Golfing Northern California Keyser, Tim, 1991

How to Break 80 Ryan Smith, 2016-02-26 Discover how to break 80 on the golf course You are about to discover how does a golfer break the 80 shot barrier? It is a question many golfers cannot answer. Oh, they may know the answer, but knowing it and doing it are very different things. The typical golf course is a par 72, which means that if a golfer never hits a bad shot, and two-putts on every green it will take him 72 shots to finish the 18 holes. The real answer to the question then is a golfer must putt well to break 80. The old saying drive for show, putt for dough is a cliché because it is true. So that is the simple answer. A golfer must for the most part, keep it in the fairway, get as much distance as possible and be able to putt well. So how does one accomplish this? First, realize that you have seven shots to play with when you start. 79 is seven over par, so a golfer has seven more bogeys to work with than birdies. This means that instead of trying to blast that drive to get to the green on the par four, you can lay up and get there in two and be fine. If you leave yourself with a long putt, leave it a little short rather than hit it too hard and have another long putt from the other side. In other words, play it smart. This all sounds easy, but it is far from it. Golf has been described as the most frustrating sport of all. One little mistake can ruin a round. One little flaw in a swing can cost a golfer many strokes. Players who play it well for years can for no reason at all get a

case of the shanks where they cannot keep a ball straight or The yips when they cannot hit even a short putt. Many times the reason for this is mental. So how does a golfer get to the point where he/she can get consistent enough to give an 80 score a shot? Practice. Practice. Practice. Here Is A Preview Of What You'll Learn... How to get started? What are the etiquette rules? What equipment to use? How to calculate yardage What is the proper stance?li> Much, much more! Download your copy today! Every Shot Must Have a Purpose Pia Nilsson,Lynn Marriott,Ron Sirak,2005-09-22 Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf's top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don't believe in prescribing the same stance, grip, and swing to everyone, followed by hours of purposeless drilling. They don't even believe in beginning with physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, *Every Shot Must Have a Purpose* offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of a player's game. The book's revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only successful but can be repeated under extreme pressure. Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it's possible to shoot a 54 (making a birdie on every hole of a

par-72 course) if you have the right mind-set and well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, Every Shot Must Have a Purpose is inspiration for life, not just the links.

Bangkok & Beyond Travel Adventures Christopher Evans, Lindsey Evans, 2009
Here is a guide to the most amazing city in Thailand, perhaps in all of the Far East - Bangkok - and to all the surrounding sites. This is based on sections extracted from the more comprehensive Hunter guide to the number-one tourist destination in Southeast Asia. The finest hotels, with impeccable service, cost a fraction of what you would pay elsewhere, and shoppers will never tire of the vast selections, from silk scarves and designer gowns to exotic jewelery. Try elephant trekking, sea canoeing or Thai massage. Taste the exquisite cuisine, explore mystic temples (30,000 of them!) and sail to unspoiled islands. The Adventure Guides are about living more intensely, waking up to your surroundings and truly experiencing all that you encounter. The regional chapters take you on an introductory tour, with stops at museums, historic sites and local attractions. Places to stay and eat; transportation to, from and around your destination; practical concerns; tourism contacts - it's all here! Detailed maps feature walking and driving tours. Then come the adventures - both cultural and physical - from canoeing and hiking to taking dance or cooking classes. This unique approach allows you to really immerse yourself in the local culture.
