Panic Button Kylie Logan,2012-12-31 Josie Giancola, owner of the Button Box shop, knows her buttons. But when she comes into contact with a rare charm string, she never imagines it will lead to murder... Josie is approached at her shop to appraise a very rare item—a complete charm string. In Victorian times, girls strung buttons on long strings to make the charms. Once the string reached 1,000 buttons—no two alike—the legend was that the owner would meet her beloved. But the owner of this charm string is not looking for love—she’s desperate to donate the piece to a museum and be rid of it. She believes the string is far from charmed—it’s cursed. When Josie finds the woman strangled with the charm string, she doesn’t know whether the curse is real...but the killer certainly is. Includes tips on antique button collecting!

**The Panic Button** Koom Kankesan,2011 On the surface, Thambi is a dutiful son and brother, but internally he questions the expectations of both his family and culture. He's met someone at work who just burns herself into his flesh and brain; the problem is that she's Canadian and white. Complicating everything is the fact that his father, after a 20 year absence, is finally coming over to join them from Sri Lanka. A Tamil version of Goodbye, Columbus, the story simultaneously tickles the funny bone and pulls on the heart strings.

Panic Button Byron Martin,2005-10 This book is hard to put down. Martin's PANIC BUTTON tells a story with a style that allows you to see the action clearly inside your mind's eye. Jason and Paul Grimsby are two brothers whose damaged childhood has ruined their adult counterparts. Their past unfolds as Jason is now threatened by a killer that Jason was unfortunate to disturb at a murder scene. The police believe that Jason may be the actual murderer. Everything that Jason cares about or believes in is cruelly and sadistically stripped away from him as a childhood ailment leaves him hopelessly unable to defend himself. Eventually, he runs to his protective brother, as in the past, as a vicious killer closes in. The two brothers are back together again but it may cost Jason his brothers' life this time. The killer seems to always be one step ahead of Jason and time has run out. This is a story of one man's refusal to accept his past or his present circumstances and if he doesn't overcome this, it will cost him his future. Every man has a clear and defining breaking point. This is a story of human triumph through tragedy.

Scaife,2013-07-05 The dynasties within uncensored, cnas please engage your panic button is the second nonfiction book transcription I have written this year. My first book transcription is entitled wisdom is highly contagious, Im glad Im terminally infected. I mention this because these two books share similar collaborations, but this newest transcription of the dynasties within uncensored, cnas please engage your panic button involves more inept professional occurrences. In this book I speak from my heart; candidly, about my career uncensored as a certified nurses assistant; from before its conception on up to until the life since the birth of my career has occurred. These accounts are written with the purpose of not only exposing inequalities within the healthcare system but to also support as well as advocate immense changes within the careers of certified nurses assistants. That will also promote and result in healthier living environments for the residents we are predestined, chosen and purposed to serve. Through these accounts I have faith that the dynasties within uncensored, cnas please engage your panic button will be a universal eye opener and career reviser and stimulator. This transcription will be informative and undoubtedly pave the way towards stricter professional practices; of a moral and ethical nature, for the current and future healthcare systems; that are subject to practice and extend services within their qualified scope of practice, in good faith; at all times.
