**The Painter** Peter Heller, 2015-03-03 NATIONAL BESTSELLER • From the national bestselling author of *The Dog Stars* comes a carefully composed story about one man's downward turning life in the American West" (The Boston Globe). Now he lives a quiet life ... until the day that he comes across a hunting guide beating a small horse, and a brutal act of new violence rips his quiet life right open. The Sign Painter Allen Say, 2000-10-30 In his Caldecott acceptance speech for *GRANDFATHER'S JOURNEY*, Allen Say told of his difficulty in separating his dreams from reality. For him this separation was not as important as finding a meaning behind the contradictions and choices we all must make in life and their consequences. Early one morning a boy comes into town, hungry, and looking for work. He meets a sign painter who takes him on as a helper. The boy yearns to be a painter. The man offers him security. The two are commissioned to paint a series of billboards in the desert. Each billboard has one word, Arrowstar. They do not know its meaning. As they are about to paint the last sign, the boy looks up and sees in the distance a magnificent structure. Is it real? They go to find out.

Through a simple text and extraordinary paintings, the reader learns of the temptation of safe choices and the uncertainties of following a personal dream. Here Allen Say tells a haunting and provocative story of dreams and choices for readers of all ages.

**Sign Painters** Faythe Levine, Sam Macon, 2013-07-02 There was a time, as recently as the 1980s, when storefronts, murals, banners, barn signs, billboards, and even street signs were all hand-lettered with brush and paint. But, like many skilled trades, the sign industry has been overrun by the techno-fueled promise of quicker and cheaper. The resulting proliferation of computer-designed, die-cut vinyl lettering and inkjet printers has ushered a creeping sameness into our visual landscape. Fortunately, there is a growing trend to seek out traditional sign painters and a renaissance in the trade. In 2010 filmmakers Faythe Levine, coauthor of *Handmade Nation*, and Sam Macon began documenting these dedicated practitioners, their time-honored methods, and their appreciation for quality and craftsmanship. *Sign Painters*, the first anecdotal history of the craft, features stories and photographs of more than two dozen sign painters working in cities throughout the United States. With a foreword by legendary artist (and former sign painter) Ed Ruscha, this vibrant book profiles sign painters young and old, from the new vanguard working solo to collaborative shops such as San Francisco's New Bohemia Signs and New York's Colossal Media's Sky High Murals.

**The Dog Stars** Peter Heller, 2013-05-07 NATIONAL BESTSELLER • From the author of *The River*: In this end-of-the-world novel more like a rapturous beginning (San Francisco Chronicle), Hig somehow survived the flu pandemic that killed everyone he knows. His gripping story is an ode to friendship between two men...the strong bond between a human and a dog, and a reminder of what is worth living for (Minneapolis Star-Tribune). Hig's wife is gone, his friends are dead, and he lives in the hangar of a small abandoned airport with his dog, Jasper, and a mercurial, gun-toting misanthrope named Bangley. But when a random transmission beams through the radio of his 1956 Cessna, the voice ignites a hope deep inside him that a better life exists outside their tightly controlled perimeter. Risking everything, he flies past his point of no return and follows its static-broken trail, only to find something that is both better and worse than anything he could ever hope for.

But when a What are you wearing? text from a random wrong number turns into the hottest, most entertaining—albeit anonymous—relationship of her life, she thinks things might be on the upswing.... Colin Beck has always considered Olivia his best friend's annoying little sister, but when she moves in with them after one of her worst runs of luck, he realizes she's turned into an altogether different and sexier distraction. He's sure he can keep his distance, until the moment he discovers she's the irresistible Miss Misdial he's been sort of sexting for weeks—and now he has to decide whether to turn the heat up or ghost her before things get messy.

**Jules Breton, Painter of Peasant Life** Annette Bourrut Lacouture, Jules Breton, 2002-01-01 Jules Breton (1827-1906), known as one of the first 'peasant painters', created beautiful scenes of rural French life and was a highly popular figure among the Salon artists of his era. Taking his inspiration from his native Artois and from the landscapes of Brittany, where he stayed for long periods, he painted peasant women and men performing their daily activities, meticulously observing their world and making it a place of peace and harmony. During the second half of the nineteenth century, rewards and official decorations were heaped upon him, and his paintings were purchased not only by the emperor but also by collectors in America, Britain and Ireland. However, Breton's work became eclipsed by the avant-garde movements of the twentieth century, and he was eventually forgotten. This book now pays Breton the tribute that he deserves. It traces the development of his career and the forces that influenced him from his childhood through his early training in Belgium and Paris to his years in Brittany. The book presents and discusses a number of important paintings by Breton, some of which have been almost unknown until now, and it shows how they reflect the artist's social and humanitarian concerns as well as his painterly abilities.

