Portraits of Peace John Noltner, 2021-09-21 Frustrated with an increasingly polarized society, award-winning photographer John Noltner set out on a road trip across the US to rediscover the common humanity that connects us by asking people the simple question What does peace mean to you?

And I Shall Have Some Peace There Margaret Roach, 2011-02-23 Margaret Roach worked at Martha Stewart Living Omnimedia for 15 years, serving as Editorial Director for the last 6. She first made her name in gardening, writing a classic gardening book among other things. She now has a hugely popular gardening blog, A Way to Garden. But despite the financial and professional rewards of her job, Margaret felt unfulfilled. So she moved to her weekend house upstate in an effort to lead a more authentic life by connecting with her garden and with nature. The memoir she wrote about this journey is funny, quirky, humble--and uplifting--an Eat, Pray, Love without the travel--and allows readers to live out the fantasy of quitting the rat race and getting away from it all.

A Peace of My Mind John Noltner, 2011-11 In a world that often asks us to consider the things that can separate us...whether that is race, politics or ethnicity...A Peace of My Mind explores the common humanity that unites us. A Peace of My Mind is a 120-page book that features the b&w portraits and personal stories of 55 individuals who answer the simple question, What does peace mean to you? Since 2009, Noltner has photographed and interviewed Holocaust survivors, refugees, political leaders, artists, homeless individuals, and others, asking them to reveal what peace means to them, how they work towards it in their lives and what obstacles they encounter along the way. The result is a stunning and

heart-felt collection that acknowledges the challenges we face as a society, yet builds hope through the inspiring stories of people committed to peaceful tomorrows.

Pilgrimage Annie Leibovitz, 2011 A striking collection by the eminent photographer encompasses her visual translations of how people live and do their work, showcasing her images of historically and culturally relevant homes belonging to such famous figures as Sigmund Freud, Charles Darwin and Louisa May Alcott.

Life Surrendered Jessica Herberger, 2022-03-01 Jessica's perfect life began to unravel, as she faced the twin pressures of raising her kids and watching her parents age. But along the way, she found new clarity on the freedom available to those willing to unclench their fists, lay down control, and truly die in a new way. Drawing inspiration from Jesus's story from Garden to grave, Jessica's message can help anyone struggling with maintaining control when life and family relationships are hard. *Life Surrendered* can help you live differently with more peace, less stress, and greater faith by looking as you look closely at the events of Good Friday.

Charleston Quentin Bell, Virginia Nicholson, 2018-09-06 Set in the heart of the Sussex Downs, Charleston Farmhouse is the most important remaining example of Bloomsbury decorative style, created by the painters Vanessa Bell and Duncan Grant. Quentin Bell, the younger son of Clive and Vanessa Bell, and his daughter Virginia Nicholson, tell the story of this unique house, linking it with some of the leading cultural figures who were invited there, including Vanessa's sister Virginia Woolf, the writer Lytton Strachey, the economist Maynard Keynes and the art critic Roger Fry. The house and garden are portrayed through Alen MacWeeney's atmospheric photographs; pictures from Vanessa Bell's family album convey the flavour of the household in its heyday.

Quest for Eternal Sunshine Mendek Rubin, Myra Goodman, 2020-04-14 Quest for Eternal Sunshine chronicles the triumphant, true story of Mendek Rubin, a brilliant inventor who overcame both the trauma of the Holocaust and decades of unrelenting depression to live a life of deep peace and boundless joy. Born into a Hassidic Jewish family in Poland in 1924, Mendek grew up surrounded by extreme anti-Semitism. Armed with an ingenious mind, he survived three horrific years in Nazi slave-labor concentration camps while virtually his entire family was murdered in Auschwitz. After arriving in America in 1946—despite having no money or professional skills—his inventions helped revolutionize both the jewelry and packaged-salad industries. Remarkably, Mendek also applied his ingenuity to his own psyche, developing innovative ways to heal his heart and end his emotional suffering. After Mendek died in 2012, his daughter, Myra Goodman, found an unfinished manuscript in which he'd revealed the intimate details of his healing journey. Quest for Eternal Sunshine—the extraordinary result of a posthumous father-daughter collaboration—tells Mendek's whole story and is filled with eye-opening revelations, effective self-healing techniques, and profound wisdom that have the power to transform the way we live our lives. An inspirational biography of a Holocaust survivor overcoming depression and PTSD. An essential new addition to Jewish Holocaust history.

Lone Fox Dancing Ruskin Bond, 2017-06-02 Over sixty years, for numerous readers--of all ages; in big cities, small towns and little hamlets--Ruskin Bond has been the best kind of companion. He has entertained, charmed and occasionally spooked us with his books and stories, and opened our eyes to the beauty of the everyday and the natural world. He has made us smile when our spirits are low, and steadied us when we've stumbled. Now, in this

brilliantly readable autobiography--his book of books--one of India's greatest writers shows us the roots of everything he has written. He begins with a dream and a gentle haunting, before taking us to an idyllic childhood in Jamnagar by the Arabian Sea--where he composed his first poem--and New Delhi in the early 1940s--where he found material for his first short story. It was a brief period of happiness that ended with his parents' separation and the untimely death of his beloved father. A search for companionship and security, undercut by a fierce independence and a tendency for risk-taking, would inform every choice he made for the rest of his life. With effortless intimacy and candour, Bond recalls his boarding school days in Shimla and winter holidays in Dehradun, when he tried to come to terms with a sense of abandonment, made friends, discovered great books and found his true calling. Determined to be a writer, he spent four difficult years in England, from 1951 to 1955, and he writes poignantly of his loneliness there, even as he kept his promise to himself and produced a book--the classic novel of adolescence, *The Room on the Roof*. It was born of his longing for 'the atmosphere that was India'--the home he would return to even before the novel was published, taking a gamble that would prove to be the best decision he made. In the final, glorious section of the autobiography, he writes about losing his restlessness and settling down in the hills of Mussoorie, surrounded by generous trees, mist and sunshine, birdsong, elusive big cats, new friends and eccentrics--and a family that grew around him and made him its own. Full of anecdote, warmth and gentle wit; often deeply moving and always with a magnificent sense of time and place--and containing over fifty photographs, some of them never seen before--*Lone Fox Dancing* is a book of understated, enduring magic, like Ruskin Bond himself.
