Daddy Who? Craig Horne,2018-11-01 Daddy Who? is the story of a phenomenon, a band that in eighteen short months changed the course of Australian rock history. Author and musician Craig Horne was with Daddy Cool every inch of the way. With an insider's view, he tracks the journey from when they burst onto the scene in October 1970, with their infectious doo-wop mayhem, and follows their rapid rise to the top—when they were on the front cover of every newspaper and rock magazine in the country, and when radio churned out hits like 'Eagle Rock', 'Come Back Again' and 'Hi Honey Ho!' virtually nonstop. The book reveals the madness of Daddy Cool's three US tours, from their showcase performance at LA's Whisky A Go Go, to New York's famed Madison Square Garden, and supporting the likes of Elvin Bishop, Fleetwood Mac, Deep Purple, Little Feat and Captain Beefheart. Daddy Who? is the first book to tell the complete story of the enduring legacy of one of the most unique and much loved bands Australia has ever produced. Daddy Cool are one of the most impressive bands I've ever heard ... And 'Eagle Rock' is one of my favourite tracks of all time. — Sir Elton John, 1975

Inside Out & Back Again Thanhha Lai,2013-03-01 Moving to America turns H&à's life inside

out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

The Peace Talk Nina Blakeman,2024-02-16 They made a mistake. Some might call it an error in judgement, others call it murder. As adults, Andy, Gary, Hal, and Monty are defined by the events of a single day on the banks of the Arkansas River that followed their high school graduation. As each man struggles to establish himself—in love, in family, in career, in society—a shadow of lies and secrecy looms. The lives of four men are bound together by a shared past—and a deadly assault. Every year, the men meet prior to a vigil that memorializes their former teacher: not out of respect for him, but to get their story straight. However, when the daughter of their slain teacher also turns up dead, years of lies begin to unravel, and each man must either face up to his role in a man's death or be overtaken by it. Amid their struggle is Monty's father, Judge Winston Reardon. Upon learning that he's the namesake of a relative who committed treason during World War II, his identity ruptures—the collateral damage far-reaching. The judge's strategic, punitive tactics stem from his determination that his son, Monty, not have a weak constitution—like a traitor. He's going to make a real soldier out of the boy. As far as the judge is concerned, there'll be no negotiation, no conflict resolution, no peace building. To the judge, life is a war and the thought of surrender—not an option.

Never Trust a Gemini Freja Nicole Woolf,2023-05-09 Cat Phillips has her head in the stars, but

The only problem is that her crush is on her best friend, Alison Bridgewater, who is more interested in chatting with boys. Maybe Cat should take this as a sign to get over Alison, even if that means dating the musically challenged Jamie Owusu. After all, a new boyfriend is the best cleanse, at least according to Cat's friends. Unfortunately, having a boyfriend is a lot harder than Cat expected. And then Morgan Delaney swoops in with her green glasses, enigmatic smile, and talent for teasing Cat in ways that make her feel überlicious. But Morgan is a Gemini, and there's no way that's in Cat's horoscope. Will Cat finally get the girl of her dreams? Or is there a chance there's more to life than Alison Bridgewater? The stars align for the cast of this energetic romp full of comedic misunderstandings and sparkling language.
