Accounting for Payroll Steven M. Bragg, 2004-06-08 A one-stop resource for setting up or improving an existing payroll system! The most comprehensive resource available on the subject, *Accounting for Payroll: A Comprehensive Guide* provides up-to-date information to enable users to handle payroll accounting in the most cost-effective manner. From creating a system from scratch to setting up a payroll department to record-keeping and journal entries, *Accounting for Payroll* provides the most authoritative information on the entire payroll process. Ideal for anyone new to the payroll system or as a skill-honing tool for those already immersed in the field, this hands-on reference provides step-by-step instructions for setting up a well-organized payroll system or improving an existing one.

South-Western College Publishing's Payroll Accounting Bernard J. Bieg, 1999-03 This number-one selling Payroll Accounting text/workbook illustrates the calculation of payroll, payroll taxes, and the preparation of records and reports that form the foundation of a payroll system.

The Payroll Book Charles Read, 2020-08-11 The Payroll Book is the only book that demystifies payroll with clear, concise, and real-world examples on how to tackle the process. The Payroll Book will be a valuable resource for the small business owner as well as for the entrepreneur planning a new venture. Thorough, well-organized, and thoughtfully written, this practical guide is an essential tool for managing the payroll process. —Marilyn K. Wiley, Dean, College of Business, University of North Texas Failing to comply with the withholding, tax remittance, and report filing requirements in handling business payroll carries a high cost. Charles' book will guide entrepreneurs through the minefields of payroll processing and reporting in language that business owners can understand. Whether you already own or are planning to start your own business, *The Payroll Book* is an essential tool. —James A. Smith, Past President and Chairman, Texas Society of CPAs If accounting is something you have not paid keen attention to in your startup, then this book can demystify the whole thing for you and then some! Logically set-up and highly practical in its approach! I highly recommend this book for any startup, entrepreneur, and, frankly, anyone thinking about starting a business. That said, if you already started a business it's just as important—this is a must-read! —Hubert Zajicek, CEO, Co-founder and Partner, Health Wildcatters Wow! This is the most comprehensive book of its kind. I have worked in payroll for over 25 years, and I would recommend this book as a reference to anyone who has a hand in payroll. From the novice just entering the field to the seasoned veteran, there is something in this book for everyone. —Romeo Chicco, President, PayMaster

The Payroll Process Gregory Mostyn, 2018-06-15 The Payroll Process, A Basic Guide to U.S. Payroll Procedures and Requirements (2018), explains the payroll process and provides references for additional compliance issues and research. Specifically, for a business, the book is designed for use in four ways: 1 The book explains the steps needed to complete a proper payroll process. Numerous examples and illustrations are provided. 2 The book acts as a concise, efficient, first reference that should be used as the first source for calculations, payroll accounting procedures, to meet compliance requirements and to resolve payroll questions. 3 As the topics change, the book provides references to more detailed information sources by individual topic. 4 For new businesses, text and appendix provide a payroll checklist for startup procedures. As well, employees who wish to understand overtime and minimum wage, payroll withholding calculations, and see explanations of labor law protections and employee rights and benefits will find the book to be a valuable reference. Tax tables, commonly used payroll tax forms, and index are included.

Payroll Best Practices Steven M. Bragg, 2005-07-20 120 best practices to improve the total process of the payroll department Payroll Best Practices examines, in great detail, best practices for the payroll function, and how to install them to provide readers with an in-depth knowledge of how this critical functional area can be improved. Here, controllers, payroll managers, and CFOs will discover the exact work plans needed to implement each best practice in their organizations, and lays out pitfalls likely to be encountered and avoided along the way. This how-to resource for payroll improvements includes: * Techniques for reducing the workload and error rate of the payroll staff * Methods for switching from an in-house to an outsourced payroll solution * Ways to create or outsource a Web-based timekeeping system * Approaches to switching to an employee-driven payroll deduction system * Graphics indicating the cost and implementation duration for each best practice * Policies and procedures that support the best practices * A simplified best practices implementation plan * An appendix that summarizes the large number of best practices presented * A glossary of key payroll-related terminology * And much more

Payroll Records & Procedures Merle W. Wood, Sherry Cohen, 1999-09 This package consists of a student text-workbook, practice set, and computerized templates for QuickBooks. The program presents payroll activities and related materials as a single unit and includes a comprehensive practice set that is available separately or shrink-wrapped with the text-workbook. The easy-to-read presentation of topics helps students develop efficient working procedures. Numerous illustrations and examples support content.

Tax Compliance Steven J. Sebastian, 2009 Federal contractors abuse the tax system with little consequence. Much of the tax abuse

involved contractors not remitting to the government payroll taxes that were withheld from salaries. This report reviews the IRS's processes and procedures to prevent and collect unpaid payroll taxes. This report determines: (1) the magnitude of unpaid federal payroll tax debt; (2) the factors affecting IRS's ability to enforce compliance or pursue collections; and (3) whether some businesses with unpaid payroll taxes are engaged in abusive or potentially criminal activities with regard to the federal tax system. Includes recommendations. Charts and tables.
