**Forty Days of Fire, Forty Days of Rain** Douglas McDaniel,2009-05-23 Challenged by the strange currents and savage storms of his life, author Douglas McDaniel captures an apocalyptic age of turmoil that began with the election of George W. Bush in 2000 and an oddly coincidental solar storm occurring in New England. This personal narrative leads all of the way through eight years of disaster on the North American continent. It is a âliving novelâ and commentary on life during wartime, on strange weather and social chaos â| a rave and borderline blog by one man trying to stay ahead of the wave during a new century spinning out of control.

**Veritas** Ariel Sabar,2021-06-29 From the National Book Critics Circle Award-winning author comes the gripping true story of a sensational religious forgery and the scandal that shook Harvard. In 2012, Dr. Karen King, a star religion professor at Harvard, announced a breathtaking discovery just steps from the Vatican: she'd found an ancient scrap of papyrus in which Jesus calls Mary Magdalene "my wife." The mysterious manuscript, which King provocatively titled "The Gospel of Jesus's Wife," had the power to topple the Roman Catholic Church. It threatened not just the all-male priesthood, but centuries of sacred teachings on marriage, sex, and women's leadership, much of it premised on the hallowed tradition of a celibate Jesus. Award-winning journalist Ariel Sabar covered King's announcement in Rome but left with a question that no one seemed able to answer: Where in the world did this history-making papyrus come from? Sabar's dogged sleuthing led from the halls of Harvard Divinity School to the former headquarters of the East German Stasi before landing on the trail of a Florida man with an unbelievable past. Could a motorcycle-riding pornographer with a fake Egyptology degree and a prophetess wife have set in motion one of the greatest hoaxes of the century? A propulsive tale laced with twists and trapdoors, *Veritas* is an exhilarating, globe-straddling detective story about an Ivy League historian and a college dropout—and how they worked together to pass off an audacious forgery as a long-lost piece of the Bible.

The Story of Egypt: The Civilization that Shaped the World Joann Fletcher,2016-08-02 The story of the world's greatest civilization—spanning 4,000 years of history—full of epic stories, spectacular places, and an evolving society rich in inventors, heroes, villains, and pioneers. The story of the world's greatest civilization spans 4,000 years of history that have shaped the world. It is full of spectacular cities and epic stories—an evolving society rich in inventors, heroes, heroines, villains, artisans, and pioneers. Professor Joann Fletcher pulls together the complete story of Egypt—charting the rise and fall of the ancient Egyptians while putting their whole world into a context to which we can all relate. Fletcher uncovers some fascinating revelations: new evidence shows that women became pharaohs on at least ten occasions; and that the ancient Egyptians built the first Suez Canal and then circumnavigated Africa. From Ramses II's penchant for dying his grey hair to how we know that Montuhotep's chief wife bit her nails, Dr. Joann Fletcher brings alive the history and people of ancient Egypt as nobody else can.

**Death and Burial in Ancient Egypt** Salima Ikram,2015-06-01 A Book Riot 100 Must-Read Book on Ancient History Death, burial, and the afterlife were as important to the ancient Egyptians as how they lived. This well-illustrated book explores all aspects of death in ancient Egypt, including beliefs of the afterlife, mummification, the protection of the body, tombs and their construction and decoration, funerary goods, and the funeral itself. It also addresses the relationship between the living and the dead, and the magico-religious interaction of these two in ancient Egyptian culture. Salima Ikram's own experience with experimental mummification and funerary archaeology lends the book many completely original and provocative insights. In addition, a full survey of current development in the field makes this a unique book that combines all aspects of death and burial in ancient Egypt into one volume.

[The Book of Longings](#) Sue Monk Kidd,2020-04-21 “An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press “A true masterpiece.” —Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history.

Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, The Book of Longings is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.
