**Westchester County** Michael J. Lavin, Frank J. Donovan, 2001 The Westchester County Department of Public Safety celebrated its twentieth anniversary on July 1, 1999. Although the present department is relatively young, its roots go back to 1683, ranking it among the oldest police agencies in the United States. In fact, the first documented instance of a member of a law enforcement agency being killed in the line of duty in the United States was when Westchester County Deputy Sheriff Isaac Smith was shot on May 17, 1792. Westchester County: Protect and Serve offers a glimpse into the history of law enforcement in Westchester County by documenting the development of the Department of Public Safety. The department serves the residents of the county of Westchester in cooperation with many other local, state, and federal law enforcement agencies. The sworn and civilian members of the department provide primary police coverage for county parks, facilities, and parkways, along with specialized police services to all of the communities located in Westchester County and adjoining areas.

**Firestone Park** Jerry Boyd, Jerry Boyd MS, 2011-12-08 Firestone Park: Policing South Central Los Angeles puts you in the front seat of a Los Angeles County Sheriff's Patrol Car in the 1960's and '70's as it goes from call to call in one of the highest crime rate areas in the United States. From humorous to horrendous, this book is full of real life action seen through the eyes of those who do work that few are able to. Frank, honest, and entertaining both for cops and those whom law enforcement protects.

*American Police Dilemma* Johannes F. Spreen, Diane Holloway, 2003-03 Commissioner Johannes Spreen was a police officer extraordinary; a man who helped restructure and develop New York City Police Academy training leading to a college program, a 'West Point' for officers, now John Jay College for Criminal Justice. Johannes Spreen is a man of enthusiasm, indeed a prophet; always ahead of his time and brought his talent to Detroit as Police Commissioner and later Sheriff of Oakland County. Rudolph P. Blaum, Retired Captain, New York City Police Department, John Jay College, former president American Education Association. This book describes how policing has gradually emphasized law enforcement over the protection of people. It is a compelling book by an innovative and gifted top cop who presents a convincing case for community-oriented policing. This story of policing urban America over several decades covers politics, crime control, leadership, mental and physical conditioning, morals, and rivalries that reduce effectiveness. Besides being a role model for youth, police officers, administrators and policy analysts, Commissioner Spreen used wit and literary brilliance to describe his career and these issues through charming letters to his daughter.

**Resident Deputy Sheriff** Weldon C. Travis, 2012-02-28 As a long-time Deputy Sheriff in Marin County, Weldon lived through some very interesting times relevant to law enforcement, participating in fighting the most vicious crimes emanating from the hottest issues of the day. His many memorable experiences, in and out of uniform, were always in the interests of keeping the peace. The book's subtitle, . . . in Wild and Woolly West Marin; a collection of vivid vignettes, says a lot about its contents. The author's tales brim with a variety of countercultural events, and the

many ways that humans succumb to evil and occasionally rise in redemption. Many revelations are devilishly humorous but all reflect the image of a conscientious man who has, fortunately for Marin County and California society, invested the major part of his life in keeping the sane balance between extremes of behavior found in the Golden State.

The Sheriff's Son William MacLeod Raine,1918

*The Sheriff's Son* William MacLeod Raine,2022-11-13 John Beaudry was a fearless sheriff in the Wild West who ended up killed by the notorious Rutherford crew, leaving behind a young and fragile boy. Many years later, Roy Beaudry is a grown man who never managed to live up to the standards his father set. However, when an old friend of his father reaches for help, Roy returns to his father's country, determined to overcome his nature and confront his demons. A local rancher has been missing for a while after interfering in the dealings of the same Rutherfords, who are suspected of pulling off a recent train robbery, and Roy gets a chance to stand up against the Rutherford clan and avenge his father's death.

*Los Angeles Police Department* Thomas G. Hays,Arthur W. Sjoquist,2005 No police force in history has gained as much fame and notoriety as the Los Angeles Police Department. The acronym LAPD is practically synonymous with the idea of professional law enforcement. The men in blue who patrol Hollywood and the sprawling metropolis of L.A. have been investigated by screenwriters more times than vice versa. With more than 9,300 sworn officers today, the LAPD endures seemingly endless controversies and media circuses. But then there's the other side of L.A.'s protective shield--the story of the force's evolution alongside the spectacular growth of its unique melting-pot city. This book's rare and often never-before-published photographs focus on that side: the excitement, danger, tragedy, and comedy of everyday beat cops and workaday detectives--with concessions to their limelight representations, including Jack Webb's *Dagnet* and *Adam-12*.

Detroit Police Department Lt. Stephen W. White,Charles Wilson,Officer Michael Woody,2008 Since its inception in 1865, the Detroit Police Department has been a trailblazer and pioneer in adopting revolutionary advances in law enforcement that are essential to policing today. The Detroit Police Department was among the first police departments to put its officers on bicycles and developed one of the earliest motorized forces using motorcycles, ultimately becoming the first department to utilize Harley Davidson motorcycles. Of its firsts, arguably the most important and synonymous with the city of Detroit being recognized as the Automotive Capital of the World is the department's deployment of its first patrol car in 1909. This photographic book highlights the Detroit Police Department's rich history, resplendent with groundbreaking advancements in the field of law enforcement. Over the years, many of the issues that proved challenging to large metropolitan cities, such as urban unrest, school busing, labor disputes, crime, and poverty, also produced challenges for the department. This book illustrates how the department met those challenges and continued to serve its community with the utmost professionalism, respect, and pride. The vision of the Detroit Police Department is building a safer Detroit through community partnerships, a with the unquestioned dedication and hard work exhibited by Detroit's finest, this vision has become a reality.
