Past Life Regression Mary Lee LaBay,2004-12-10 The quest for self-knowledge and awareness has gained increasing popularity over the past several decades, with an explosion of beliefs and methodologies. Central to these practices is the exploration of past lives. From the curious layperson to the traditional doctor of medicine, people are employing various techniques in an effort to facilitate this experience. Certified hypnotherapy instructor Mary Lee LaBay has written *Past Life Regression: A Guide for Practitioners* as a comprehensive text for beginning as well as veteran therapists. Ms. LaBay covers both basic and advanced techniques in a philosophical context, to help practitioners generate maximum healing and change during the past life session. Through case studies and concise instructions, the author demonstrates practical and elegant uses of these techniques that allow the client to discover life purpose, aspects of their relationships, roots of disease, addiction, and phobias, as well as a wide range of other life issues.

Reliving Past Lives: The Evidence Under Hypnosis Helen Wambach,2021-04-06 In *Reliving Past Lives*, psychologist Helen Wambach, PhD, shares the fascinating results of her large-scale past-life group hypnotherapy sessions. In an effort to rule out false memory, fantasy and wishful thinking often associated with past life hypnosis, Wambach devised a protocol where she chose time-specific periods from 2000 BC to the twentieth century and asked respondents where they were and what they were doing during that specific period. Race, social class, occupation, types of money used and gender were all explored. Mundane questions were asked such as: What types of utensils are being used? Describe weaving techniques that are being used. What foodstuffs are commonly in use during this time? What color is the brickwork of the houses? As expected, when taken to a specific period some respondents reported experiences while others reported nothing, prompting the question, did they report nothing because they were between lives? Wambach reasoned that if she asked a large number of subjects questions about a specific time and place and received a sizable percentage of similar answers from subjects who weren't consciously aware of the information they were reporting, that was something worth investigating further. Together with her book, *Life before Life*, the data is compelling reading for anyone pondering the validity of reincarnation and life beyond physical death.

Life Between Lives Michael Newton,2014-01-08 Dr. Michael Newton is world-famous for his spiritual regression techniques that take hypnotic subjects back to their time in the spirit world. His two best-selling books of client case studies, *Journey of Souls* and *Destiny of Souls*, have left thousands of readers eager to discover their own afterlife adventures, their soul companions and guides, and their purpose in this lifetime. Now, for the first time in print, Dr. Newton reveals his step-by-step methods. His experiential approach to the spiritual realms sheds light on the age-old questions of who we are, where we came from, and why we are here. This groundbreaking guidebook, designed for both hypnosis professionals and the general public, completes the afterlife trilogy by Dr. Newton.

The Power of Past Life Regression Steve Burgess,2020-03-27 Welcome to the exciting world of past life regression! Hypnotherapist Steve Burgess has conducted many thousands of past life regression sessions and this book details some of the incredible healings his clients have experienced as a result of past life therapy. Each of the client's stories is vividly re-told using the words that they spoke whilst in trance in their regression sessions. They paint exciting pictures and describe in detail the events that took place in the past lives, often giving a fascinating insight into life in former times. If you're interested in spiritual issues or in learning more about reincarnation and how our previous lives affect our present life, you'll be fascinated to read the journeys of Steve's clients as they release the traumas of their past lifetimes and achieve wholeness in this life.

Children's Past Lives Carol Bowman,2012-02-01 Has your child lived before? In this fascinating, controversial, and groundbreaking book, Carol Bowman reveals overwhelming evidence of past life memories in children. Not only are such experiences real, they are far more common than most people realize. Bowman's extraordinary investigation was sparked when her young son, Chase, described his own past-life death on a Civil War battlefield--an account so accurate it was authenticated by an expert historian. Even more astonishing, Chase's chronic eczema and phobia of loud noises completely disappeared after he had the memory. Inspired by Chase's dramatic healing, Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives, spontaneously and naturally. In *Children's Past Lives*, she tells how to distinguish between a true past life memory and a fantasy, offers practical advice to parents on how to respond to a past life memory, and shows how to foster the spiritual and healing benefits of these experiences. Perhaps the most moving, convincing, and best-documented evidence yet for life after death, *Children's Past Lives* will stand alongside the classics of Betty J. Eadie, Raymond Moody, and Brian Weiss in its power to comfort, uplift, and

transform our thinking about life after death

Healing with Past Life Therapy Lorraine Flaherty, 2013-09-01 Providing evidence to the validity of past lives, this self-help guide delves deeply into past life regression and offers a thorough understanding of each step of the process. Through detailed transcripts of actual sessions, ordinary people speak candidly about their experiences with this form of self-discovery. Confirming that she has gone through the same journey to healing, Lorraine Flaherty incorporates stories of her own past lives to illustrate the ways these insights can aid in clearing away mental clutter, help to form better decisions, cause one to become more empowered, and put one's life on the right path. With a compelling and down-to-earth approach, this remarkable discussion illustrates the ways that any reader—from the idly curious to the serious spiritual seeker—can develop a greater understanding of who they are, where they come from, and where they are going.

