Paradise Island Sam Golbach, Colby Brock, Gaby Triana, 2020-11-17 Four best friends—Check. One unforgettable week in Kauai—Check. Sun, surf, and hula girls in bikinis—Check. A creepy mansion on the forbidden side of the island... Check? Sam and Colby's vacation in paradise goes from enchanting, to weird, to deadly, when Trey, an old acquaintance, insists they can't leave without a visit to the legendary Nā Pali Coast. It turns out Trey has been living at the infamous Belle Estate, owned by a wealthy and eccentric widow—who locals believe is a witch. The only thing odder than how a twenty-three-year-old college kid from Utah ended up living in a remote and isolated mansion on the North Shore of Kauai is that he is romantically involved with a woman old enough to be their grandmother. Belle Estate's walls hold an eerie sway over all who enter, and a dark, shadowy presence seems to be following them around the grounds. When an unfavorable change of plans forces them to stay overnight, Sam and Colby are in for the most terrifying encounter of their lives.

Paradise Island Tracy Sinclair, 1982

Paradise Island, Atlantis, Bahamas Ellis Robertson, 2020-02-03 Paradise Island, Atlantis, Bahamas. A Guide to Vacation, Honeymoon, Tourism. Paradise Island Park and Beach Resort is very proud of its humble beginnings. What started out as a weekend picnic destination back in the seventies, catering mostly to friends and their families has become what it is today as not only the preferred island getaway for families but is also the byword for those growing impulsive groups who are so busy and yet wise enough to squeeze in leisure in their hectic schedules at the spur of the moment. Having a shoreline of almost eight hundred meters (800 m), it is the only place in this part of Samal Island that has maintained its shores by feeding the fishes, clean them with having periodic Scubasurero Activities, and has placed a safety pole to ward off jelly fish and rubbish, discouraging anglers from poaching the area and encouraging its visitors to enjoy the marine life and leave the same so that others may also enjoy them. Its white sand beach as well as its surroundings are combed and cleaned throughout the day giving a pure and clean ambiance for its visitors and workers alike. Privileged Paradise Island linked to Nassau by two great arcs that may as well be bridges to another world is unashamedly built for profit and pleasure. Its landscape is mostly artificial: vast hotels straight from the covers of fantasy paperbacks, hangar-sized casinos, ersatz 'villages' in which to shop and eat, and the lushest lawns you'll see anywhere in the Bahamas.

The Paradise Island Story Paul Albury, Anne Lawlor, Jim Lawlor, 2004 This is a history of Paradise Island, Nassau,

in the Bahamas.

Paradise Island J. L. Manning, 2009-12 Their new island holds a great secret. Josh and Anna have always dreamed of escaping their humdrum life by traveling to a tropical paradise. When a credit card company grants their wish in a contest, the two can't contain their excitement, inviting their friends to join them in creating a resort on their fantastic prize: a small, uninhabited, undeveloped island in the Pacific. But what's in store isn't what they expected. When they arrive on the island, everything seems perfect. They find the perfect spot for housing, a hot spring in a cave that will make a fabulous sauna, and a glorious beach. Soon they're on their way to achieving their dream and living out their retirement in paradise. As they develop the island, though, strange and bewildering incidents begin to occur, causing Josh and Anna to finally question their luck. What's the real story behind the island gift? The new inhabitants find themselves frightened yet excited at the mystery of the unexplainable events unfolding around them. Can they discover the unbelievable secret and solve the mystery to maintain their getaway? Come on an intriguing, exhilarating, suspenseful adventure to Paradise Island in J. L. Manning's newest book.

Knight of Paradise Island J. L. Campbell, 2020-12-04 Dorian Ryan Bostwick is a protector and he's one of the best in the business. When a King of the Castle assigns him to find his former lover, Aziza, he stumbles upon a deadly underworld operating close to the Durabian border. Aziza Hampton had just rekindled her love affair with Ryan when a night out with friends ends in her kidnapping. Alone and scared, she must find a way to escape her captor and reunite with her lover. The task ahead of her won't be easy. She will have to convince a frightened group of women to take action that will ensure they do not end up dead with their organs missing. In a race against time, Ryan and the Kings of the Castle follow ominous clues into the underbelly of a system designed to take advantage of the vulnerable. Failure isn't an option and Ryan will rain down hell on earth to save the woman of his heart.

Discovery at Paradise Island (Printed in Open Dyslexic Font - Especially Helpful for Individuals with Dyslexia)
Sharon Boyce, 2019-12-03 Discovery at Paradise Island is my new children's story book that has been reproduced in open dyslexic font. This book was originally published ten years ago in Lucinda Handwriting Font. I have been working in supporting individuals with dyslexia over the past ten years, since I originally published the book. In that time the open dyslexic font has been developed as one of the solutions to help support people who experience dyslexia. It is not a quick fix, but it is a tool that has been created to make reading the font a little easier for some. The feedback as to why it works and what it creates is quite exciting for some people. When the font is looked at you can see that the base of each letter is quite heavy and darker. When the reader's eyes move across the page the letters are more stable and the usual movement is cut down. This makes the reading process calmer and more manageable. As with all of the issues that surround dyslexia not every person is the same in the way that they read and interact with the text. However, it seems that according to the research that surrounds this font it does have impact and help in the majority of cases. In the feedback I have had about the reprint of my dyslexic text children's book most of the feedback is very positive about the engagement with the text and the story.

