

Penguins On Demand

Atwater, Richard - Florence Atwater

Mr. Popper's Penguins Richard Atwater, 2021-01-01 Mr. Popper's Penguins is a children's book written by Richard and Florence Atwater, with illustrations by Robert Lawson, originally published in 1938. It tells the story of a poor house painter named Mr. Popper and his family, who live in the small town of Stillwater in the 1930s.

Abbie Rose and The Magic Suitcase: Picking Up A Penguins Egg Really Got Me Into trouble Neil Humphreys, 2013-09-15

Key Selling Points

- Introduces readers to a species of penguins known as Adélie Penguins.
- A learning adventure with fun facts presented in story format.
- Touches on topics such as friendship, discovery and exploration, animals and their habitat, nature and family.
- Bright colours to attract and hold children's attention.
- Interesting storyline to expand reader's imagination.
- Author and illustrator are both parents who know what appeals to target readership.
- Author available for events and talks in schools and bookshops.

Synopsis

Four-year old Abbie Rose has a magic suitcase. In this book, she goes on an exciting adventure to the South Pole with her best friend Billy. At the South Pole, which is white and full of snow, she meets a family of Adélie penguins. She picked up a penguin egg and the adventure begins. Abbie Rose and some penguins get separated from the rest of the group and come across a leopard seal that tries to eat them. In the end Billy saves everyone and the penguins are reunited with their family.

The Series

Abbie Rose and the Magic Suitcase series of books is targeted at children aged 3 to 8. Abbie Rose travels to faraway places and goes on many adventures with her friend Billy through the help of a magic suitcase. The series will expose readers to new destinations and environmental themes and will expand their imagination and creativity and understanding of the world around them. Interactive learning at your fingertips! Our young readers can now make a video call to chat with Abbie Rose and meet author Neil Humphreys via the Ring Ring Story app! Ring Ring Story is a mobile app that helps children, especially those who are not yet able to read independently, learn more systematically and thus effectively from books through pre-recorded bite-size videos by storytellers. The ultimate aim is to help young children become independent learners and readers. And what better series to kick off this learning journey than the Abbie Rose & The Magic Suitcase!

- Book 1: The Day A Panda Really Saved My Life
- Book 2: I Trapped a Dolphin but It Really Wasn't My Fault
- Book 3: Picking Up a Penguin's Egg Really Got Me into Trouble
- Book 4: I Saved Two Tigers with a Really Magical Idea
- Book 5: Telling the Otters to Leave Home Was a Really Big Mistake
- Book 6: Feeding the Monkeys Really Made a Mess

The Abbie Rose x Ring Ring Story (RRS) tie up will include cool features such as:

- A full interactive

storytelling session, available on-demand, for children to read the book along with Abbie Rose and Neil Humphreys. • Fun facts about the animals for readers to expand their knowledge of the natural world. • An outdoor discussion segment with Abbie Rose as useful conversation starters. • Crafting and colouring session with free downloadable worksheets for more artistic fun. • Available on Android and iOS.

About Author Neil Humphreys & Cheng Puay Koon The Author Neil Humphreys is Singapore's best-selling author. His books have consistently ranked no.1 on The Straits Times Bestsellers list. His novels also received critical acclaim in the UK. A devoted father, he hopes to give children brighter, funnier books to read. The Illustrator Cheng Puay Koon is an international best-selling author and one of Singapore's most in-demand illustrator. Her award-winning illustrations have featured in diverse local publications as well as in campaigns by leading advertising agencies and MNCs. The dedicated mother of two girls just wants her illustrations to make children smile.

Mr. Popper's Penguins Richard Atwater, Florence Atwater, 2011-06-14 Mr. Popper and his family have penguins in the fridge and an ice rink in the basement in this hilarious Newbery Honor book that inspired the hit movie! How many penguins in the house is too many? Mr. Popper is a humble house painter living in Stillwater who dreams of faraway places like the South Pole. When an explorer responds to his letter by sending him a penguin named Captain Cook, Mr. Popper and his family's lives change forever. Soon one penguin becomes twelve, and the Poppers must set out on their own adventure to preserve their home. First published in 1938, Mr. Popper's Penguins is a classic tale that has enchanted young readers for generations. This ebook features an illustrated biography of Richard and Florence Atwater including rare photos from the authors' estate.

