The War of the Rebellion United States. War Dept,1891
House documents ,1891
The War of the Rebellion United States. War Department,1891 Official records produced by the armies of the United States and the Confederacy, and the executive branches of their respective governments, concerning the military operations of the Civil War, and prisoners of war or prisoners of state. Also annual reports of military departments, calls for troops, correspondence between national and state governments, correspondence between Union and Confederate officials. The final volume includes a synopsis, general index, special index for various military divisions, and background information on how these documents were collected and published. Accompanied by an atlas.

The Underground Railroad Mary Ellen Snodgrass,2015-03-26 The culmination of years of research in dozens of archives and libraries, this fascinating encyclopedia provides an unprecedented look at the network known as the Underground Railroad - that mysterious system of individuals and organizations that helped slaves escape the American South to freedom during the years before the Civil War. In operation as early as the 1500s and reaching its peak with the abolitionist movement of the antebellum period, the Underground Railroad saved countless lives and helped alter the course of American history. This is the most complete reference on the Underground Railroad ever published. It includes full coverage of the Railroad in both the United States and Canada, which was the ultimate destination of many of the escaping slaves. The Underground Railroad: An Encyclopedia of People, Places, and Operations explores the people, places, writings, laws, and organizations that made this network possible. More than 1,500 entries detail the families and personalities involved in the operation, and sidebars extract primary source materials for longer entries. This encyclopedia features extensive supporting materials, including maps with actual Underground Railroad escape routes, photos, a chronology, genealogies of those involved in the operation, a listing of Underground Railroad operatives by state or Canadian province, a passenger list of escaping slaves, and primary and secondary source bibliographies.
