Anwarul Azad, Ida Glaser

*Vanishing Trades of Singapore*, 1992

Genesis 1-11 Anwarul Azad, Ida Glaser, 2022-09-07 Genesis is the book of beginnings; and creation begins with light. Most religious people live with shuttered windows, receiving light only from their own people and their own tradition. Genesis 1-11 calls us to recognize all peoples as created by God and under the rainbow covenant of his light. This commentary opens windows on seeds of truth from Genesis 1-11 which are planted in the various environments "in front of the text" - including the New Testament, rabbinic tradition, the Qur'an, and Bangladeshi culture. It examines those seeds in their original seedbed, discerning how their truths will unfurl from the fragrant Genesis 1-11 bud of theology through the blessings given to Eve, Noah, and Abraham. Windows on the Text is a ground-breaking Bible commentary series written by followers of Jesus in Muslim contexts. It develops biblical insight in deliberate conversation with the Qur'an, the Hadith, and local Islamic cultures. Confident that the Bible in its entirety speaks directly into Muslim contexts, it opens new windows into the holy word of God to equip and empower believers to live out their faith in loving service and clear communication within their communities.

The Prostitute's Daughter Juliet Philip, 2014 Kamada, whose mother, Tara, is a prostitute solicited by wealthy men in Mumbai, prefers to live in her own world of magic, where her imagination shields her from her reality. She is on a mission to escape the streets of the city and her mother's house, which feels like a prison. Only her magical friends, a parrot astrologer who tells of the future and a neighbouring family know that her dream is to leave home to study in America, for which she has been conscientiously making arrangements studying for the GRE, collecting all the necessary documents and taking care of the finances. As she plans her escape, the 16-year-old's world is turned upside down when her mother reveals a secret, adding to the many upheavals already assailing her teenage mind. Will her dream and the future she envisages for herself in a faraway land come true? Praise for *The Prostitute's Daughter* While reading this book, I was wishing I could reach out to Kamada and tell her that everything will be okay in the end. A lovely bit of writing. Maria Goretti (author, food blogger and former MTV VJ) (Kamada's) means of escape is the blue folder she carries everywhere. She also escapes via her own imagination, which conjures fantasy creatures everywhere, animates the fruits at vending stalls and lends voices to the city's potholes. It's this overlay of fantasy, always evocatively but matter-of-factly interwoven with the real-world narrative, that lends the book its greatest charm. The sheer manic detail of it all speaks eloquently of Kamada's fever-pitch desperation for a new life, and its resolution at the book's end is touchingly bittersweet. An extremely memorable and winning tale of the perseverance dreams require. Kirkus Reviews Juliet Philip loves magic, white feathers, faeries, wine, the sound of the rain, glowworms, ponies, majestic elephants, fresh coffee, dance, waterfalls, castles (both real and in the air), rainbows, blowing bubbles, deep belly laughs, the smell of wet earth, and creating things. She likes to make books, drawings, doodles, banana bread, fish curry in coconut milk, silly randomness, magic, and connections with people and the universe. Her stories are based in enchanting India because she grew up there. Talking Points A heartwarming tale about making dreams come true Evocative of a teenager's struggle in trying circumstances A moving portrayal of unlikely friendships and escapist imaginations Worldwide readership/market Lovers of young adult and general fiction, commercial fiction readers, general-trade readers.

**Infertility Caused by Decreased Oxygen Utilization and Jinn (Demon)** Dr. Mira Bajirova, 2018-12-14 There are two main causes of Infertility: Decreased Oxygen Utilization and Jinn (Demon). When the environment or body has too many Positive Ions, the result is Decreased Oxygen Utilization. Positive Ions are produced by the manmade atmosphere, and they increase the acidity and inflammation in the body. These Positive Ions can affect the body in numerous ways, including decreased fertility. Many times, medicine cannot solve the problem—what people must do is to expose themselves to the Negative Ions. Dr. Mira Bajirova, an Associate Professor, Obstetrician-Gynecologist, and In Vitro Fertilization Consultant from Paris, explores what this means to those suffering from Infertility. She also highlights how Evil Jinn—through Jinn Possession, Black Magic and Evil Eye—can lead to disastrous consequences including the Infertility. Filled with insights from the Quran and medicine, this is an informative guide for anyone seeking to improve their health and expand their family.

**Parrot** Paul Carter, 2006-03-01 One of the more nonconformist figures in the animal kingdom, the parrot is linked to humans by its ability to speak—a trait many have found unsettling, though this discomfort is offset by its gorgeous plumage, which makes it one of the most popular members of the avian family. Unlike previous studies that have treated parrots as simply a curious oddity, Paul Carter offers here in *Parrot* a thoughtful yet spirited consideration of the natural and cultural history of parrots, discussing parrot portraiture, the role and significance of parrots' mimicry in human culture, and parrot conservation, as well the parrot's role in literature, folklore and mythology, film, and television worldwide. *Parrot* takes three different approaches to the squawker: the first section, *Parrotics*, examines the historical, cultural, and scientific classification of parrots; *Parroternalia*, the second part, looks at the association of parrots with the different languages, ages, tastes, and dreams of society; and, finally, *Parrotology* investigates what the mimicry of parrots reveals about our own systems of communication. Humorously written and wide-ranging in scope, this volume takes readers beyond pirates and Polly wants a cracker to a new kind of animal history, one conscious of the critical and ironic mirror parrots hold up to human society.

