Peace, Love, and Baby Ducks Lauren Myracle, 2009-05-14
Growing up in a world of wealth and pastel-tinted entitlement, fifteen-year-old Carly has always relied on the constancy—and authenticity—of her sister, Anna. But when fourteen-year-old Anna turns plastic-perfect-pretty over the course of a single summer, everything starts to change. And there are boys involved, complicating things as boys always do. With warmth, insight, and an unparalleled gift for finding humor even in stormy situations, beloved author Lauren Myracle dives into the tumultuous waters of sisterhood and shows that even very different sisters can learn to help each other stay afloat.

Hand to Hold JJ Heller, 2021-07-20 This heartwarming picture book reassures children that a parent's love never lets go—based on

the poignant lyrics of JJ Heller's beloved lullaby "Hand to Hold." "May the living light inside you be the compass as you go / May you always know you have my hand to hold." With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child's heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent's presence and God's blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

My Big Nose and Other Natural Disasters Sydney

Salter,2009-04-06 “Simultaneously painful and hilarious . . . Captures the awkwardness of adolescence while driving home a message about self-acceptance” (Publishers Weekly). It’s the end of junior year, and the Summer of Passion is about to begin. At least that’s Jory Michaels’s plan, as she starts exploring the possibilities of her future—and the possibility of scoring a boyfriend. Only one obstacle seems to stand in the way of her happiness—her curvy, honking, bumpy nose, or as she calls it, Super Schnozz . . . Jory takes a job delivering wedding cakes to save up for a nose job at the end of the summer, just in time for senior year. She even keeps a book filled with magazine cutouts of perfect noses to show the doctor. But nothing is ever easy for accident-prone Jory—and before she knows it, her Summer of Passion falls apart faster than the delivery van she crashes. In this hilarious and heartbreaking novel, Sydney Salter delivers a story about broadening your horizons, accepting yourself, and finding love right under your nose. “Teens will enjoy Jory’s comic self-deprecation.” —Booklist

Feminist Conversations on Peace Smith, Sarah,Yoshida,

Keina,2022-07-26 EPUB and EPDF available Open Access under CC-BY-NC-ND licence. What is feminist peace? How can we advocate for peace from patriarchy? What do women, globally, advocate for when they use the term 'peace'? This edited collection brings together

conversations across borders and boundaries to explore plural, intersectional and interdisciplinary concepts of feminist peace. The book includes contributions from a geographically diverse range of scholars, judges, practitioners and activists, and the chapters cut across themes of movement building and resistance and explore the limits of institutionalized peacebuilding. The chapters deal with a range of issues, such as environmental degradation, militarization, online violence and arms spending. Offering a resource to advance theoretical development and to advocate for policy change, this book transcends traditional approaches to the study of peace and security and embraces diverse voices and perspectives which are absent in both academic and policy spaces.

Shortcuts to Inner Peace Ashley Davis Bush,2011-11-01 Finding serenity every day...in the everyday things we do. It can be a challenge to reach a calm and relaxed mindset, especially in our modern world. But in *Shortcuts to Inner Peace*, Ashley Davis Bush helps readers learn how to hit the pause button amidst the chaos with a spirit of mindfulness-linking fast, easy, and restorative respites to ordinary everyday activities. Once people begin to integrate these shortcuts into their daily lives, they begin to happen automatically. And when that happens, inner peace will no longer be a brief state of mind, but a way of life.

A Prophecy of Love Thomas J. Gaffney,2012-08 We were given life to love God and others. Born in nature and to a lost world with a determined enemy, few ever learn how to love. Be still. Know Him who is love and wants to become love in you. Living is a passage in time through a sea of relationships without a map. Storms of confusion and conflict throw us off course. Most will be lost in the sea. We cannot find our way alone. The Word of God, the abiding Jesus and

the Holy Spirit are with us every moment, revealing and guiding us to love the way God does. By way of allegory, a metaphor about wild Maine blueberries, a testimony and essay, the essential form of God's love is illuminated in *A Prophecy of Love* to encourage and inspire you. Partake of His greatest blessing and become a light for Him in your life.

The John Carlos Story Dave Zirin, John Carlos, 2011-10-04 “A powerful and poignant memoir” of an African American athlete who defied the establishment—decades before Colin Kaepernick (Cornell West, New York Times–bestselling author of *Race Matters*). An NAACP Image Award Nominee for Outstanding Literary Work—Biography/Autobiography John Carlos was a bronze medalist in the two hundred-meter race at the 1968 Olympics, but he is remembered for more than his athletic accomplishments. His and his fellow medalist’s Tommie Smith’s Black Power salutes on the podium sparked controversy and career fallout—yet their show of defiance, seen around the world, remains one of the most iconic images of both Olympic history and African American history. This is the remarkable story of John Carlos’s experience as a young man in Harlem, a track and field athlete, and lifelong activist. “This book is fascinating for more than just the sports history, as the text talks about Carlos’ connection to Dr. King, basketball player Kareem Abdul Jabbar, Olympic runner Ralph Boston, baseball legend Jackie Robinson and boxer George Foreman. Carlos even comments on topics in today’s news including First Lady Michelle Obama, the value of Twitter, the antics of athletes like Chad Ochocinco and Terrell Owens, and his

Vigilance's Apprentice Jeremy Michelson, Super hero friends are great. Except for the super villains trying to kill you. Twenty-five years after the Vigilante returned to New Bedlam, their daughter has taken up the hero's mantle. Protecting the city from...wait, what are you— Hi, Burke Hale here, interrupting whatever this is to tell you what this story is really about. It's about me and my super ninja hero ferret, Binky. You see, I came home to my converted motel room apartment in the seediest part of town and found myself dead on the couch. Or some wickedly handsome dude who looked exactly like me. Because I wasn't dead. Though lots of people would be thrilled if I were dead. The cops were already there, examining my—the other dude's—non-living body, and they were surprised to see me. Like, creepy ghost time surprised. Then these other guys showed up from some super secret government organization. They whipped their guns out and... That's when Binky the awesome ninja ferret kicked

their posteriors. Shortly after that things got weird. Which is saying a lot for me. I'm up to my eyeballs in trouble. So is Nora, my Vigilante hero girlfriend. Ex-girlfriend, technically, but I was working on changing that. Except the bad guy keeps blowing things up and everything keeps twisting around on me. I don't know what's what anymore. Then things get even more weird. If I can't figure it out in time, everyone and everything I love is going to be as dead as that handsome guy on my couch. Which would be really bad. Vigilance's Apprentice, the next strange and thrilling chapter in the Bedlam's Heroes series.
