**You Call That Service?, Vol. 6 (light novel)** Kiseki Morita,2022-06-28 A Big Decision for Shiren... Shiren receives a letter from her mother promising to whisk her away so the two can start a new life together back in Japan. The thing is, her mother is a wanted criminal in the empire, and now she's taken control of the Virginal Father! *Race to the Frontier* John Van Houten Dippel,2005 Table of contents available via the World Wide Web.

*Revolution, Representation, and Authoritarianism* Sarah Wessel,2021-11-29 This book examines Egypt's turbulent and contradictory political period (2011-2015) as key to understanding contemporary politics in the country and the developments in the Arab region after the mass protests in 2010/11, more broadly. In doing so, it breaks new ground in the study of political representation, providing analytical innovation to the study of disenchantment with politics, democracy fatigue and social cohesion. Based on five years of intense fieldwork, the author provides rare insights into local and national ideas on politics, justice and identity, and on how people situate themselves and Egypt in the regional and global context. It analyzes how the creation of an alternate, political system was discussed and negotiated among the Egyptian population, the military, the government, public figures, the media, and international actors, and yet nevertheless today, Egypt has a new political regime that is the most repressive in the countries' modern history. Finally, it recalls the emotions and perceptions of individuals and collectives and interlinks these local perspectives to national events and developments through time. This book will be of key interest to scholars and students of democratization and authoritarianism, Middle East Studies, political representation and informality, collective action, and more broadly to cultural studies and international relations.