Mr. Popper's Penguins By Atwater, Richard – Florence Atwater Atwater, Richard - Florence Atwater, 101-01-01 Mr. Popper's Penguins is a classic children's book written by Richard and Florence Atwater and published in 1938. It tells the story of Mr. Popper, a house painter who receives a penguin as a gift from Admiral Drake, a famous explorer. Mr. Popper names the penguin Captain Cook, and the two quickly become best friends.

Penguins Robin Bernard, 2003-04 A learning bank of information and activities that teach about penguins.

Penguins (New & Updated Edition) Gail Gibbons, 2022-11-15 From Gail Gibbons, the #1 author of science books for kids, this guide to those wonderful waddling water birds is updated with the latest facts from experts. In this new edition vetted by experts, learn about some of the seventeen different kinds of penguins. With bright watercolor illustrations and kid-friendly language, Gail Gibbons

introduces young readers to zoology concepts, describing where and how penguins live, what they eat, and how they hatch their young. With updated information on species classifications, habitat ranges, and prehistoric penguins. Learn how penguin's feathers are designed to help them survive freezing waters. See how emperor penguins take care of their babies in extremely cold temperatures, working together to look after one large egg at a time. Readers will also learn about threats to penguin populations, and what conservation efforts have been made to help preserve them. Even more penguin facts are included in the backmatter. Author of over 120 nonfiction books for kids, including the beloved Monarch Butterfly and From Seed to Plant, and with hundreds of thousands of books sold, Gail Gibbons continues to bring science to kids this colorful and approachable introduction to penguins.

Penguins Seymour Simon, 2007-10-16 Text and photographs explore the differences and similarities of different species of Antarctic penguins.

Antarctic Penguins: A Study of Their Social Habits G. Murray Levick, 2018-08-07 The penguins of the Antarctic regions very rightly have been termed the true inhabitants of that country. The species is of great antiquity, fossil remains of their ancestors having been found, which showed that they flourished as far back as the eocene epoch. To a degree far in advance of any other bird, the penguin has adapted itself to the sea as a means of livelihood, so that it rivals the very fishes. This proficiency in the water has been gained at the expense of its power of flight, but this is a matter of small moment, as it happens.

Professor Penguin Lloyd Spencer Davis, 2014-10-17 Meet 'Bill Bryson in Antarctica' in this engaging book by one of the world's authority on penguins. Part memoir, partly the research of a field biologist, Professor Penguin could be called 'How Penguins Shaped My Life'. Based on journals kept during Davis's years of working with penguins in the wild, the story takes readers to remote locations: Antarctica, the Galapagos, the deserts of Chile and Peru, the Falkland Islands, the wild coasts of Argentina and South Africa, and New Zealand. Davis, a world authority on penguins, reveals that these box-office favourites are not the cute 'mate for life' animals we've been led to believe. He also reveals that penguins are a lot like humans – sometimes disturbingly so – when it comes to their basic needs: sex, food, shelter, marriage, family and travel. Over the years that Davis studies penguins, he realises that they are far more complex and nuanced than he imagines at his first encounter. 'They really don't deserve to be seen as so black and white.' He expertly marries scientific knowledge with his own anecdotes – told with humour, hard-earned knowledge and insight. He also includes stories about

those who have helped advance our knowledge of penguins —other 'Professor Penguins'. Implicit throughout is Davis's philosophy – the more we learn about the natural world, and specifically penguins, the more we learn about ourselves. And he asks: Is the isolation of Antarctica sufficient to protect penguins from us?