**Landscape Painting Inside and Out** Kevin Macpherson, 2006-10-06 Paint with passion, purpose and pleasure What do you want your landscape painting to say about this place, this moment? How do you use the visual vocabulary - line, shape, value, color, edges - to say it? With this book, your conversation with nature will direct your brush. With an exhilarating, synergistic combination of indoor and outdoor painting, Kevin Macpherson shows you how to create personal, poetic landscapes that capture the feeling of being there. Learn how to: • Use a limited palette in a way that is more liberating than limiting • Experience nature to the fullest and capture its vibrancy back in the studio through photos, sketches and outdoor studies • Cope with the fleeting qualities of atmosphere and light by establishing a value plan early and sticking with it • Incorporate impressionistic touches of broken color to give your landscape a depth and vibrancy that enhances its realism • Approach painting as a layering and corrective process that encourages non-formulaic solutions Stimulating warm-up exercises in the studio prepare you for your adventures outside, while eight step-by-step demonstrations show you how to put these methods into action. Throughout, Macpherson's own light-filled landscapes illustrate the power of these techniques. Full of fresh air and fresh art, Landscape Painting Inside and Out will guide and encourage beginners while challenging more accomplished artists to bring greater vitality and a more natural, less formulaic finish to their paintings.

Liu Ye: The Book Paintings Liu Ye, 2021-09-07 Chinese artist Liu Ye's subtle, colorful canvases convey his love of literature in the artist's first publication solely dedicated to his paintings of books. Beijing-based artist Liu Ye is known for his precise, deftly rendered representational paintings. Reminiscent of cartoons and illustrations in children's books, they include references to abstract artists such as Piet Mondrian. In this new publication devoted exclusively to his Book Paintings, the artist examines the book as both a physical object and cultural totem. He simultaneously stresses the geometry in the composition while always imbuing his paintings with his uniquely recognizable style. The result is a body of work that feels both alien and familiar. Liu's Book Painting series, begun in 2013, depicts closeup views of books that are turned open to reveal empty pages, a strategy that emphasizes the object's formal qualities over its content. Intimately scaled, these paintings indicate an appreciation of the book as an object, as well as a love of literature—Liu's father was a children's book author who introduced him to Western writers at a young age, fueling his curiosity and imagination. Published on the occasion of a solo exhibition presented at David Zwirner, New York, in 2020, this catalogue includes new writing by the acclaimed poet Zhu Zhu and an interview with the artist by Hans Ulrich Obrist.

**First Painter** Kathryn Lasky, 2000 Following the death of her mother, Mishoo the new shaman, must find a way to help her prehistoric tribe during a drought. A powerful, eerily beautiful book about self-expression and who the first painter might have been. Full-color illustrations.

Ramblings of a Wannabe Painter Paul Gauguin, 2016-11-22 "Criticism is our censorship . . ." So begins one of the greatest invectives against criticism ever written by an artist. Paul Gauguin wrote "Racontars de rapin" only months before he died in 1903, but the essay remained unpublished until 1951. Through discussions of numerous artists, both his contemporaries and predecessors, Gauguin unpacks what he viewed as the mistakes and misjudgments behind much of art criticism, revealing not only how wrong critics' interpretations have been, but also what it would mean to approach art properly—to really look. Long out of print, this new translation by Donatien Grau includes an introduction that situates the essay within Gauguin's written oeuvre, as well as explanatory notes. This text sheds light on Gauguin's conception of art—widely considered a predecessor to Duchamp—and engages with many issues still relevant today: history, novelty, criticism, and the market. His voice feels as fresh, lively, sharp in English now as it did in French over one hundred years ago. Through Gauguin's final piece of writing, we see the artist in the

full throes of passion—for his work, for his art, for the art of others, and against anyone who would stand in his way. As the inaugural publication in David Zwirner Books’s new ekphrasis reader series, *Ramblings of a Wannabe Painter* sets a perfect tone for the books to come. Poised between writing, art, and criticism, Gauguin brings together many different worlds, all of which should have a seat at the table during any meaningful discussion of art. With the express hope of encouraging open exchange between the world of writing and that of the visual arts, David Zwirner Books is proud to present this new edition of a lost masterpiece.

**The People's Painter** Cynthia Levinson, 2021-04-20 A lyrically told, exquisitely illustrated biography of influential Jewish artist and activist Ben Shahn “The first thing I can remember,” Ben said, “I drew.” As an observant child growing up in Lithuania, Ben Shahn yearns to draw everything he sees—and, after seeing his father banished by the Czar for demanding workers’ rights, he develops a keen sense of justice, too. So when Ben and the rest of his family make their way to America, Ben brings both his sharp artistic eye and his desire to fight for what’s right. As he grows, he speaks for justice through his art—by disarming classmates who bully him because he’s Jewish, by defying his teachers’ insistence that he paint beautiful landscapes rather than true stories, by urging the US government to pass Depression-era laws to help people find food and jobs. In this moving and timely portrait, award-winning author Cynthia Levinson and illustrator Evan Turk honor an artist, immigrant, and activist whose work still resonates today: a true painter for the people.