**Cancer Is a Jinn (Demonic) Possession. the Ultimate Cure** Dr Mira Bajirova, 2019-12-05 Medicine, instead of healing, contributes to the disease progression and creates other diseases, including other Cancer. "What comes to you of good is from Allah, but what comes to you of evil, (O man), is from yourself." (Qur'an, An-Nisa 4:79) When person commits the Sin, a black spot appears on his heart, and if he seeks forgiveness, this black spot is removed, and if he returns to Sin the black spot grows until his heart becomes black and he will be doomed. "Disease is an Expiation of the Sins", in this book I have described 351 Sins. The Sins involve the Evil Jinn. Demons possess the humans because of the Sins, revenge, desire of control, attraction, Sorcery, Evil Eye, anger, fear and depression. The most frequent Sins: denying or associating partners to Allah, the Creator of all things. Cancer is a Jinn (Demonic) Possession. The anti-Cancer treatment excites the hidden Evil Jinn and the Jinn spread more the disease. Additionally, medicine creates other diseases due to the side effects. Doctors cannot help, cannot remove your Sins and make you sicker and die. "Know for certain that when you break no one will heal you except you." (Ibn Al-Qayyim) Repentance from the Sins is obligatory. "A trial is not sent down except due to a Sin, and it is not lifted except with repentance." (Ali Ibn Abi Talib) Demons are afraid of Allah only, our Creator. The Ultimate Cure is within the Qur'an: Ruqyah, Negative Ions and Prophetic Medicine. "Whoever abandons the Qur'an would abandon treating sickness and seeking healing through it."

**Wise Up** Karen Duffy, 2022-04-12 A New York Times bestselling author shares wryly funny and heartwarming lessons on life, motherhood, and python attacks. Named one of Oprah Daily's 50 Most Anticipated Books of 2022 From becoming an iconic MTV VJ to starring in *Dumb and Dumber* to being diagnosed with a life-threatening disease, Karen Duffy has been through a lot. But it was only

when she became a mother that she realized she had some pretty solid life lessons to pass down. In her new book, she offers advice on building a friend group that is weasel free, finding the love of your life, and determining how much to tip the waiter (as with everything—be generous!). With dry humor and maternal warmth, she shows how we all can learn from unexpected philosophers, even from Bulgarian dancing bears. There are times in life when we should turn to the wisdom of great thinkers. And there are times when you need the kind of enlightenment that only a former Coney Island Mermaid Queen can give. *Wise Up* offers wisecracks—and some profound insights—in a unique book of parental inspiration.

**Community-based Tourism in the Asia-Pacific** Michael John Hatton, Humber College of Applied Arts and Technology. School of Media Studies, 1999

**No Way Back Home** Miki Hruska, 2020-04-22 In 1938, when faced with a decision to work at a shoe company in India or stay in Czechoslovakia and wait for another war, Miki Hruska's newly married parents opted to move, thinking they would return home in a few years. But they would not be able to return "home" for another four decades; instead, home became Calcutta, where they raised their family and established a business during a parade of turbulent social and political events. The ill-planned departure of the British from India and their bungled attempts at Partition engendered riots and killings that brought bloodshed to the family's front door. And when the Communists took over the government of West Bengal, they brought labour disruptions that made it next to impossible to operate the family business. This riveting family memoir is set during the cataclysmic events of WWII and its aftermath, giving a harrowing yet heartwarming portrait of life for a migrant Czech family and showing how perseverance and love can sustain people through the darkest of times.

**Ramblings of a Simpleton** S. V. Prabhath, 2013-03 *Ramblings of a Simpleton* is a collection of narratives that represents author Dr. S.V. Prabhath's attempts to pen down a few of his various experiences, observations, and anecdotes from his journey of life. Some sections deal with workday experiences, others with episodes from the author's personal life, while others are recollections of younger days. While the book has some philosophical reflections, balancing light musings on the commonplace with occasional forays into the darker recesses of the unconscious, it is meant only for light reading. Unlike many books of a similar philosophical bent, *Ramblings of a Simpleton* is intended to elicit smiles and occasional chuckles as much as an odd moment of reflection or inward contemplation. The narratives in the book are grouped into six sections, forming a melting pot of memoirs that attempt to depict the rainbow of emotions that profile the author's life. The author draws upon his diverse background in various fields of research, teaching, publishing, and world travel to present the reader with a colorful palette of experiences and anecdotes that are amusing and also enlightening. Possessing what he describes as a wholesome academic background, author

Dr. S.V. Prabhath is a scholar, a man of letters, and a contributor to various journals and publications. Along the route of his well-travelled life, he has edited numerous books including Gandhi Today and Youth and Rural India. On the front cover is a picture of his father who is in his 90s. The book's title Ramblings of a Simpleton is aptly epitomized by his photograph, which captures him in a contemplative mood on a Sunday evening. Publisher's website: <http://sbpra.com/SVPrabhat>
