Feng Shui Modern Cliff Tan, 2022-01-20 The ancient practice of feng shui is uncovered in this simple and practical guide, revealing the tools that will lead to a healthier, happier home for every budget. How do you place a bed in an awkward room? How can your space help you be more focused and more productive? How do you set up your room to make you ready for romantic love? It's simple! In *Feng Shui for Modern Living*, TikTok influencer Cliff Tan answers these questions and more, explaining the ancient practice of feng shui and how it can be translated to modern homes. Cliff has become an internet sensation with his videos demonstrating the principles of feng shui, and in this practical guide he shows how to apply these principles room-by-room in your own home. He takes you behind the mysticism to reveal the logic behind feng shui. This is the key to unlocking the power of this ancient practice: once you understand the logic, your application of feng shui will

work every time. There is no room too challenging, no problem that feng shui can't unravel. That's why people have been using it for thousands of years. In the tradition of Marie Kondo and Mrs Hinch, this guide will revolutionise how you think about your space. It's feng shui made simple, and anyone can learn.

David Hockney Christopher Simon Sykes, 2014-11-11 In this fascinating and entertaining second volume, Christopher Simon Sykes explores the life and work of Britain's most popular living artist. David Hockney is one of the most influential and best-loved artists of the twentieth century. His career has spanned and epitomized the art movements of the past five decades. Picking up Hockney's story in 1975, this book finds him flitting between Notting Hill and California, where he took inspiration for the swimming pool series of paintings; creating acclaimed set designs for operas around the world; and embracing emerging technologies—the Polaroid camera and fax machine in the seventies and eighties and, most recently, the iPad. Hockney's boundless energy extends to his personal life too, and this volume illuminates the glamorous circles he moves in, as well as his sometimes turbulent relationships. Christopher Simon Sykes has been granted exclusive and unprecedented access to Hockney's paintings, notebooks, and diaries, and a great number of them are reproduced here. Featuring interviews with family, friends, and Hockney himself, this is a lively and revelatory account of an acclaimed artist and an extraordinary man.
