CASTLE OLDSKULL Gaming Supplement Oldskull Anti-Paladins

Kent David Kelly, 2021-10-03 Beyond mortal comprehension, Beyond redemption, Some insidious fiends Just want to watch the world burn ... Ofttimes controversial, always vexing, but never boring, the ANTI-PALADIN is a specialized chaotic evil fighter sub-class which represents an irrepressible remnant order of the unholy black knights of yore. Whereas paladins represent ultimate light and the might of purity, anti-paladins are the harbingers of abyssal darkness, despair, and overpowering evil. Anti-paladins were introduced to the game in 1980 and were even briefly made official by accident (via the 1981 fiendish bestiary) before being relegated to oblivion. They only ever returned in a sanitized form as the diluted Blackguard. But for those who want to include and glorify the original iconic class as first presented in a Draconian magazine almost 30 years ago, this supplement - likely the most detailed treatment of anti-paladins ever created - should be received with delectation. The class has been reimagined and fully expanded upon within the context of the World of Oldskull campaign (as featured in the Oldskull Adventure Generator and other tomes), with elaborations pertaining to demonic worship, the enigmatic Knights of Saigoth, and the Great Old Ones who represent the Cthulhu Mythos. Systems featured in this old school gaming supplement include: a history and literary justification of the class (using Lord Mordred as a primary exemplar, among others), an overview of the Arthurian Knights Perilous, demonic empowerment and vigil systems, level titles, weaknesses, powers, spell casting rules, and ruling clarifications (based for example on a contemplated inversion of official Sagely paladin rulings made throughout the years). Lacking in lechery or gore yet replete with sinister gothic atmosphere, the reimagined Oldskull Anti-Paladin is a perfect villainous archetype rendered for your enjoyment as a Non-Player Character, or even as a PC option pending Game Master approval. However you decide

to play them, I can assure you that your players will never forget these terrible nemeses. Why not give your most skilled and daring players a challenge, and a nefarious villain they'll love to hate? Another fine gaming supplement from Kent David Kelly and Wonderland Imprints, Only the Finest Works of Fantasy.

Castle Rescue Daniel R Stevenson, 2019-07-06 In this adventure the Paladins, thrown together and victorious in their recent efforts are on the run. They sail across the world aboard the Betty and are asked to store the bowl in cold Storage in Eastern Europe. With growing fears of another approaching Moment the paladins must risk everything to free the cold storage and overcome the cult again. This installment includes adventures played at Gen Con 2018 in Indianapolis and Board Game Day 2018 in Toledo. The book is written as journal excerpts of the actual characters played in these events. Thanks to the input by the players here comes another entertaining Climax of Painful Secrets story.

Paladin of Souls Lois McMaster Bujold, 2009-10-13 One of the most honored authors in the field of fantasy and science fiction, Lois McMaster Bujold transports us once more to a dark and troubled land and embroils us in a desperate struggle to preserve the endangered souls of a realm. Three years have passed since the widowed Dowager Royina Ista found release from the curse of madness that kept her imprisoned in her family's castle of Valenda. Her newfound freedom is costly, bittersweet with memories, regrets, and guilty secrets -- for she knows the truth of what brought her land to the brink of destruction. And now the road -- escape -- beckons. . . . A simple pilgrimage, perhaps. Quite fitting for the Dowager Royina of all Chalion. Yet something else is free, too -- something beyond deadly. To the north lies the vital border fortress of Porifors. Memories linger there as well, of wars and invasions and the mighty Golden General of Jokona. And someone, something, watches from across that border -- humans,

demons, gods. Ista thinks her little party of pilgrims wanders at will. But whose? When Ista's retinue is unexpectedly set upon not long into its travels, a mysterious ally appears -- a warrior nobleman who fights like a berserker. The temporary safety of her enigmatic champion's castle cannot ease Ista's mounting dread, however, when she finds his dark secrets are entangled with hers in a net of the gods' own weaving. In her dreams the threads are already drawing her to unforeseen chances, fateful meetings, fearsome choices. What the inscrutable gods commanded of her in the past brought her land to the brink of devastation. Now, once again, they have chosen Ista as their instrument. And again, for good or for ill, she must comply.

I don't care if you have to steal Junior's lunch money -- buy this book! THE CURSE OF CHALION is Lois McMaster Bujold at the very top of her form, which says a great deal indeed. She proves she's at least as good at writing fantasy as she is at science fiction: among the best in the business, in other words. Here she's created a fascinating world full of interesting people, all of whom feel real and convincing. And, in meeting Cazaril, her hero, even Miles Vorkosigan might acknowledge there are some problems he's been lucky enough never, ever to imagine. - Harry Turtledove author of THE GUNS OF THE SOUTH and TWO FRONTS In here are magic and mystery, prophecy and peril, treachery and treason. In here is a splendid tale marvelously told. In here is writing as good as it gets. - Dennis McKiernan, author of AT THE EDGE OF THE FOREST and The Mithgar series A finely balanced mixture of adventure, swordplay, court intrigue, romance, magic, and religion makes this book a delightful read. - School Library Journal

Compelling characters and richly detailed world building make this a strong addition to fantasy collections. - Library Journal "Bujold continues to prove what marvels genius can create out of basic space operatics." - Library Journal "Bujold is not just a master of plot, she is a master of emotion." - SF Site "Bujold is one of the best writers of SF adventure to come along in years." - Locus Magazine "A superb craftsman and stylist, Ms. Bujold is well on her way to becoming one of the great voices of speculative fiction." - Rave Reviews Boy, can she write! - Anne McCaffrey "Bujold has a gift, nearly unique in science fiction, for the comedy of manners." - Chicago Sun Times Bujold's work remains among the most enjoyable and rewarding in contemporary SF. - Publishers Weekly Bujold is also head and shoulders above the ruck of current fantasists as well as science-fictionists. - Booklist