Penguins: 101 Fun Facts & Amazing Pictures (Featuring The World's Top 8 Penguins) Janet Evans, 2013-10-23 This book depicts the wonder of the world of Penguins in all its glory. Children are given a well-rounded understanding of this fascinating creature: its anatomy, feeding habits and behavior. The following penguins are featured: * The fierce Adelie Penguin * The comical African Penguin * The awesome Emperor Penguin * The strange Galapagos Penguin * The regal King Penguin * The beautiful Little Blue Penguin * The burrowing Magellanic Penguin * The bad-tempered Rockhopper Penguin The pictures look great even in black and white and are excellent on the full color kindle. The description in the large text beneath is simple enough for early readers or for a parent to guide a child through. There are also picture captions that provide more information to talk about with your child. Alternatively, a child of any age (even the child in you) can just look at the images and appreciate its beauty. Enjoy!

It's a Penguin! Kerry Dinmont, 2018-08 Introduces penguins, describing their physical features, habitat, life cycle, and predatory behavior.

Penguin ,

When Penguins Cross the Ice Sharon Katz Cooper, 2015 Bundle up, and experience one of the most challenging migrations in the world in *When Penguins Cross the Ice*. Beautiful illustrations and a touching narrative tell the story of one particular Emperor penguin in the frozen heart of Antarctica.

My Season with Penguins Sophie Webb, 2000 A 2001 Sibert Honor Book What is it like to live in a tiny polar haven for two months? To paint penguins outdoors in freezing weather? To be flipper-slapped by a bird whose wings are powerful enough to propel it swiftly through frigid waters? To look into the oddly expressive eyes of a penguin chick? With charming watercolors and intriguing journal entries, this book inspires our curiosity. Sophie Webb gives readers a vivid, frank, firsthand account of what it is like to spend a season in a land not yet affected by people, yet populated for centuries by true dwellers of the Antarctic -- the fearless, round-bellied, pink-footed, gliding, diving, utterly adept Adélie penguins.

Penguins Lucia Raatma, 2001 This book describes the life cycles, physical characteristics, and behavior of various types of penguins, including emperor, king, gentoo, and chinstrap penguins.

The Popper Penguin Rescue Eliot Schrefer, 2020-10-13 From two-time National Book Award finalist Eliot Schrefer comes an original penguin-tastic adventure inspired by the beloved classic *Mr. Popper's Penguins*. It's been years and years since the Popper family lived in Stillwater, but the town is still riding high on its former penguin residents. Across the river, in Hillport, residents try to re-create the magic with penguin carnival rides and penguin petting zoos, pretending they're the Popper originals. As the years have gone by, fewer and fewer people have come, and the small attractions shuttered. Nina and Joe Popper have just moved to Hillport with their mother. There's a lot to do: unpacking, scrubbing the floors, investigating the basement -- wait, what's this? Two penguin eggs are tucked snugly near the furnace! It's up to Nina and Joe to find their newly hatched penguin chicks a home. Setting off on the adventure of a lifetime, they endure perilous storms, a long journey to the Arctic, and of course, penguins. Lots and lots of Popper penguins!

Penguins Through the Year Robin Bernard, 1995 Follow a Penguin life in a year.

Penguin on Vacation Salina Yoon, 2015-05-05 Beloved character Penguin returns to board book format—and this time, he's hitting the beach!

Emperor Penguin Meish Goldish, 2010-01-01 How large is the world's biggest penguin? An adult emperor penguin can grow up to about 40 inches (102 cm) tall, which makes it about as tall as a six-year-old child! Emperor penguins live in the coldest place on earth—Antarctica. To survive the extreme conditions, emperor penguins have a layer of feathers that are waterproof and windproof. They also have a thick layer of fat to help them stay warm. With all these layers, an adult male emperor penguin can weigh as much as 84 pounds (38 kg). That's one big bird! In *Emperor Penguin: The World's Biggest Penguin*, large color photos and grade-appropriate text will engage young readers as they learn about the natural habitat, physical characteristics, diet, life cycle, and behavior of this super-sized bird. A comparison diagram is also included to show readers the animal in relation to a familiar object.

Penguins Anne Wendorff, 2012-01-01 Did you know that penguins toboggan? They sometimes travel by sliding over ice on their stomachs. Beginning readers will discover the physical characteristics of penguins and learn how they move in water and on land.
