Golf Magazine's Great Golf Courses You Can Play Robert Scharff,1973

The Golden Age of Pinehurst Lee Pace,2012-11-15 One of the finest golf courses in America in the early 1900s was the revered Pinehurst No. 2, designed by the legendary Donald Ross and first opened in 1907. Physically and mentally demanding, the course gave players options on every hole and required them to envision and execute recovery shots from the sandy perimeters and the pine forests as well as think creatively around the intricate greens. As a result, No. 2 became a favorite of the nation's top amateurs and professionals. Unfortunately, a modernization of the course over the last four decades stripped it of much of its character. In *The Golden Age of Pinehurst*, Lee Pace chronicles the breathtaking restoration of No. 2 from its recent slick and monochromatic presentation back to a natural potpourri of hardpan sand, wire grass, and Sandhills pine needles. The restored No. 2--accessible for amateur play, yet challenging enough for the professional--once again stands apart for its beauty, strategic appeal, and Old World flavor.

The New York Metro Area Golf Guide Daniel Wexler,2013-06 A part of MT III Golf Media's Black Book series of national and regional course guidebooks, *The New York Metro Area Golf Guide* profiles every golf course (well over 400 in total) that resides within 21 counties in and around New York City, from the ritziest private clubs to the smallest nine-hole par 3. Continuing the series' tradition of providing accurate, detailed and candid assessments, its profiles range from 100-500 words and also include complete contact information, a course's current national/state ranking(s) and a unique five-star Collectability Rating - a course rating method entirely exclusive to the Guide. No other guidebook covers the region so candidly or comprehensively, or with so detailed an eye towards a course's history, character and design evolution. Thus also something of a reference volume for historians and architectural aficionados, *The New York*

Metro Area Golf Guide is an indispensable source of information for both visitors and local residents alike.

Long Island Golf Phil Carlucci, 2015 Pictorial history of golf on Long Island, from the earliest country clubs to public courses of note. When the European sport of golf found its way to Long Island and took root in the Hamptons at Shinnecock Hills in 1891, its journey across the Atlantic served as the opening drive of a recreational era that now spans three centuries. Home to more than 130 golf courses, the area boasts prestigious American clubs overlooking picturesque Atlantic bays and inlets, along with public layouts climbing and descending the region's sloping terrain. Long Island is home to the most popular municipal golf facility in the country, the centerpiece of which is Bethpage Black, the People's Country Club. Celebrated architects like A.W. Tillinghast, Devereux Emmet, Seth Raynor, and C.B. Macdonald built many of Long Island's famous courses, which have challenged the brightest of golf's stars. International tournaments and star-studded exhibitions have all been decided on Long Island turf, helping it grow into one of the world's most prominent golf settings.

Done in association with AARP, they're specially designed to keep players' mental game as sharp as their swing. Fans will appreciate the focus on their favorite sport--and the fascinating facts they'll learn as they search for the answers. Who was the 1997 Masters' champ? It's almost as good as a day on the course.

The Little Green Book of Tennis Tom Parham,2015-04-17 Golf is a disease, not a game. Especially when you take the game up in your fifties, as I did. After a series of injuries stopped my recreational tennis play, and my retirement from a lifetime of coaching and teaching tennis, I tried golf. It didn't take long to realize it was not an easy endeavor. Someone said, You can't learn anything from a golf book, but you have to read a lot of golf books to find that out! I found the gurus of golf instruction: Ledbetter, Pelz, and Hogan, who was said to have written the book with the secret! I did find one that really attracted me but in a somewhat different way.
