A Palm Beach Wife Susannah Marren,2019-04-09 For readers of Elin Hilderbrand, Susannah Marren's A Palm Beach Wife is a delicious and irresistible commercial novel set among the high society galas and gossip of Palm Beach. Amid the glamour and galas and parties of Palm Beach, Faith knows that image often counts as much if not more than reality. She glides effortlessly among the highest of the high society so perfectly that you would never suspect she wasn't born to this. But it wasn't always so; though she hides it well, Faith has fought hard for the wonderful life she has, for her loving, successful husband, for her daughter's future. In this town of secrets and gossip and rumors, Faith has kept a desperate grip on everything she holds so dear, built from so little. And yet even she—the only one who knows just how far she has to fall—never suspects from which direction, or how many directions all at once, betrayal will come.

Vacation Mode Activated Roy Wyatt,2021-03-25 ♦55% Off For BookStores! NOW at \$ 29.95 instead of \$ 41.95! ♦ Do you want a passionate and mysterious tale? Then Vacation Mode Activated is for you. This book is about me and my relation with aunt Elizabeth in Florida keys. My aunt is Elizabeth, the woman with the most beautiful smile that I've ever seen. One day, when I was spending my vacation with her, she asked me to do her a favor. What ensures is a tale of mystery, a tale that shouldn't have been told; a tale that I wasn't even aware of until she asked me to do her the favor that I'm about to tell you about. As you perhaps have guessed already, but I am getting rather old myself and I haven't much time left. She told me that she was getting old and it was about time to tell everyone about her past life -- her dark past. She had called me and asked me a favor because it's not always that you can talk to your loved ones about dark secrets that you have kept as treasures in your pocket for years and years, so that you can enjoy her company every time you remember them. I remember that I was 9 years old the first time I went to Florida. My mother, her younger sister, had taken me there. My mother and Elizabeth were very close once upon a time; Elizabeth had made sure of it. At the time, she was only a few years younger than my mother, but I wanted to call her aunt just to feel her position in my family. This book explores the complex relationship between the aunt and me. Sometimes I can't even tell if she's a real person or not. Anyway, I loved every moment with her. It's because this book describes every story that I had with her . As soon as I asked her what the favor is I want to do, her eyes filled with happiness, like she is too excited. It's all because she knows this favor is unbelievable. And after a while, I noticed how excited she is. I think I'm the one with the most beautiful smile. I'm sure you're curious about what the favor is. Things that this book explores. But, this is a book that I'm writing, and you should read it knowing everything about it. In my eyes, she's not the messy and rough man that I've first thought she is. In fact she is a very concerned woman and mischievous woman and is deeply in love with me. The book will answer all your questions about aunt. Not only is she a beautiful woman, who can make me laugh, she is also an amazing aunt. Elizabeth is my most loved aunt. This is the full text of the story. We hope you enjoy reading it. If you get the chance please say thanks to the author. We must be honest; you are looking at a very long story and you will need to be very patient with it. You might even be tempted to use your time machine to visit the characters at any point in time. If you are considering using it just put it down and read the story. So I guess you should buy and read this book. Ready to get started? ♦Buy it NOW and let your customers get addicted to this amazing book♦

A Palm Beach Scandal Susannah Marren,2020-09-15 An engrossing novel...a perfect example of doing the wrong thing for all of the right reasons. - The Authors Show From Susannah Marren, author of A Palm Beach Wife, comes her next book set in the exclusive, glamorous world of Palm Beach. Marren follows two sisters as one offers the ultimate selfless act to the other, proving the very meaning of family, in this novel of artifice and intrigue. Veronica and Simon Cutler and their dazzling adult daughters, Elodie and Aubrey, strike an enviable pose, the ultimate Palm Beach family. In a town where social aspirations, wealth and charm prevail, they are transcendent. While the sisters are polar opposites, they are fiercely loyal to each other. When Elodie receives the shocking news that she is no longer able to conceive a baby, she turns to Aubrey. Aubrey, a free spirit, isn't interested in marriage or children, yet when her sister asks her to carry her child, she can't say no, despite her mother's warnings. And then one stupefying secret, meant to be buried forever, is unearthed and no one in the Cutler clan is able to turn back. As the family is shaken to their core, Aubrey and Elodie must realize their places in the world and the lives they want to lead. In the midst of the unforgiving opulence of Palm Beach, A Palm Beach Scandal is a story for our times, a captivating tale of discovery, sisterhood, and love for others where you least expect it. A great novel which explores some great themes: family, loyalty, what we will do for each other and what is right to ask of each other. - The Girly Book Club
