Collections Poetry Yuri T. Sura,2021-06-30 Yuri Sura draws from life experiences in his series of 14 poems. This includes his first publication in poetry, Bay and King, which follows a narrative of the seemingly clandestine experience at the intersection, in the city of Toronto. Over the years, Yuri has spent time writing, painting, sculpting, owning a private architecture business and teaching as a professor of Architectural Technology. All while having his loving wife and two children. Yuri Sura holds a Bachelor of Architecture from the University of Toronto as well as a Bachelor of Arts in English Literature from the University of Toronto. Yuri Sura is an associate of the Ontario College of Art where he received his diploma in painting. He is also a member of the Ontario Association of Architects and a Member of Royal Architectural Institute of Canada. Original paintings by Yuri Sura, draw out impressionism and symbolism, tied to his work in sculpting, and writing as well as architecture. Together this forms the notion of purity in geometric form, paralleling the purity of life experiences as they are unfolding in that moment. Together the reader will be held through this encapsulating narrative.

*Ashes of Foreverland* Tony Bertauski,2017 Tyler Ballard was in prison when his son created a dreamworld called Foreverland, a place so boundless and spellbinding that no one ever wanted to leave. Or did. Now his son is dead, his wife is comatose and Tyler is still imprisoned. But he planned it that way. The final piece of his vision falls into place when Alessandra Diosa investigates the crimes of Foreverland. Tyler will use her to create a new dimension of reality beyond anything his son ever imagined--a Foreverland for the entire world. Danny, living outside of Spain since escaping the very first Foreverland, begins receiving mysterious clues that lead him to Cyn. They are both Foreverland survivors, but they have more in common than survival. They become pieces of another grand plan, one designed to stop Tyler Ballard. No one knows who is sending the clues, but some suspect Reed, another Foreverland survivor. Reed, however, is dead. Everyone will make one last trip back to Foreverland to find out who sent them. And why. INTERVIEW WITH THE AUTHOR HOW IMPORTANT ARE NAMES TO YOU IN THIS BOOK. DID YOU CHOOSE THEM BASED ON SOUND OR MEANING? Almost all of my books have names with special meaning, some foreshadowing a big twist. In *The Annihilation of Foreverland*, Reed's name was symbolic of his ability to tolerate suffering, bending in the face of gale forces but never breaking. WHERE DOES YOUR TOMORROW SPRING FROM? IN OTHER WORDS, HOW DID YOU COME UP WITH THE CRAZY WORLD? Sometimes, I can't remember how the story started by the time I get to the end. *The Annihilation of Foreverland* started with the premise of identity. I wanted to write it as a YA book in the science fiction dystopia genre in a way that slowly unfolded as well as questioned who we are and explore our fear of death, and what we're willing to do to avoid it. Like all of my stories, it does have a romantic angle mixed into the action. Because it should. GIVE YOUR BOOK THE BECHDEL TEST. IT HAS TO HAVE AT LEAST TWO (NAMED) WOMEN IN IT WHO TALK TO EACH OTHER ABOUT SOMETHING BESIDES A MAN. I failed because there's only one female in *The Annihilation of Foreverland*. However, the young adult sequel (*Foreverland is Dead*) passes with flying colors since it's mostly female characters that rarely talk about men. WHAT SORT OF BODY COUNT ARE WE TALKING HERE? The bodies die, but not necessarily the characters. Chew on that a second. DO YOU WANT YOUR TOMORROW TO MAKE IT BIG, AS IN JK ROWLING'S BIG? WHY OR WHY NOT? Believe it or not, no. Don't get me wrong, I'd like to make enough cash to pay off this house and send my kids to college, but I'll pass on fame and fortune. Anonymity is a blessing. YOU CAST YOUR CHARACTERS FOR A MOVIE. WHO MAKES IT? In *The Annihilation of Foreverland*, I only casted two characters in my head while I was writing it. The Director is Jeff Bridges and Mr. Jones is Anthony Hopkins. It was like watching a movie as I wrote. HAVE YOU WRITTEN IN ANY OTHER GENRES BESIDES YA DYSTOPIAN? WHAT DREW YOU TO YOU THIS GENRE? I've been fascinated by consciousness, identity and what this all means since I was young. I would read my grandfather's science fiction books with elements of artificial intelligence and alternate realities and wonder what happened when they died? I suppose that's why all of my writing deals with the big mysteries of life in one way or another. In a way, I write for my own exploration, in a sort of thought experiment approach, pulling apart our identities, exploring what makes us who we are. If I lost my memories, would I still be me? If I had my body parts replaced with synthetic replications, at what point would I not be me? Do I even need a body? What am I? Since all of my books have a romantic element, I thought I would write a romance novel. Halfway through...

FORTY-FOUR TURKISH FAIRY TALES Ignacz Kunos,Willy Pogány,2010-02 This volume is a treasure chest of classic Eastern tales drawing on the rich folklore of Turkey. Forty-four Turkish Fairy Tales has not been in print for almost 100 years, mainly because the original edition had lavish production standards. On the used market, mint copies of the 1913 original can cost up to four figures. This volume is appropriately titled Fairy Tales because something definitely 'fairy' occurs. There are talking animals, flying horses, birds that magically change into beautiful maidens, quests to win the hand of a princess, magical objects, simple, yet brave, peasants, wizards, witches, dragons and dungeons, epic journeys, and loveable fools. The majority of these stories contain encounters with 'Dews', or Turkish supernatural beings, better known in the West as 'Genies.' Sometimes the Turkish Dews are also called 'Arabs.' There are many other specifically Turkish elements and references in the stories, for which the glossary at the end of the book is of particular help. So this isn't simply an orientalist set of European Tales, but was drawn from an authentic Turkish oral storytelling tradition by Dr. Ignacz Kunos. Plus, there are almost 200 illustrations exquisitely crafted by Willy Pogany. While our production is not as lavish as the original, it does contain the original illustrations. Note: some of the illustrations could be considered unsuitable by 21st Century standards because they can be considered as caricatures with obvious ethnic stereotypes. However, in most cases, the illustrator is portraying imaginary creatures, which are supposed to be grotesque. Also to be remembered is the book was originally produced in 1913 when the world's attitudes towards racial tolerance and acceptance were quite different to those of today. 33% of the net will be donated to charities in Turkey for education scholarships
