**The New York City Motorists' Parking Survival Guide** Louis Camporeale,2008-04 From decreasing the odds of receiving a parking ticket to dealing with a ticket once issued, this handbook outlines the most common violations and situations motorists will encounter when driving and parking throughout the greater New York City metro area. Operating on the premise that the best parking defense is knowledge, this guide begins with an in-depth analysis of the basic parking regulations--including those identified by posted signs such as No Parking, No Stopping, No Standing, and street cleaning as well as those monitored via parking meters--for the general public as well as commercial vehicles. Readers will also learn how to read a parking ticket, to identify the specific violation(s) cited, and scan the document to determine if there are any grounds for automatic dismissal. A handy chart of code violations and corresponding fines, tips on the appeal process, and a quick-reference guide to tow pounds further enhance the learning experience.

They are powerful dreams, and always of women: women as lovers; as friends; as casual affairs; as Goddesses who have captured my heart, broken it through betrayal, or cherished it; and through them I have been reborn many times over.' With the wisdom and acceptance that comes with age, a mature man relives the stages of his life through the women that have characterized them. Passionate, bittersweet, often wryly comic, Michael's amorous encounters drive him from Vienna to Italy, to the Colorado Rockies, to New York and finally to a romantic Austrian mountain lodge before he returns to Vienna, closing the circle. Peter Lynn's evocative and powerful novel will strike chords with everyone who has ever been in love.
