All The Songs Philippe Margotin, Jean-Michel Guesdon, 2014-02-04 \*\*NOTE: EBOOK DOES NOT INCLUDE ANY IMAGES\*\* Every album and every song ever released by the Beatles?from Please Please Me (U.S. 1963) to The Long and Winding Road (U.S. 1970)?is dissected, discussed, and analyzed by two music historians in this lively and fully illustrated work. All the Songs delves deep into the history and origins of the Beatles and their music. This first-of-its-kind book draws upon decades of research, as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song, the recording process, and the instruments used. Here, we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri, which he bought for £100 in 1960 in Hamburg, Germany. We also learn that Love Me Do, recorded in Abbey Road Studios in September 1962, took 18 takes to get right, even though it was one of the first songs John and Paul ever wrote together. And the authors reveal that when the Beatles performed I Want to Hold Your Hand on The Ed Sullivan Show in 1964, John's microphone wasn't turned on, so viewers heard only Paul singing. All the Songs is the must-have Beatles book for the any true Beatles fan.

Heavy Sinners MC Rae B. Lake, 2022-01-25 Marcus Heavy is the founder of the Heavy Sinners Motorcycle Club. They specialize in the drug game, prostitution, blackmail, and murder. You cross any member of the club, and that's the end of your life. Marcus' son, Darius, was supposed to take up the mantle as leader of the club, but Darius doesn't want

that life. He's seen the devastation it brings to his family and everyone around them. So, Darius gets a college degree and a good job and claws his way out of the hood. The life he's chosen couldn't be more different than that of his homicidal father's—until unknown enemies show up at his door, shoot Darius in the head, and kidnap his child. He wakes up in the hospital to find his father hovering over him, wanting to know what Darius plans to do for revenge. No one attacks the Heavy name and lives to tell the story. Darius resists, but as weeks go by and officials focus more on smearing Darius than they do on searching for his child, he feels desperate. With his back to the wall and no official help in sight, Darius turns to the group he once rejected. Marcus always knew his son would come back to the Heavy Sinners MC. He hands over the VP patch to Darius, who suddenly has a seat at the table in the organization he never wanted to be a part of. Desperate to find his child, he tears through the city, going after anyone who might have had a hand in the attack on his family. He never imagined himself as a violent person, yet soon Darius discovers that not only is he capable of it, but he's good at it. When Dharia enters his orbit, she puts a spark to the desire in him that had burned out months ago, igniting a fire of passion. Will he be able to return to his true self, or is the legacy of the Heavy Sinners MC too strong to resist?

**Creative Autonomy, Copyright and Popular Music in Nigeria** Mary W.

Gani,2020-07-27 This book provides an in-depth analysis of the unique structure of the Nigerian popular music industry. It explores the dissonance between copyright's thematic support for creative autonomy and the practical ways in which the law allows singer-songwriters' (performing authors') creative autonomy to be subverted in their contractual relationships with record labels. The book establishes the concept of creative autonomy for performing authors as a key criterion for sustainable economic development, and makes innovative legal and policy recommendations to help stakeholders preserve it.
