Darkness to Light Swami Ishwarananda, 2020-02-01
According to the Upanishads, the body is a temple and the one residing in it is the Lord Himself. Humans have endeavored to replicate this message through the construction of temples. The heart is the cave where the soul dwells and the cave is the temple's sanctum sanctum where the deity resides—in darkness and stillness. In all faiths, light is the archetype of transcendence. In the temple, it is only with the light of the lamp, purposefully raised, that the magnificent presence of God is revealed. In us, God is discovered with the light of knowledge: when it floods the cave, it banishes the darkness, illuminating and making the unknown gloriously known. What is this light?

What does it disclose? How is it attained? With gratitude and humility, 'Darkness to Light' provides answers and makes suggestions. This book is a humble offering of gratitude at the feet of the great master Pujya Gurudev Swami Chinmayananda, founder of Chinmaya Mission, who has ignited the spark in the hearts of seekers worldwide.

Peace in Prison Joy Dutton,2012-05 As a beam of light, God's love can pierce through the darkness to change the lives of people who are lonely, struggling, fearful, and oftentimes forgotten! God's love is not stopped by prison walls or the crimes committed by those inside. God's love is constant and sure, and it is for everyone! Peace in Prison is a compilation of short stories, thoughts, and Bible truths about prostitutes, murderers, adulterers, hypocrites, and thieves who started a new life in Jesus Christ. No matter

where you are or what you have done, you can have a fresh start with God. After reading this book, it is the author's hope that you will say, Jesus is in jail, as many have told her after talking with her during one of her many visits behind bars. Experience Peace in Prison by getting to know the One who freely offers peace and love to all who accept His gift.

Go Home and Grow Tomatoes Anna Remijn

Derham, 2012-12 In December 2004, the doctor told me that my tumour was an invasive ductal carcinoma that needed to be removed through a lumpectomy and radiotherapy or a mastectomy procedure. I could choose. After my mastectomy, my oncologist prescribed an aggressive chemotherapy treatment to increase the odds that this aggressive ductal carcinoma cancer would not return. His decision was founded on probability, based on statistics that indicated cancer could possibly return if I didn't do anything differently. My oncologist told me that administering prescribed chemotherapy treatment would increase my survival rate from 50 percent to 60 percent if chemotherapy were to be administered within six weeks of my mastectomy. Chemotherapy treatment filled me with fear. I chose to learn. From my greatest fear came my greatest discovery and my greatest success. I have learned that I have the resources within me to choose the quality of my life along the way. I have learned to hunt those embedded limiting beliefs that have moulded me. I have learned that I can choose to change my beliefs, to change my attitude, to choose my state, to change the stresses in my life. I have learned that I can choose to change my mind to change the energy in my body to feel better and better every day. I choose. I have been clear of cancer for eight

years. As a recently qualified life coach practitioner and an NLP practitioner, I am still learning. I practice what I learn through guiding others to realise their potential. My goal is to propel them forward, guiding them to use their imagination, to go back along their timeline and discover their defining moments. I urge them to uncover their embedded beliefs and know that they can change those beliefs anytime. Thus, they can change their bodies through changing their minds.

One of the significant advantages of Peacefully Loud books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.