Children stay reading the book and the majority of them finish the story over a number of weeks. This to me is very positive and the reason why I will continue to reproduce the next text run of the book using this international font. The fun and discovery starts as soon as Alexandria and Sarah arrive at Paradise Island. What would usually be a relaxing holiday on a tropical island turns into an exciting adventure. Sarah thinks because Alexandria's mum is in a wheelchair their holiday will be quite boring. How wrong is she? The island activities, a mystery code, digging for pirate treasure, clues and discovery make for a surprising holiday and Sarah discovers some things she didn't know before she went away with Alexandria's family.' Discovery at Paradise Island is a children's adventure storybook written for audiences aged seven to twelve years. The story gives children a chance to learn and discover about disability. This book aims to develop children's literacy, numeracy and social intelligence, while at the same time making it exciting and fun to read. It integrates into the school SOSE syllabus and also critical literacies and numeracy with the code breaking work. It has teacher and parent directed activities included and engagement questions at the end of each chapter to encourage children to think about what they have read and apply it to their own lives. Written by an author with a strong educational background and a thorough knowledge of disability both from a practical perspective and a theoretical framework this book explores a variety of social justice issues through the eyes of a child. Because this book can be used as a teaching resource across the curriculum and because it has a particular focus on disability it would be an invaluable classroom tool. The book links into the SOSE syllabus especially the Culture and Identity strand, as well as critical literacy and numeracy. It also is a much needed resource in the area of disability awareness. The engagement questions at the end of each chapter encourage children to think about the issues they are reading about and to apply them to their own lives. At the conclusion of the book it has a section containing teacher and parent directed activities. These can be used to develop a unit of work or activities based around the book and the themes contained within it. Sharon Boyce is available to come to your school to participate in author visits and also disability awareness sessions. Sharon is a registered teacher and is trained to work across all year levels. Sharon won the Disability Action Week Award for Individuals for this book's first edition.

Hurricanes in Paradise Denise Hildreth, 2010-07-25 From the moment Riley Sinclair stepped onto Paradise Island, Bahamas, and into her new job as director of guest relations at a five-star resort, she felt the pieces of her once-broken life finally coming together. But the waters become choppy when Riley discovers that some who come to the Atlantis hotel arrive with more than just suitcases and suntan lotion in tow. They're accompanied by their lurking demons, paralyzing secrets, and overwhelming fears. Riley and three women guests are in desperate but unknowing need of each other, eventually forging unlikely yet powerful friendships. With a hurricane headed straight for the island, together they embark on a journey of laughter and lunacy, heartache and healing.

Surviving Paradise Peter Rudiak-Gould, 2009 Just one month after his 21st birthday, Peter Rudiak-Gould moved to Ujae, a remote atoll in the Marshall Islands located 70 miles from the nearest telephone, car, store, or tourist, and 2,000 miles from the closest continent. He spent the next year there, living among its 450 inhabitants and

teaching English to its schoolchildren. At first blush, *Surviving Paradise* is a thoughtful and laugh-out-loud hilarious documentation of Rudiak-Gould's efforts to cope with daily life on Ujae as his idealistic expectations of a tropical paradise confront harsh reality. But Rudiak-Gould goes beyond the personal, interweaving his own story with fascinating political, linguistic, and ecological digressions about the Marshall Islands. Most poignant are his observations of the noticeable effect of global warming on these tiny, low-lying islands and the threat rising water levels pose to their already precarious existence. An *Eat, Pray, Love* as written by Paul Theroux, *Surviving Paradise* is a disarmingly lighthearted narrative with a substantive emotional undercurrent.

The Road to Paradise Island Victoria Holt, 1986-10-12 Annalice Mallory, the sheltered daughter of a family of map makers, discovers the cryptic diary of her long-dead ancestor that includes a map of a mysterious far-of island. Philip, Annalice's brother, sets sail for the island, lured by the promise of incomparable riches to be found. But when he doesn't return, Annalice sets out to find him -- and the secrets of the diary -- in a desperate journey that leads her through the worlds' most exciting outposts . . . and finally to the tropical islands of the South Seas, where she encounters heart-stopping peril, but also the promise of love.

Christmas Comes to Paradise Island! (DC Super Heroes: Wonder Woman) Lauren Clauss, 2020-09 When Diana decides to bring Christmas to her Amazonian family, it does not turn out quite like she expected.

Jeremy - Volume 1 - Paradise Island Jef Nys, 2015-11-27T00:00:00+01:00 Frankie wins the first prize in a contest: a round-the-world trip with four friends aboard the *Silver Wave*. Little do they know that James, their arch enemy, is watching them, patiently waiting to teach Jeremy and his friends a little lesson... But not everything goes as planned.

Paradise Island Benjie Aerenson, 2002 Only the scenes fly by faster than the insults and accusations that Emma and her unmarried daughter Terri throw at each other while they are on vacation in the Bahamas. The harrowing exchanges between this ordinary mother and daughter over clothes, dieting, shopping, TV and other commonplace activities provide an engaging and original dramatic adventure.

That Summer Place Jill Barnett, Debbie Macomber, Susan Wiggs, 2015-05-26 Presents the stories of three couples who prove that opposites do attract as they find love and passion under the roof of a Victorian summerhouse called Rainshadow Lodge.

But when she arrives, he is nowhere to be found. Still, she is so thrilled by the seductive beauty of the island that she doesn't see the danger that is boiling right below the surface--until a mysterious explosion nearly kills her. She is rescued by an enigmatic man whose intensity is as undeniable as his sex appeal . . . a mysterious stranger who is not what he seems. Michael Wright is on Paradise to settle an old score with Tally's father, the man responsible for the accident that ended his Navy SEAL career . . . and killed his best friend. But even though he hopes to use Tally to reach his target, Michael cannot deny the deep feelings she inspires within him, or the fact that her life is in serious danger. Paradise Island is
