**The Power of Past Life Regression** Steve Burgess,2020-03-27 Welcome to the exciting world of past life regression! Hypnotherapist Steve Burgess has conducted many thousands of past life regression sessions and this book details some of the incredible healings his clients have experienced as a result of past life therapy. Each of the client's stories is vividly re-told using the words that they spoke whilst in trance in their regression sessions. They paint exciting pictures and describe in detail the events that took place in the past lives, often giving a fascinating insight into life in former times. If you're interested in spiritual issues or in learning more about reincarnation and how our previous lives affect our present life, you'll be fascinated to read the journeys of Steve's clients as they release the traumas of their past lifetimes and achieve wholeness in this life.

**Journey to My Past Lives** Nathalia Sunaidi, 2006-10 What is past life regression? Do you believe in reincarnation? Do you believe that you were someone else? Do you have previous life before your current life? How can past life regression (PLR) guide you? Many people over the world believe they have experienced reincarnation. And those reincarnation experiences have a positive impact that can be used as part of a healing process in therapy. Many people are searching for a path and way to know more about their previous life before their present life. So, this book pretty much will guide you to answer those complex questions above. PLR-its literal definition-is a journey into past life. When you are hypnotized, you can track that period before your present life. What if you don't believe in past life regression? Even if you don't believe in reincarnation, most people believe that when we die, our soul will continue to live in a different life as a different person. Meaning that, after we die, our soul will continue to occupy a different body until that body or physical form also becomes old and an improper vessel for the soul. Maybe you read this book because you or people you know believe in a previous life. There is unique way to know your previous life through hypnotherapy. I suggest that you open your mind to this possibility and read Nathalia Sunaidi's book.

**Famous Past Lives** Steve Burgess,2011 Steve Burgess is one of the UK's leading Hypnotherapists who has completed many thousands of past life regressions. This intriguing book is the story of some of his clients who in regression sessions appear to have been very famous historical characters in their previous lives. These famous past lives include Queen Elizabeth I, her elder sister Queen Mary, one of Jack the Ripper's prostitute victims, Titus Oates from the Scott of the Antarctic Expedition and William Shakespeare. Whilst in trance, Steve's clients give fascinating accounts of their past life alter egos, often experiencing things known only to historians. As they re-live their famous past lives they even provide unknown information, which gives us a fuller insight into the lives of the famous characters, including Elizabeth's passionate affair with Robert Dudley and the fate of their love child, and Shakespeare's travels abroad. This book may be the book that proves the reality of reincarnation, and will be of interest to both sceptics and spiritually minded people.

Life Between Lives Michael Newton,2014-01-08 Dr. Michael Newton is world-famous for his spiritual regression techniques that take hypnotic subjects back to their time in the spirit world. **Past Lives** Damian Bertrand, Lauren Jefferson, 2017-12 Clinical hypnotherapist Damian Bertrand, C.Ht, never expected to help others by transporting them decades, or even hundreds of years, into the past to discover the true meaning behind broken relationships, strange phobias, and unexplained behavior. Confident that reincarnation was nothing but an unsolved puzzle of the subconscious mind, Bertrand performed hypnotic regressions on willing clients, shocked to find that their stories were rich in details that corroborated with research into very real past lives: Existences that span from heartbreaking tales of lost love, to the victories of tribal leaders protecting their ancient villages. Past life regression quickly became the basis for Bertrand's private practice in Los Angeles, CA, and then the subject of his television show REINCARNATION: PAST

LIVES. In Past Lives: Journeys Revealed, Damian Bertrand invites you to discover eight of these powerful regressions, the lessons learned from each, and how every client's life changed with the knowledge of their soul's journey - revealed.
