M.M. Sweeney Sweeney (author)

Training Bra J. W. McKenna, 2012-04-01 Marti Andrews loved the new bra & panty set she had bought from the strange, little man at the Manhattan boutique - they fit her perfectly! They also made her feel sexier, more alive, if that was possible. Even her handsome but very married boss, Steve Harris, noticed! Soon she had to buy more bras, even though they were expensive. The more she wore them, the better she felt. But they had a dark side, she came to realize - they urged her to take risks, like trying to seduce her boss. And she found she enjoyed having her breasts and bottom slapped! What was up with her lately? The tiny shop was soon besieged with customers, eager to purchase the bras and panties - the women found they couldn't help themselves. Marti quickly began to suspect something else was happening - but could she escape her fate and return to her dull, ordinary life? Did she even want to?

And for the men, the guy who opts for crisp cotton boxers is a million miles away from the man who packages his particulars in a pair of Y-fronts. So how did something as simple as an undergarment get to become so important? And which famous wearers have helped this slip of fabric achieve iconic status? As revealing as chiffon cami-knickers on a breezy day, this book is your key to the undiscovered world of underwear, from its noble beginnings to 21st Century catwalk domination. Read about the celebrities whose panties have made them famous, the designers who live for lace and Lycra and reminisce at some of the sexiest slips on celluloid. The leading lights of lingerie are profiled including Victoria's Secret, Agent Provocateur, La Perla and of course, Ann Summers alongside extended features on Classic Cotton and The Thong through to Power Panties and Fetish Fashion. Fun, fashionable, froufrou or fetish, welcome to the wonderful world of underwear!

Underneath It All Amber J. Keyser, 2018-03-01 For most of human history, the garments women wore under their

clothes were hidden. The earliest underwear provided warmth and protection. But eventually, women's undergarments became complex structures designed to shape their bodies to fit the fashion ideals of the time. In the modern era, undergarments are out in the open, from the designer corsets Madonna wore on stage to Beyoncé's pregnancy announcement on Instagram. This feminist exploration of women's underwear reveals the intimate role lingerie plays in defining women's bodies, sexuality, gender identity, and body image. It is a story of control and restraint but also female empowerment and self-expression. You will never look at underwear the same way again.