Many Lives, Many Masters Brian L. Weiss, 1988-07-15 As a traditional psychotherapist, Dr. Brian Weiss was astonished and skeptical when one of his patients began recalling past-life traumas that seemed to hold the key to her recurring nightmares and anxiety attacks. His skepticism was eroded, however, when she began to channel messages from the space between lives, which contained remarkable revelations about Dr. Weiss' family and his dead son. Using past-life therapy, he was able to cure the patient and embark on a new, more meaningful phase of his own career.

Hypnosis William Robertson, 2020-05-28 Hypnosis is a simple thing. There is a whole industry trying to camouflage that fact, because... Hypnosis is a simple thing. As Tad James once said, our brain is designed to learn FAST, and if a learning process involves any kind of suffering, it means we do something wrong. You'll be able to: --Memorize sales presentations, plus rebuttals to objections. --Foreign languages in days, not months or years. --Musical instruments in less than a week. --Anything else you want. In this book I'll teach you how to write hypnotically. I'll teach you how to paint with words in such a way they impress, influence, and change people's persuasions without question. You'll learn how to phrase sentences hypnotically, how to affect people emotionally, and how to hypnotize readers without them knowing they're being hypnotized. You will even learn how to get people to take action on what you propose they do.

The Past Life Perspective Ann C. Barham, 2016-06-07 A unique, insightful, and practical look into the enormous power of past life regression therapy to unlock a healing pathway that can help you resolve enduring personal issues, enrich your life, and answer burning spiritual questions about your purpose on this earth. In this rare and fascinating intimate glimpse at past life regression therapy, licensed therapist Ann Barham invites us into her office as she helps her clients mine their unconscious memories for the key past life experiences that can provide specific guidance for their current situations. No longer simply the stuff of new age practitioners, past life regression therapy is a powerful tool that can improve your understanding of your personal challenges and deepen your connection with the world around you. Barham demystifies this intriguing phenomenon, sharing her client's astounding stories, each a clue to the profound influence the personalities of the past have on our thoughts and actions today. As modern science and technology advance at overwhelming rates, many of us crave the healing insights and feelings of eternal love that survivors of near death experiences frequently report. Through past life therapy, everyday people are able to experience prior lifetimes all the way through their deaths, tapping into abiding spiritual truths and answering essential questions about human existence.

Journey to My Past Lives Nathalia Sunaidi, 2006-10 What is past life regression? Do you believe in reincarnation? Do you believe that you were someone else? Do you have previous life before your current life? How can past life regression (PLR) guide you? Many people over the world believe they have experienced reincarnation. And those reincarnation experiences have a positive impact that can be used as part of a healing process in therapy. Many people are searching for a path and way to know more about their previous life before their present life. So, this book pretty much will guide you to answer those complex questions above. PLR-its literal definition-is a journey into past life. When you are hypnotized, you can track that period before your present life. What if you don't believe in past life regression? Even if you don't believe in reincarnation, most people believe that when we die, our soul will continue to live in a different life as a different person. Meaning that, after we die, our soul will continue to occupy a different body until that body or physical form also becomes old and an improper vessel for the soul. Maybe you read this book because you or people you know believe in a previous life. There is unique way to know your previous life through hypnotherapy. I suggest that you open your mind to this possibility and read Nathalia Sunaidi's book.

Past Life Regression Mila Anderson, 2017-05-22 Past life regression therapy is built upon the idea that we're eternal beings that move from life to another in different place and time. As perpetual spirits, we come across bodily existence on Earth in a series of persona and physical bodies. On a spiritual level, we choose every lifetime as a way to learn the lessons we've to head off for ourselves. Exploring our life in the past through a therapy for apparently inexplicable physical or mental issues is known as Past Life Regression Therapy. It works together with beliefs of reincarnation and takes us back in earlier life to get a better understanding of our life we live in the present. In this book, we will tell you everything you need to know about Past Life Regression and how you can even perform it on yourself without the help of a hypnotherapist.
